Who Was Muhammad Ali?

Cassius Marcellus Clay, Jr. won the world heavyweight championship at the age of 22, the same year he joined the Nation of Islam and changed his name to Muhammad Ali. He would go on to become the first and only three-time (in succession) World Heavyweight Champion. Nicknamed “The Greatest,” Ali was as well known for his unique boxing style, consisting of the Ali Shuffle and the rope-a-dope, as he was for the catchphrase “float like a butterfly, sting like a bee.” He was an uncompromising athlete who brought beauty and grace to a very rough sport and became one of the world’s most famous cultural icons. Read *Who Was Muhammad Ali?* and discover “The Greatest.”

The Greatest: My Own Story

In his own words, the heavyweight champion of the world pulls no punches as he chronicles the battles he faced in and out of the ring in this fascinating memoir edited by Nobel Prize-winning novelist, Toni Morrison. Growing up in the South, surrounded by racial bigotry and discrimination, Ali fought not just for a living, but also for respect and rewards far more precious than money or glory. He was named Sportsman of the Century by *Sports Illustrated* and the BBC. Ali redefined what it meant to be an athlete by giving hope to millions around the world and inspiring us all to fight for what is important to us. This is a multifaceted portrait of Muhammad Ali only he could render: sports legend; unapologetic anti-war advocate; outrageous showman and gracious goodwill ambassador; fighter, lover, poet, and provocateur; an irresistible force to be reckoned with. Who better to tell the tale than the man who went the distance living it?

"The first definitive biography of Muhammad Ali" (The New York Times Book Review), this complete story--written with Ali's full cooperation--takes readers from his rural boyhood to his explosive fight career to the truth about his physical condition today. Photographs.

My Brother, Muhammad Ali

A Sunday Times Book of the Year 'Rahaman has, at last, written the definitive biography on his late brother, which tells the real Ali story' - Mike Tyson 'The real life of the Great One' - George Foreman More words have been written about Muhammad Ali than almost anyone else. He was, without doubt, the world's most-loved sportsman. At the height of his celebrity he was the most famous person in the world. And yet, until now, the one voice missing belonged to the man who knew him best - his only sibling, and best friend, Rahaman Ali. No one was closer to Ali than Rahaman. Born Cassius and Rudolph Arnett Clay, the two brothers grew up together, lived together, trained together, travelled together, and fought together in the street and in the ring. A constant fixture in his sibling's company, Rahaman saw Ali at both his best and his worst: the relentless prankster and the jealous older brother, the outspoken advocate, the husband and father. In *My Brother, Muhammad Ali*, he is able to offer a surprising insider's perspective on the well-known stories, as well as never-before-told tales, painting a rich portrait of a proud, relentlessly polarizing, yet often vulnerable man. In this extraordinary, poignant memoir, Rahaman tells a much bigger and more personal story than in any other book on the great man - that of two brothers, almost inseparable from birth to death. It is the final and most important perspective on one of the most iconic figures of the last century.

The Complete Muhammad Ali

Including material and photographs not included in most of the 100 other books about the champion, Ishmael Reed's *The Complete Muhammad Ali* is more than just a biography--it is a fascinating portrait of the 20th century and the beginning of the 21st. An honest, balanced portrayal of Ali, the book includes voices that have been omitted from other books. It charts Ali's evolution from Black Nationalism to a universalism, but does not discount the Nation of Islam and Black Nationalism's important influence on his intellectual development. Filipino American author Emil Guillermo speaks about how "*The Thrilla' In Manila*" brought the Philippines into the 20th century. Fans of Muhammad Ali, boxing fans, and those interested in modern African American history and the Nation of Islam will be fascinated by this biography by an accomplished American author.

Muhammad Ali, the People's Champ

Recently recognized by *Sports Illustrated* as still the best-known athlete in the world, Muhammad Ali has played a fascinating role in American culture, with an influence that has reached far beyond sports. In addition to Ali the boxer, there are Ali the Black Muslim, Ali the cultural icon, Ali the anti-war protestor, Ali the telecelebrity, Ali the narcissist, and more. And it is these various incarnations -- Ali as a window onto his time, our time -- that build upon each other in this book to give us a vivid portrait of one of the greatest protagonists in the ring of public history. As the first book by scholars on the significance of his life and times, *Muhammad Ali, the People's Champ* is a fresh reassessment of the place of a giant sports idol and the role he has played in American history. Ali both shaped and reflected the times in which he lived. He touched the lives of people in a way unprecedented by almost any sports figure before or since. The contributors conclude that we can have no full understanding of our era without him. A volume in the series *Sport and Society*, edited by Benjamin G. Rader and Randy Roberts

The Greatest

The story of Muhammad Ali (Cassius Clay) and his rise to the top in boxing to become The Greatest.

The Soul Of A Butterfly

In this poignant, moving book, Muhammad Ali shares the beliefs he has come to live by and which he has passed on to his children. Some of the wisdom is his own; some comes from the teachings of true Islam, from his spiritual studies, and from people he has met in the course of his extraordinary life. Here, as he recalls his early days as a young warrior in Louisville, Kentucky, and his meteoric rise to fame as Heavyweight Champion of the World, a title he won three times, he tells of the many battles he won and lost, both inside and outside the ring and his conversion to Islam in the 1960s. Now, working tirelessly as a worldwide ambassador for peace, he talks of the damage caused when religion is used to tear people apart, the essential need for unity in this troubled world, and how his faith sustains him on this, the most important journey of his life - the journey to forgiveness and peace. Together with his daughter Hana, in this timely spiritual memoir Ali draws upon his rich reserve of notes, tapes and journals, and writes with compassion, warmth and, of course, humour on how we can liberate mind, body and spirit when we pursue and embrace the one essential truth - love.

Muhammad Ali

A sweeping biography of one of the greatest and most provocative athletes of all time—“a life that needs to be understood whether you care a whit about boxing or not” (The Boston Globe). Athlete, activist, rebel, poet, legend—Muhammad Ali stood larger than life in the imagination of hundreds of millions of people around the world. A gold medalist at the 1960 Olympics, he won the heavyweight championship at age twenty-two by conquering Sonny Liston in dramatic fashion. In the weeks after the upset victory, he confirmed his membership in the Nation of Islam and told reporters he would no longer answer to his “slave name”: Cassius Clay. The political establishment stripped him of his heavyweight title when he refused induction into the United States Army during the height of the war in Vietnam. Ultimately, Ali returned to reclaim his crown, prevailing in epic fights against the likes of Joe Frazier and George Foreman. His talent and charisma—and above all, his adherence to principle—made him a cultural icon and one of the most beloved sporting figures of all time. But that is only half the tale. *Muhammad Ali: His Life and Times* is also the story of Ali, the man. Author Thomas Hauser got closer to Ali than any previous biographer. His work—told in Ali’s own words and those of hundreds of family members, friends, rivals, and others who interacted with “The Greatest” over the decades—reveals a deeply spiritual, complex man, whose public and private battles, including his struggle against the devastating effects of Parkinson’s disease, gave new meaning to the word courage and changed forever our conception of what makes a champion. Heralded by the New York Times as “the first definitive biography of the boxer who transcended sports as no other athlete ever has,” *Muhammad Ali: His Life and Times* is a must-read for anyone seeking to understand the legacy of one of the twentieth century’s most charismatic and controversial superstars. This ebook includes rare photos authorized by Muhammad Ali Enterprises.

The Soul of a Butterfly

A brief biography in verse of boxer Muhammad Ali.

Muhammad Ali, the People's Champ

"I am the greatest! I am the king!" Muhammad Ali was one of the most electrifying, inspiring, and confrontational athletes of his generation. At the height of his boxing career, Ali was as despised as he was adored. Loud and aggressive as well as confident and dedicated, he was the quintessential showman, the undeniable champion of his sport, and one of the most recognizable faces in the world. He was challenged at every turn: faced with racial discrimination in his everyday life, mocked by the sports media as his career began, ridiculed for adopting a new religion, and stripped by the U.S. government of his very livelihood for refusing to go to war. Muhammad Ali faced the obstacles in his life the way he faced his opponents in the ring, bravely and with all the force at his command. In his private life, he was also deeply spiritual, committed to standing up against social injustice, and steadfast in his beliefs. Featuring stunning illustrations and covering his entire life from childhood through his professional career to his end of life battle with Parkinson's Syndrome, this is a moving tribute to the legacy of this impressive figure.

Many books and movies have been created by telling the story of my brother, Muhammad Ali. However, before I am called home, I want to share some of my life stories and memories with this book so people can learn more about my family, my brother, and me through the eyes of a member of the Clay/Ali family. I was there from the beginning and witnessed first-hand how our family's lives were changed as 'The Greatest of all Time' emerged from being a fun-loving kid on the streets of Louisville, Kentucky, to becoming an icon recognized around the world. The memories I share in this book are ones that I will treasure forever. Living through these experiences helped shape my life and made me the man I am today. I can say for a fact that no other man took as many punches from the champ as I did as a result of the training and sparring sessions that we had over the years together. It is my hope that after reading my story and accounts of key events in my family's life, you will walk away with an even greater appreciation of the Clay/Ali family name, history and legacy. I encourage you to treasure each day and strive for your own personal greatness. Peace be upon you (As-salamu alaykum) Rahaman Ali a.k.a. Rudolph Arnett Clay
