Paula

Newly Reissued New York Times Bestselling Author “Beautiful and heartrending. . . . Memoir, autobiography, epicetium, perhaps even some fiction: they are all here, and they are all quite wonderful.” —Los Angeles Times When Isabel Allende’s daughter, Paula, became gravely ill and fell into a coma, the author began to write the story of her family for her unconscious child. In the telling, bizarre ancestors appear before our eyes; we hear both delightful and bitter childhood memories, amazing anecdotes of youthful years, the most intimate secrets passed along in whispers. With Paula, Allende has written a powerful autobiography whose straightforward acceptance of the magical and spiritual worlds will remind readers of her first book, *The House of the Spirits*.

Essays on Paula Rego: Smile When You Think about Hell

In these powerful and stylishly written essays, Maria Manuel Lisboa dissects the work of Paula Rego, the Portuguese-born artist considered one of the greatest artists of modern times. Focusing primarily on Rego’s work since the 1980s, Lisboa explores the complex relationships between violence and nurturing, power and impotence, politics and the family that run through Rego’s art. Taking a historicist approach to the evolution of the artist’s work, Lisboa embeds the works within Rego’s personal history as well as Portugal’s (and indeed other nations’) stories, and reveals the interrelationship between political significance and the raw emotion that lies at the heart of Rego’s uncompromising iconographic style. Fundamental to Lisboa’s analysis is an understanding that apparent opposites – male and female, sacred and profane, aggression and submissiveness – often co-exist in Rego’s work in a way that is both disturbing and destabilising. This collection of essays brings together both unpublished and previously published work to make a significant contribution to scholarship about Paula Rego. It will also be of interest to scholars and students of contemporary painting, Portuguese and British feminist art, and the political and ideological aspects of the visual arts.

Paula's Way

An unexpected inheritance is most people's dream, but not for Paula. Having put bad times behind her, she is now happy and secure in Western Australia with her own business. This is a complete contrast to her rootless childhood, and she has little interest in the minor stately home in the English countryside of which she is apparently now the owner. Persuaded to visit the property in Wiltshire, Paula has to confront complications both romantic and financial that will test the old adage that home is where the heart is.

Paula's Patches

Problem-solver Paula patches her pants—and encourages her class to be resourceful, mend, and reuse. Oh, no! While at school, Paula’s pants catch on a bush that rips a large hole in her pants. She tries everything to hide the hole from her classmates, only to find out that they, too, have leaky lunchboxes, spaghetti stains, and hand-me-down backpacks. Nothing some colorful patches can’t fix! Children will follow Paula as she feels

embarrassed about her torn pants, curious about patches, and excited for a possible solution that helps both her and her classmates. Paula's Patches can be used as a starting point for discussions of consumerism, throwaway culture, and fast fashion. At the back of the book, a section provides activities for children, including how to make their own patches, no-sew bookmarks, and fabric pouches.

Paula's Prophecy

To Sarah, growing up in England around American military children, America, \"The Land of Milk and Honey,\" sounds like Paradise. She dreams of immigrating to a place where anything seems possible. Yet life itself seems determined to thwart her...she has a series of death-defying experiences, and several tragic romances that distract her from her dream. Just when all hope seems lost, however, a handsome \"Prince Charming,\" rescues her, and carries her away to the land of her dreams...just as a psychic medium had predicted. Where the mysterious old lady, reading Sarah's cards, refused to tell her the horrors that were to happen next, the previous suffering Sarah had experienced up until that time was nothing in comparison to what awaited her in America. Abandoning a familiar way of life and starting over again is much harder than she ever dreamed it would be. Dysfunction, domestic violence, and family catastrophe are among the challenges Sarah had faced in her life with much worse to come.

A RICHARD & JUDY BOOK CLUB PICK 'Thrilling...sun-soaked, gin-fuelled...A totally absorbing and compelling read.' Richard & Judy The author of The Paris Wife takes us to the heart of another true story: set in 1920s colonial Kenya, Circling the Sun is about an unforgettable woman who lives by nobody's rules but her own. She was a daughter of Edwardian England, transplanted to Kenya as a young girl by parents who dreamed of life on an African farm. But by the time Beryl Markham was sixteen, that dream had fallen apart. Catapulted into a disastrous marriage, she emerged from its wreckage with one idea: to take charge of her own destiny. Circling the Sun takes us from the brittle glamour of the 1920s Happy Valley set, fuelled by gin and adultery, to the loneliness of life as a scandalous divorcee; from the spectacular beauty of the Kenyan landscape to the manicured lawns of Nairobi's Muthaiga Club. Dazzlingly beautiful, brave, passionate and reckless, Beryl is an unforgettable heroine, whose tragic loss in love compels her to pursue her own dream - of flight, and freedom.

Readers go on a nature walk with Paula through this sequential narrative. Paula stumbles across various items, and counts how many of each that she finds. She takes a very close look at pinecones, including finding the seeds. This fiction title is paired with the nonfiction title "Pinecones" for connecting across texts and comprehension through connection strategies.

As a Woman

Sandra Hoffmann's "Paula" is a moving piece of autofiction about the writer's relationship to her grandmother, a devout Swabian Catholic who refused to reveal who fathered her child in 1946. Growing up in a family where silence reigns, Hoffmann asks: What kind of person, what kind of writer, does this environment produce? Sandra Hoffmanns "Paula" ist ein bewegendes Stück Autofiktion über das Verhältnis der Schriftstellerin zu ihrer Großmutter — einer gläubigen, schwäbischen Katholikin, die sich bis zu ihrem Lebensende weigerte, zu enthüllen, wer ihr Kind im Jahre 1946 gezeugt hat. In einer Familie aufgewachsen, in der die Stille herrscht, fragt Hoffmann: Welche Art von Person, welche Art von Autorin produziert eine solche Umgebung?

The problem of evil has generated varying attempts at theodicy. To show that suffering is defeated for a sufferer, a theodicy argues that there is an outweighing benefit which could not have been gotten without the suffering. Typically, this condition has the tacit presupposition given that this is a post-Fall world. Consequently, there is a sense in which human suffering would not be shown to be defeated even if there were a successful theodicy because a theodicy typically implies that the benefit in question could have been gotten without the suffering if there had not been a Fall. There is a part of the problem of evil that would remain, then, even if there were a successful theodicy. This is the problem of mourning: even defeated suffering in the post-Fall world merits mourning. How is this warranted mourning compatible with the existence of an omniscient, omnipotent, perfectly good God? The traditional response to this problem is the *felix culpa* view, which maintains that the original sin was fortunate because there is an outweighing benefit to sufferers that could not be gotten in a world without suffering. The *felix culpa* view presupposes an object of evaluation, namely, the true self of a human being, and a standard of evaluation for human lives. This book explores these and a variety of other topics in philosophical theology in order to explain and evaluate the role of suffering in human lives.

A first-of-its kind science-backed toolkit takes a holistic approach to burnout prevention by helping individuals, teams, and leaders build resilience and thrive at work. Burnout has become one of the most

talked about workplace topics, and its impact is far-reaching. The 24/7 pace of work, constant demands, and scant resources can easily put busy professionals on a path to burnout, a cycle that has only accelerated during the COVID-19 pandemic. Burnout affects the health and well-being of the entire organization, yet most attempts to help focus on quick-fix strategies aimed at individuals. Something is missing. In *Beating Burnout at Work: Why Teams Hold the Secret to Well-Being and Resilience*, Paula Davis, founder of the Stress and Resilience Institute, provides a new framework to help organizations prevent employee burnout.

Children at Risk, My Fight Against Child Abuse

In 1937, courageous and independent Martha Gellhorn travels to Madrid to report on the atrocities of the Spanish Civil War, and finds herself drawn to the stories of ordinary people caught in devastating conflict. She also finds herself unexpectedly - and uncontrollably - falling in love with Ernest Hemingway, a man already on his way to being a legend. In the shadow of the impending Second World War, and set against the tumultuous backdrops of Madrid, Finland, China, and especially Cuba, where Martha and Hemingway made their home, their relationship and professional careers ignite. But when Hemingway publishes the biggest literary success of his career, they are no longer equals, and Martha must make a choice: surrender to the suffocating demands of a domestic lifestyle, or risk losing her husband by forging her way as her own woman and writer. It is a dilemma that will force her to break his heart, and her own. Based on a true story Martha Gellhorn was one of the greatest war correspondents of the 20th century *FOR WHOM THE BELLS TOLLS* was dedicated to Martha, and inspired by the time they were together in Spain. It was Hemingway's most successful book to date, it sold half a million copies within months, was nominated for a Pulitzer Prize, and triumphantly reestablished his literary reputation

THE NEW NOVEL FROM BESTSELLING AUTHOR ISABEL ALLENDE, *THE WIND KNOWS MY NAME*, IS OUT NOW _____ 'Epic, beautifully crafted . . . Gripping from start to finish' *DAILY TELEGRAPH* 'A must for historical fiction lovers' *COUNTRY AND TOWNHOUSE* 'A new novel by Isabel Allende is always a treat' *DAILY MAIL* _____ One extraordinary woman. One hundred years of history. One unforgettable story. Violeta comes into the world on a stormy day in 1920, the first daughter in a family of five boisterous sons. From the start, her life is marked by extraordinary events. The ripples of the Great War are still being felt, even as the Spanish flu arrives on the shores of her South American homeland almost at the moment of her birth. Told in the form of a letter to someone Violeta loves above all others, this is the story of a hundred-year life – of devastating heartbreak and passionate affairs, poverty and wealth, terrible loss and immense joy. Bearing witness to a century of history, it is a life shaped by the fight for women's rights, the rise and fall of tyrants and, ultimately, not one but two pandemics. Through the eyes of a woman whose unforgettable passion, determination and sense of humour will carry her through a lifetime of upheaval, Isabel Allende once more brings us an epic that is both fiercely inspiring and deeply emotional. *READERS LOVE VIOLETA* 'Allende is truly a master of storytelling ... I didn't want to reach the end' ***** 'A tour de force ... Stunning' ***** 'Beautifully written and intensely dramatic ... I loved every word' ***** 'Spellbinding, captivating and absorbing' ***** 'One of my favourite authors ... I always find myself completely drawn into her richly detailed narratives' *****

The Image of God

For all that we love and admire Shakespeare, he is not that easy to grasp. He may have written in Elizabethan English, but when we read him, we can't help but understand his words, metaphors, and syntax in relation to

our own. Until now, explaining the powers and pleasures of the Bard's language has always meant returning it to its original linguistic and rhetorical contexts. Countless excellent studies situate his unusual gift for words in relation to the resources of the English of his day. They may mention the presumptions of modern readers, but their goal is to correct and invalidate any false impressions. *Shakesplish* is the first book devoted to our experience as modern readers of Early Modern English. Drawing on translation theory and linguistics, Paula Blank argues that for us, Shakespeare's language is a hybrid English composed of errors in comprehension—and that such errors enable, rather than hinder, some of the pleasures we take in his language. Investigating how and why it strikes us, by turns, as beautiful, funny, sexy, or smart, she shows how, far from being the fossilized remains of an older idiom, Shakespeare's English is also our own.

Ten years on from *The Woman Who Walked into Doors*, Booker Prize-winning author, Roddy Doyle, returns to one of his greatest characters, Paula Spencer. Paula Spencer is turning forty-eight, and hasn't had a drink for four months and five days. Her youngest children, Jack and Leanne, are still living with her. They're grand kids, but she worries about Leanne. Paula still works as a cleaner, but all the others doing the job seem to come from Eastern Europe. You can get a cappuccino in the café and the checkout girls are all Nigerian. Ireland is certainly changing, but then so too is Paula – dry, and determined to put her family back together again. 'A phenomenally rewarding read... Could not be bettered in its depiction of the minutiae of the life of a recovering alcoholic: relentless, trivial, terrified' *Observer*
