but serious writing roles for women were scarce.

A blockbuster story about going undercover as a Playboy bunny

put her on the map

Frustrated by the limitations her gender placed on her career

Gloria got involved in the growing women's movement of the late 1960s.

She began traveling the country mobilizing women to demand equal rights.

Her signature hairstyle and aviator glasses got plenty of media attention.

But it was her fearlessness that kept the cameras rolling.

Gloria eventually found a way to unite her two passions - writing and activism

by co-founding Ms. magazine in 1971

the first mainstream publication to focus on women's equality.

And she helped organize the 1977 National Women's Conference in Houston

giving gender equality its biggest platform yet.

The issue of child care is no longer one of choice for wealthy women

She's working to ensure that Black women's voices

And her best-selling books have led the conversation on gender equality

through five decades of change.

Sex and World Peace

Difference between Pornography and Erotica

The Importance of Bearing Witness to Somebody Else's Pain or Loss or Suffering

But I Think We Have To Understand that the One Place on Earth Where the Least Powerful Equals the Most Powerful Is the Voting Booth It Is Not the Most We Can Do but It Is the Least We Can Do and You Know There's Really We Just Need To Invest some Time in Finding Out from Trusted Sources You Know What the Issues Are and Understand that It's that Things Don't Change Overnight You Know They're Not Magic Solutions but What Is Practically Possible To Move Forward and Trust Your Instinct You Know I Mean You You Know Authenticity

It's Also Obviously True that It's Not the Same as Meeting You Know You're Not You're Not Empathizing with all Five Senses and Pressing Send Is Not Activism Okay It's Also True that It Is Divisive and Polarizing because the Huge Majority of Illiterates in this Country in this World Are Female and Many Many Many Millions of Women Do Not Have Electricity Do Not Have Money for a Computer To Know so It You Know It Can Be Divisive and We Must Be Aware of that Here's My Dream for Technology I Think that We Should Have a Big

I Would Love if Machado Saying that She Would Love to He Talked More about the Houston National Women's Conference Do You Believe Something like this Can Happen Again and if It Were Held Today Do You Think How Do You Think the Conference Would Be Different from What It Was like in 1977 How the Issues Changed since Then You Know this Ii Don't Want To Go On about this because Probably Most People in My Country Don't Know about It Much this but It Was a It Was a Two-Year Process in Which in every State and Territory Delegates Were Elected in Issues Were Selected by Huge Numbers of People I Mean in the Capital of New York State There Were 2000 People Just There and if Also because of Its Guidelines

But We Didn't Have a Women's Media Movement You Know so It It's Very Important that We Have Our Own Media Now More Before than We Did before Obviously but the Advertising-Supported Big Media the Ownership of the Media Is Very Restricted to Five Big Operations around the World Hello and Also the Ad Content So I Think There Are any Number of Ways We Can Protest to Individuals We Can Boycott the

Products That Are Advertised and You Know and We Can Hook into the Women's Party to the Women's Media Center to any Group We Know that's Working on the Media

There Is I've I Think in both Our Countries There Is a Fairly Substantial Men's Movement of Men Saying Wait a Minute I'M Not Going To Be Limited to this You Know Dehumanized Masculine Role and Meeting Together in Order To Support each Other in this Defiance of a Masculine Role Which Is Not Easy and Also To Support Women There's Men's Groups Working against Violence against Women Too so You Know Thank You for Making that Visible and Thank You for Supporting It and Yes Absolutely I Think It's Why We Started Why I Wanted To Start with the Un Was To Start He for She Was To Create a Conversation That Start Inclusive I Think Feminism Becoming Synonymous with Man-Hating

I Think It's Why We Started Why I Wanted To Start with the Un Was To Start He for She Was To Create a Conversation That Start Inclusive I Think Feminism Becoming Synonymous with Man-Hating or Is Is Really Damaging and and Really It's Just Incorrect So I Think the More We Talk about that the More that We Try and Open Up a Space in Which I Mean It's Really Wonderful To See Men in this Room and Thank You for Coming and Actually We Have Endless Research about How if You Eliminate from the Statistics of Stuff Why Men Die the Things Most Associated with the Masculine Role of Violence

And Now that There Is the Web Where People Can Be Hateful without Names and without Penalty this Is Reflected so It's Not that the Danger Isn't Real It Is but It Is a Part of Progress It Just Is You Know and We Have To Look after each Other and Be Aware and Reach Out to People Men Who Can Help and Point It Out and Know that It's Wrong but We We Can't Stop I Mean We Can't Let It Frighten

We're Just Trying To Find Remedies You Know Find Ways of Dealing with Legal Threats on the Web That Is a Whole New Area of the Law for Instance and Stalking on the Web and So On and We Need To Tell each Other and Protect each Other but We're Not Going To Stop and I'D Like To Speak as a Supportive Man to Feminism Also a Disabled Person So in a Way that Fighting another Oppression Makes One See the Links between the Different Oppressions and I Think that the Real Answer to Feminism Is that all Men Should Become Feminists because that's the Only Way That We're Actually Going To Create a World We Can't Do It with Just Women Fighting for this because There's Too Many Thousands of Years of Patriarchy

And Ii Think that's What the Women's Equality Party Is Doing and What We're Trying To Do and You Know I'M Even You Know if It Enunciates the Issues Right Even if the It's Someone from another Party Is Going to It It Publicizes the Issues It Makes People Know What Is Possible and We Also Do Our Best To Do that and We Tend To Campaign outside the Parties and Outside Campaigns because Actually Social Justice Movements Have More Credibility than Political Parties so so It's Very Important I Think To Use that Credibility There's Nothing More Important than a Trusted Messenger I Think We Have To Throw It to a Close
