I Think I'M Trying To Learn I'M Having To Learn Is that the Steering Wheel Does Work but It Operates on Different Principles and if We Can Understand How Leadership Really Works How Influence Is Really Cultivated Then I Really Believe I Genuinely Believe this I Tell I Our Team this All the Time I Think that if You Understand the Way Influence Works that Influence Is Really Separated from Authority That You Can Have Influence despite Authority You Can Have Influence in Spite of Authority You Can Have Influence with Authority without Authority You Can Have Influence with the Corner Office or without It That I Think You Can Be Dropped into an Organization

You Can Take It with You So under the Introduction It Says There's a Myth and Leadership That Says until I'M in Charge I CanNot Lead When I Am in Charge Then I Will Lead to Often We Mistake Our Organizational Position with Our Leadership Ability or Really Opportunity However if Leadership Is Influenced John Maxwell Cause Leadership Influence I Think that's Probably the Best Definition of Leadership all of Us Have Influenced a Hallmark of Our Organization Is Pushing Leadership to the Lowest Level Possible because We Are Convinced that Everyone Is a Leader Who Can and Should Lead Even When They'Re Not in Charge so this Is the First Thing I'M Trying To Do Is Lead Me Lead Me in the Little Blank Next To Lead that's a Blank

And So Learning How To Monitor those Things Is I Think One of the Most Challenging Aspects of Leading Yourself Well but if You Do that Then You Can Be Led Well and It Doesn't Matter whether You'Re Frustrated about Being in Charge or Not You Can Actually Be Led Well and Then the Last One Is Making a Plan I Don't Know What Your Plan Is Right Now I Mean I Would Imagine if You'Re Probably Challenging Your Team's To Have a Plan if You Manage a Team Right Now and Somebody on the Team Said I'M Not Really Doing Anything To Lead Myself Right Now that Would Probably Frustrate You You Want Them To Be Reading

Disa Is More Important than Making the Right Decision Is Owning the Decision Making It Right More Important than Making the Right Decision Is Owning the Decision and Making It Right that the Attitude You Bring to the Decision That You Didn't Make but You'Re Being Asked To Execute Is Going To Make All the Difference in the World about whether or Not the Idea Works or Not and When You'Re Not in Charge the Tendency Is Is To Abdicate Is To Go Well They Didn't Clearly They Didn't Want the Best Idea because if They Did They Would Have Asked Me but They Want To Have Their Little Meeting

I'M Grateful for What They Do for Me There's Always a Day I'M Grateful for What They Do for Me because It Frees Me To Do What Only I Can Do Well I Get To Do and every Day You Have that Choice You Have the Choice between Walking past the Meeting Going I'M Frustrated that I Didn't Get To Be in the Meeting I'M Frustrated that I'M Not at Certain Level I'M Frustrated that I'M Not Being Given More Seniority or More

Authority or You Can Say You Know What I'M in the Spot I'M in There They'Re Making Decisions That I Have To Make and So I'M Just Grateful I'M GonNa Choose To Be Grateful that I'M Getting To Do What I Can Do and They Freed Me Up To Be Able To Do that

Thinking Critically Is a Skill

Reject Passivity

Does the Gun Work as a Leadership Tactic

How To Cultivate Influence

Learn To Reject Passivity while under Authority

Learn How To Have a Hard Conversation with Your Boss

Leading Up When You're Not in Charge - Craig Groeschel Leadership Podcast - Leading Up When You're Not in Charge - Craig Groeschel Leadership Podcast 24 minutes - If there's one misconception that too many people hold about leadership, it's this: **You**, have to be in **charge**, in order to lead.

Of the five factors (honor, timing, motives, initiative, and truth), which one do you need to grow in the most?

What is one area where you see potential for improvement in your organization?

If you're a point leader, what is a specific area or responsibility where you need to give up control to empower your team to lead up?
