

And...Who Is The Real Mother

A Real Mother

This book is intended to educate and send a message to a wide audience, both children and adults, about what I feel defines a real mother. In our society, a real mother continues to be thought of as the female who gives birth. Although, that is often the case, it is certainly not always true. With this book, I hope to be a voice for the many women who have had the experience and privilege of raising a child, whether or not they gave birth to that child. May these women be recognized for whom they are: the real mothers.

White Like Her

White Like Her: My Family's Story of Race and Racial Passing is the story of Gail Lukasik's mother's "passing," Gail's struggle with the shame of her mother's choice, and her subsequent journey of self-discovery and redemption. In the historical context of the Jim Crow South, Gail explores her mother's decision to pass, how she hid her secret even from her own husband, and the price she paid for choosing whiteness. Haunted by her mother's fear and shame, Gail embarks on a quest to uncover her mother's racial lineage, tracing her family back to eighteenth-century colonial Louisiana. In coming to terms with her decision to publicly out her mother, Gail changed how she looks at race and heritage. With a foreword written by Kenyatta Berry, host of PBS's *Genealogy Roadshow*, this unique and fascinating story of coming to terms with oneself breaks down barriers.

Captivating

Every woman was once a little girl and every little girl holds in her heart her most precious dreams. The message of *Captivating* is that your heart matters more than anything else in creation. The desires you had as a little girl and the longings you still feel as a woman are telling you of the life God created you to live. He offers to come now as the hero of your story, to rescue your heart and release you to live a fully alive and feminine woman.

Discovering the Inner Mother

Sure to become a classic on female empowerment, a groundbreaking exploration of the personal, cultural, and global implications of intergenerational trauma created by patriarchy, how it is passed down from mothers to daughters, and how we can break this destructive cycle. Why do women keep themselves small and quiet? Why do they hold back professionally and personally? What fuels the uncertainty and lack of confidence so many women often feel? In this paradigm-shifting book, leading feminist thinker Bethany Webster identifies the source of women's trauma. She calls it the Mother Wound—the systemic disenfranchisement of women by the patriarchy—and reveals how this cycle is perpetuated by wounded mothers who unconsciously pass on damaging beliefs and behaviors to their daughters. In her workshops, online courses, and talks, Webster has helped countless women re-examine their lives and their relationships with their mothers, giving them the vocabulary to voice their pain, and encouraging them to share their experiences. In this manifesto and self-help guide, she offers practical tools for identifying the manifestations of the Mother Wound in our daily life and strategies we can use to heal ourselves and prevent our daughters from enduring the same pain. In addition, she offers step-by-step advice on how to reconnect with our inner child, grieve the mother we didn't have, stop people-pleasing, and, ultimately, transform our heartache and anger into healing and self-love. Revealing how women are affected by the Mother Wound, even if they don't personally identify as survivors, *Discovering the Inner Mother* revolutionizes how we view mother-

daughter relationships and gives us the inspiration and guidance we need to improve our lives and ultimately create a more equitable society for all.

Are You My Mother?

An expansive, moving and captivating graphic memoir from the author of *Fun Home*. Alison Bechdel's *Fun Home* was a literary phenomenon. While *Fun Home* explored Bechdel's relationship with her father, a closeted homosexual, this memoir is about her mother - a voracious reader, a music lover, a passionate amateur actor. Also a woman, unhappily married to a gay man, whose artistic aspirations simmered under the surface of Bechdel's childhood... and who stopped touching or kissing her daughter goodnight, for ever, when she was seven. Poignantly, hilariously, Bechdel embarks on a quest for answers concerning the mother-daughter gulf. 'As absorbing as it is graced with a deceptive lightness of touch, it is clever, brilliantly pieced together, and utterly unusual. Sunday Times 'It's a beautiful (and beautifully illustrated) look at the complexity and dysfunctionality of family through a unique lens - and frames things in such a way that you can't help but re-examine your own relationships, too.' One Life

NEW NOVEL RESTLESS DOLLY MAUNDER SHORTLISTED FOR THE WOMEN'S PRIZE FOR FICTION 2024 FROM THE BOOKER PRIZE-SHORTLISTED AND WOMEN'S PRIZE-WINNING AUSTRALIAN NOVELIST Kate Grenville often takes inspiration for her fiction from her family history and this extraordinary memoir about the life of her own mother, Nance Russell, reveals why. Born to an unhappy marriage and into a deeply sexist society, Nance worked hard for everything she had, and while the world changed around her, she went on to university, opening businesses and raising a family. *One Life* is just as much a universal story as it is Nance's. Beautifully captured by her daughter, it draws on the tales passed down by word of mouth, creating an evocative portrait of life in twentieth-century rural Australia and a deeply intimate and caring homage to a mother's struggle.

About My Mother

A Message from Mike Rowe, the Dirty Jobs Guy: Just to be clear, *About My Mother* is a book about my grandmother, written by my mother. That's not to say it's not about my mother—it is. In fact, *About My Mother* is as much about my mother as it is about my grandmother. In that sense, it's really a book about "mothers." ...It is not, however, a book written by me. True, I did write the foreword. But it doesn't mean I've written a book about my mother. I haven't. Nor does it mean my mother's book is about her son. It isn't. It's about my grandmother. And my mother. Just to be clear.—Mike A love letter to mothers everywhere, *About My Mother* will make you laugh and cry—and see yourself in its reflection. Peggy Rowe's story of growing up as the daughter of Thelma Knobel is filled with warmth and humor. But Thelma could be your mother—there's a Thelma in everyone's life. She's the person taking charge—the one who knows instinctively how things should be. Today, Thelma would be described as an alpha personality, but while

And...Who Is The Real Mother

growing up, her daughter Peggy saw her as a dictator—albeit a benevolent, loving one. They clashed from the beginning—Peggy, the horse-crazy tomboy, and Thelma, the genteel-yet-still-controlling mother, committed to raising two refined, ladylike daughters. Good luck. When major league baseball came to town in the early 1950s and turned sophisticated Thelma into a crazed Baltimore Orioles groupie, nobody was more surprised and embarrassed than Peggy. Life became a series of compromises—Thelma tolerating a daughter who pitched manure and galloped the countryside, while Peggy learned to tolerate the whacky Orioles fan who threw her underwear at the television, shouted insults at umpires, and lived by the orange-and-black schedule taped to the refrigerator door. Sometimes it takes a little distance to appreciate the people we love.

And Now We Have Everything

Selected as One of the Best Books of the Year by: National Public Radio, Esquire, Bustle, Refinery29, Thrillist, Electric Literature, Powell's, Autostraddle, BookRiot, Women.com \"Smart, funny, and true in all the best ways, this book made me ache with recognition.\" -- Cheryl Strayed A raw, funny, and fiercely honest account of becoming a mother before feeling like a grown up. When Meaghan O'Connell got accidentally pregnant in her twenties and decided to keep the baby, she realized that the book she needed -- a brutally honest, agenda-free reckoning with the emotional and existential impact of motherhood -- didn't exist. So she decided to write it herself. And Now We Have Everything is O'Connell's exploration of the cataclysmic, impossible-to-prepare-for experience of becoming a mother. With her dark humor and hair-trigger B.S. detector, O'Connell addresses the pervasive imposter syndrome that comes with unplanned pregnancy, the fantasies of a \"natural\" birth experience that erode maternal self-esteem, post-partum body and sex issues, and the fascinating strangeness of stepping into a new, not-yet-comfortable identity. Channeling fears and anxieties that are still taboo and often unspoken, And Now We Have Everything is an unflinchingly frank, funny, and visceral motherhood story for our times, about having a baby and staying, for better or worse, exactly yourself.

Sins of the Mother

Sins of the Mother is a powerful and inspiring story of a family whose love was tested but never broken, who finally found the strength to heal the past. Irene Kelly was brought up in poverty and abused by her mammy from an early age. But home life was still better than the time she spent in one of Dublin's industrial orphanages. In that harsh regime she was beaten and sexually assaulted. Set to work in the nursery, she saw the nuns treat the babies with horrifying cruelty. As an adult those experiences haunted Irene. When she fell in love with Matt, who was fighting his own demons, they moved to England for a new start. They wanted their daughter Jennifer to have a better life, but in trying to protect her by hiding their past they only succeeded in pushing her away. Until, one day, Irene had a phone call from Ireland that changed everything . . . 'An epic and stirring story which shows that it is possible to overcome the worst start in life.' Sunday Mirror

Mother to Mother

A searing novel, told in letter form, that explores the South African legacy of apartheid through the lens of a woman whose Black son has just murdered a white woman Mother to Mother is a novel with depth, at once an emotional plea for compassion and understanding, and a sharp look at the impacts of colonialism and apartheid on South African families. Inspired by the true story of Fulbright scholar Amy Biehl's murder, the book takes the form of a letter to the victim's mother. The murderer's mother, Mandisa, speaks of a life marked by oppression and injustice. Through her writing, Mandisa reveals a colonized society that not only allowed but perpetuated violence against women and impoverished Black South Africans under the reign of

apartheid. This book is not an apology for the murder but rather something more. It seeks to connect, through empathy and storytelling, one pained mother with another who is grief-stricken and in mourning. A beautifully written exploration of the society that bred such violence, *Mother to Mother* will resonate with readers interested in understanding and ending racial injustice, as well as the lasting colonial foundations of oppression.

My Mother, a Serial Killer

"Everyone knows about Noah, Moses, and Paul. But what about Hagar, Michal, and Priscilla, all women who had a direct influence in the story of God's people? The Bible is full of fascinating, powerful, and faithful women, as well as lessons that have unique meaning for women today." "In *The Women's Study Bible*, respected Bible scholars draw out these often overlooked stories and reveal the lives of women at the time and share lessons for women of today. Separate sidebars cover topics such as midwifery, women disciples, and female images of God. *The Women's Study Bible* doesn't shy away from the difficult issues, but helps readers to understand them better in both their original context and the modern world." "The New Living Translation of the Bible uses inclusive language for humanity and where it is clear that both male and female are meant to be included." --Book Jacket.

The Women's Study Bible

Bringing together emerging ethnographies on kinship in South Asia, this book explores the idea of kinship as 'fiction' in intimate relationships. Fictions and fictive kinship within anthropology are contested ideas. Increasingly, research suggests the idea of intimate relationships has to extend beyond the biological assumption of kinship relations. The idea of fiction is also not free from the biological imagination or the persistent dichotomy of nature-culture/nurture-nature. This edited volume resurrects the idea of fiction and fictive-ness to understand how intimate relationships may use these particular labels, translate into practices, or create an experiential understanding around relationships. The chapters in this book reengage the idea of fiction by exploring the ambiguity within household relationships, the process of making and engaging with a craft and skill, and the intricacies of making children through IVF and third-party involvement. They challenge societal norms of marriage and being married by reframing shared substances and the relationality they carry and by remembering deceased ties through acts of resurrection. Through vivid illustrations of life and living in South Asia, each chapter contributes to an understanding of how fiction and reality are mutually creating each other. This book will be beneficial to students, academics and scholars of anthropology, particularly those interested in kinship and the sociology of the family. The chapters in this book were originally published as a special issue of *Contemporary South Asia*.

Kinship as Fiction

On My Own sends the refreshingly positive, and supportive, message that being alone is not a sign of failure but can be an empowering and liberating experience. Society can be cruel in its assessment of a woman alone, regarding her as defective or deserving of pity. Similar pressures cause women to be ashamed of losing the status of mother, wife or girlfriend, and to dread the prospect of 'going it alone'. But, as the author of this inspiring book points out, being on your own can be a vital, intensely creative experience in which you can find your own voice and live a fulfilling life. The case histories and positive view of *On My Own* will resonate with every woman, young and old, since it touches on a sensitive nerve shared by women all

over the world.

This five volume set deals in detail with Josephine Butler's campaign for the repeal of the Contagious Diseases Acts in Britain and the Colonies. At present, access to Butler's work is restricted as a number of relevant anthologies are out of print. The bulk of these can only be read in specialist libraries and the original copies are becoming increasingly fragile after a century of use. This edited collection makes her writing accessible once again, setting it in an appropriate historical context. In addition to Butler's own work, the thematically ordered volumes include related texts which are important for understanding her campaign. This allows the reader to position Josephine Butler in relation to her opponents and to follow the response to her activities. All the texts are complete and reproduced in facsimile - there are pamphlets, books, media responses to Butler's activities, letters to *The Times*, articles from *The Lancet*, *Pall Mall Gazette*, *The Shield* and *The Dawn* as well as private letters both to and from Butler. The set is introduced through a substantial essay by Jane Jordan, one of the leading international scholars on Butler's life and works, and each volume contains a short introduction by the editors which contextualises the selections. Butler writes clearly and vividly, combining impeccable logic with passionate commitment. She does not soften her message to protect the sensibilities of her audience. She is uncompromising in her analysis, determined to 'set a floodlight on your doings' as she told a stunned royal commission in 1871. *Josephine Butler and the Prostitution Campaigns* demonstrates the great importance of this fascinating campaigner's work.

Conversations with Edmund White brings together twenty-one interviews with an author known for chronicling gay culture. Ranging from a 1982 discussion of his early works to a new and unpublished interview conducted in 2016, these interviews highlight White's predilections, his major achievements, and the pivotal moments of his long, varied career. Since the 1973 publication of his first novel, *Forgetting Elena*, Edmund White (b. 1940) has become a major figure in literature and gay culture. White is, however, more than just a celebrated gay writer. He is an international man of letters, and his work crosses several genres. White's fiction includes an autobiographical trilogy—*A Boy's Own Story*, *The Beautiful Room Is Empty*, and *The Farewell Symphony*—along with more recent novels such as *Jack Holmes and His Friend* and *Our Young Man*. White's love of French literature and culture is evident in biographies of Jean Genet, Marcel Proust, and Arthur Rimbaud, and his antipathy to American Puritanism suffuses his collected essays and memoirs and is on full display in two early nonfiction works that helped define the era of gay liberation: *The Joy of Gay Sex*, coauthored with Charles Silverstein, and *States of Desire: Travels in Gay America*. A professor of creative writing at Princeton University, White has earned many distinctions, including the National Book Critics Circle Award and the Lambda Literary Foundation's Pioneer Award. White has been a generous interviewer, sharing his time and insights not only with major publications such as *The Paris Review*, but also with smaller online publications for more limited audiences. A lively commentator, White has never been afraid to speak his mind, even when the result has been public feuds with literary peers on both sides of the Atlantic.
