Who Was Coretta Scott King?

The wife of Martin Luther King Jr., Coretta Scott King was a civil rights leader in her own right, playing a prominent role in the African American struggle for racial equality in the 1960s. Here's a gripping portrait of a smart, remarkable woman. Growing up in Alabama, Coretta Scott King graduated valedictorian from her high school before becoming one of the first African American students at Antioch College in Ohio. It was there that she became politically active, joining the local chapter of the National Association for the Advancement of Colored People (NAACP). After her marriage to Martin Luther King Jr., Coretta took part in the Civil Rights Movement. Following her husband's assassination in 1968, she assumed leadership of the movement. Later in life she was an advocate for the Women's Rights Movement, LGBT rights, and she worked to end apartheid in South Africa.

Coretta: My Life, My Love, My Legacy

'Coretta is more relevant today than ever . . . a female who takes responsibility for creating something better in the time she has and the space she has to occupy: that is true greatness. And Coretta did that.' Maya Angelou Born in 1927 in the Deep South, Coretta Scott always felt called to a special purpose. After an awakening to political and social activism at college, Coretta went on to study at the New England Conservatory of Music, where she met Martin Luther King Jr. - the man who would one day become her husband. Coretta Scott King

Coretta Scott was committed to social justice long before she met and married Martin Luther King, Jr. She shared in all the dangers that King's prominence in the civil rights movement brought, and she saw herself as full partner in the movement. Yet she generally remained in the background, supporting King's work and caring for their children, until his assassination transformed her into a movement leader in her own right: founder of the King Center, leader of a mass demonstration for a renewed national commitment to nonviolent social change, force behind the establishment of the national holiday bearing her husband's name. This book follows the trajectory of Coretta Scott King's tumultuous life at the heart of the most important American social movement of the 20th century. A More Beautiful and Terrible History

Praised by The New York Times; O, The Oprah Magazine; Bitch Magazine; Slate; Publishers Weekly; and more, this is “a bracing corrective to a national mythology” (New York Times) around the civil rights movement. The civil rights movement has become national legend, lauded by presidents from Reagan to Obama to Trump, as proof of the power of American democracy. This fable, featuring dreamy heroes and accidental heroines, has shuttered the movement firmly in the past, whitewashed the forces that stood in its way, and diminished its scope. And it is used perniciously in our own times to chastise present-day movements and obscure contemporary injustice. In *A More Beautiful and Terrible History* award-winning historian Jeanne Theoharis dissects this national myth-making, teasing apart the accepted stories to show them in a strikingly different light. We see Rosa Parks not simply as a bus lady but a lifelong criminal justice activist and radical; Martin Luther King, Jr. as not only challenging Southern sheriffs but Northern liberals, too; and Coretta Scott King not only as a “helpmate” but a lifelong economic justice and peace activist who pushed her husband’s activism in these directions. Moving from “the histories we get” to “the histories we need,” Theoharis challenges nine key aspects of the fable to reveal the diversity of people, especially women

and young people, who led the movement; the work and disruption it took; the role of the media and “polite racism” in maintaining injustice; and the immense barriers and repression activists faced. Theoharis makes us reckon with the fact that far from being acceptable, passive or unified, the civil rights movement was unpopular, disruptive, and courageously persevering. Activists embraced an expansive vision of justice—which a majority of Americans opposed and which the federal government feared. By showing us the complex reality of the movement, the power of its organizing, and the beauty and scope of the vision, Theoharis proves that there was nothing natural or inevitable about the progress that occurred. *A More Beautiful and Terrible History* will change our historical frame, revealing the richness of our civil rights legacy, the uncomfortable mirror it holds to the nation, and the crucial work that remains to be done. Know Your Value

The bestselling motivational guide that TheAtlantic.com calls “a rallying cry for women to get the money they deserve.” Why are women so often overlooked and underpaid? What are the real reasons men get raises more often than women? How can women ask for -- and actually get--the money, the job, the recognition they deserve? Prompted by her own experience as cohost of *Morning Joe*, Mika Brzezinski asked a wide range of successful women to share the critical lessons they learned while moving up in their fields. Power players such as Facebook's Sheryl Sandberg, Senator Elizabeth Warren, Harvard's Victoria Budson, comedian Susie Essman, and many more shared their surprising personal stories. They spoke candidly about why women are paid less and the pitfalls women face -- and play into. Now expanded to address gender dynamics in the #MeToo era, *Know Your Value* blends compelling personal stories with the latest research on why many women don't negotiate their compensation, why negotiating aggressively usually backfires, and what can be done about it. For any woman who has ever wondered if her desire to be liked can be a liability (yes), if there is a way to reclaim her contribution after it's been co-opted in a meeting (yes), and if there are strategies men use to get ahead that women should too (yes!), *Know Your Value* provides vital advice to help women be their own best advocates.

The Beloved Community

A noted theologian explains how the radical idea of Christian love animated the African American civil rights movement and how it can power today's social justice struggles Speaking to his supporters at the end of the Montgomery bus boycott in 1956, Martin Luther King, Jr., declared that their common goal was not simply the end of segregation as an institution. Rather, "the end is reconciliation, the end is redemption, the end is the creation of the beloved community." King's words reflect the strong religious convictions that motivated the African American civil rights movement. As King and his allies saw it, "Jesus had founded the most revolutionary movement in human history: a movement built on the unconditional love of God for the world and the mandate to live in that love." Through a commitment to this idea of love and to the practice of nonviolence, civil rights leaders sought to transform the social and political realities of twentieth-century America. In *The Beloved Community*, theologian and award-winning author Charles Marsh traces the history of the spiritual vision that animated the civil rights movement and shows how it remains a vital source of moral energy today. *The Beloved Community* lays out an exuberant new vision for progressive Christianity and reclaims the centrality of faith in the quest for social justice and authentic community.

Elements of magical realism intensify this harrowing story about drug use, violence, perceptions of reality, and second chances. This ALA Quick Pick for Reluctant Young Adult Readers earned multiple starred reviews and was described as "vivid," "nuanced," and "intriguing." Booklist said: "Myers' narrative strategy is so inherently dramatic that it captures his readers' attentions and imaginations, inviting not only empathy but also thoughtful discussion." Walter Dean Myers was a New York Times bestselling author, Printz Award winner, five-time winner of the Coretta Scott King Award, two-time Newbery Honor recipient, and the National Ambassador for Young People's Literature. I Have a Dream

Through It All, a unique, intimate portrait of the Kings, one of America's most extraordinary families, is written as only a beloved elder sibling of Dr. Martin L. King, Jr., could -- with insight, tenderness, and wisdom. Christine King Farris, the only sister of Dr. King and his brother, A.D., is the surviving member of the family that together stood for the rights of all Americans at the forefront of the civil rights movement. They come from a long line of African Americans in the South who combined education and conviction not only to survive against the odds but to make life better for themselves and those around them, especially the poor. She offers a rare opportunity to learn more about the man behind the myth -- as she describes, Martin Luther King was \"no saint, ordained as such at birth. Instead, he was an average ordinary man, called by a God, in whom he had deep and abiding faith, to perform extraordinary deeds.\" The revelatory glimpses into her childhood with Dr. King are heartwarming. Her memories of, and insight into, her family's early years, including the brutal murder of their mother in church and the drowning of their youngest brother, are startling. Ms. Farris has led a fascinating life, not only as the sibling of one of America's most internationally celebrated leaders, but in her own right as a wife and mother, activist, and career educator who has put in more than fifty years of service at Spelman College in Atlanta, Georgia. Her children's book, *My Brother Martin*, was described by Kirkus Reviews as \"a window to show Martin as a small boy in a loving extended family.\" Through It All, Christine King Farris's first memoir, opens doors to let readers of all ages into her life, her family, and the faith that allows her, in the ninth decade of her life, to still stand for all the principles that make America great.

The Words of Martin Luther King, Jr

Initiated by The King Center in association with Stanford University.

Tears of a Tiger

On April 4, 1968, at 6:01 PM, while he was standing on a balcony at a Memphis hotel, Martin Luther King, Jr. was shot and fatally wounded. Only hours earlier King -- the prophet for racial and economic justice in America -- ended his final speech with the words, \"I may not get there with you, but I want you to know tonight, that we as a people will get to the Promised Land.\" Acclaimed public intellectual and best-selling author Michael Eric Dyson uses the fortieth anniversary of King's assassination as the occasion for a provocative and fresh examination of how King fought, and faced, his own death, and we should use his death and legacy. Dyson also uses this landmark anniversary as the starting point for a comprehensive reevaluation of the fate of Black America over the four decades that followed King's death. Dyson ambitiously investigates the ways in which African-Americans have in fact made it to the Promised Land of which King spoke, while shining a bright light on the ways in which the nation has faltered in the quest for racial justice. He also probes the virtues and flaws of charismatic black leadership that has followed in King's wake, from Jesse Jackson to Barack Obama. Always engaging and inspiring, April 4, 1968 celebrates the prophetic leadership of Dr. King, and challenges America to renew its commitment to his deeply moral vision.

A Coretta Scott King Honor Book Told in two distinct and irresistible voices, Junauda Petrus's bold and lyrical debut is the story of two black girls from very different backgrounds finding love and happiness in a world that seems determined to deny them both. Port of Spain, Trinidad. Sixteen-year-old Audre is despondent, having just found out she's going to be sent to live in America with her father because her strictly religious mother caught her with her secret girlfriend, the pastor's daughter. Audre's grandmother Queenie (a former dancer who drives a white convertible Cadillac and who has a few secrets of her own) tries to reassure her granddaughter that she won't lose her roots, not even in some place called Minneapolis. “America have dey spirits too, believe me,” she tells Audre. Minneapolis, USA. Sixteen-year-old Mabel is lying on her bed, staring at the ceiling and trying to figure out why she feels the way she feels--about her ex Terrell, about her girl Jada and that moment they had in the woods, and about the vague feeling of illness that's plagued her all summer. Mabel's reverie is cut short when her father announces that his best friend and his just-arrived-from-Trinidad daughter are coming for dinner. Mabel quickly falls hard for Audre and is determined to take care of her as she tries to navigate an American high school. But their romance takes a turn when test results reveal exactly why Mabel has been feeling low-key sick all summer and suddenly it's Audre who is caring for Mabel as she faces a deeply uncertain future. Junauda Petrus's debut brilliantly captures the distinctly lush and lyrical voices of Mabel and Audre as they conjure a love that is stronger than hatred, prison, and death and as vast as the blackness between the stars.
