Heute gibt es/Heute gibt es - Paella

From the best-selling author of Tapas: The Little Dishes of Spain and The Foods and Wines of Spain. Unless they have traveled to Spain, most Americans have never tasted a really good paella. What passes for paella at restaurants and even in cookbooks here is a pale imitation of the real thing, the vibrant Spanish rice dish that marries the robust flavors of olive oil, garlic, tomatoes, and pepper with short-grain rice, broth, and meat, fish, or vegetables. Penelope Casas is here to restore the glorious paella to its rightful place as a grain-based meal that will gratify the senses as well as be the centerpiece for easy, elegant entertaining. Casas presents sixty different fascinating paellas, some traditional, some her own creation, showing how easily some of the preparation can be done ahead of time with supermarket ingredients. She includes a superior collection of tapas, the Spanish meal starters, two dozen simple desserts, and a handful of broths and sauces. Her passion for paella, her clear directions, and her creative pairings of fresh ingredients make this unusual cookbook a winner.

The Perils of Paella

Do you want to make spice-rubbed ribs the way they're made by the best barbecue cooks in Memphis? Crispy soft-shell crabs that taste like they're right out of Chesapeake Bay? Refreshing Thai salad just as it's

made in Bangkok? A moussaka that could be the star of a great taverna in Greece? A bisteeya that will transport you to Morocco? Catalan lobster soup, Vietnamese summer rolls, proper Dover sole, a real tiramisu? A golden, buttery tarte Tatin? David Rosengarten will show you how. The New York Times has said that David Rosengarten's hit show, *Taste*, on Food Network \"reconceived the idea of what a cooking show could be. . . . He explores his subjects so thoroughly and thoughtfully that he makes instant experts of his viewers.\\" Now Rosengarten has reconceived the idea of what a cookbook can be. *Taste* gives you a chance to experiment with some of the world's greatest dishes with the world's best cooking teacher at your side. Each recipe is accompanied by a set of criteria--letting you know exactly what experts mean when they say a risotto is good, a gazpacho is excellent, or a chocolate chip cookie is perfect. Now you'll know how to make it--and what to look for along the way. Rosengarten tells you exactly what to shop for: the bottled hot sauce from the West Indies that makes the best ceviche, the brand of chocolate that produces the deepest-tasting molten chocolate cake. He's similarly candid about equipment, detailing everything from a handy smoker that's indispensable in the preparation of jerk chicken to the best heat source for a homemade creme brulee. The chapter on wine is itself an education. You'll find everything you need to know to match wine with food--including a list of twelve inexpensive wines that will never let you down. With his characteristic candor, Rosengarten pricks the bubble of wine pretension--exploding many of America's most fervently held myths. David Rosengarten is a great teacher, with an irrepressible enthusiasm that comes through as vividly in this book as it does on the screen. Beginners will learn the basics from this book. For those who know their way around the kitchen, Rosengarten's in-depth culinary information will be a revelation. A cookbook teaches you how to cook. *Taste* teaches you how to taste. You'll never want to cook again without it.
