You're the Only One I Can Tell

A Washington Post Notable Book of 2017. Deborah Tannen's bestselling *You Just Don't Understand: Conversations Between Women and Men* made us aware of the deep and subtle meanings behind the words we say. She has since explored the way we talk at work, in arguments, to our mothers and our daughters. Now she turns to that most intense, precious and potential minefield: women's friendships. Best friend, old friend, good friend, new friend, neighbour, fellow mother at the school gate, workplace confidante: women's friendships are crucial. A friend can be like a sister, daughter, mother, mentor, therapist or confessor. She can also be the source of pain and betrayal. From casual chatting to intimate confiding, from talking about problems to sharing funny stories, there are patterns of communication and miscommunication that affect friendships. Tannen shows how even the best of friends - with the best intentions - can say the wrong thing, how the ways women friends talk can bring friends closer or pull them apart, but also how words can repair the damage done by words. She explains the power of women friends who show empathy and can just listen; how women use talk to connect - and to subtly compete; how fears of rejection can haunt friendships; how social media is reshaping relationships. Exploring what it means to be friends, helping us hear what we are really saying, understanding how we connect to other people; this illuminating and validating book gets inside the language of one of most women's life essentials - female friendships.

Understanding the Eurovision Song Contest in Multicultural Australia

This book presents the first in-depth study of the Eurovision Song Contest from an Australian perspective. Using a cultural studies approach, the study draws together fan interviews and surveys with media and textual analysis of the contest itself. In doing so, it begins to answer the question of why the European song contest appeals to viewers in Australia. It explores and challenges the dominant narrative that links Eurovision fandom to post-WWII European migration, arguing that this Eurocentric narrative presents a limited view of how contemporary Australian multicultural society operates in the context of globalized culture. It concludes with a consideration of the future of the Eurovision Song Contest as Australia enters into the 'Asian century'.

The Chain that Binds: The Crush

A “breathtaking” memoir of a daughter’s quest to find a miracle for her dying father, by the bestselling author of *The Book That Matters Most* (Publishers Weekly). When her beloved father was diagnosed with inoperable lung cancer, Ann Hood—the author *Comfort: A Journey Through Grief*—refused to give up. If conventional medicine could no longer help, then she would go to any length to find something that could—even if it took a miracle. In this heartfelt and heartbreaking narrative, Ann’s quest to save her father’s life becomes a reawakening of her self. Through trial and desperation she recollects the story of her family’s own past and their quest to find a better life in America, and renews her connection to her Italian Catholic heritage, all of which reminds her of where she came from and who she truly is: her father’s daughter. With a sensitive yet strong voice, Ann Hood’s “spiritual quest to make sense of her father’s fatal illness is rendered with exceptional grace” in a story that “affectingly explores the link between faith and family ties” (Entertainment Weekly). “[Ann Hood] creates an entire world of belief and tradition that sustains her. . . . The miracle that truly nurtures her is her art.” —The Providence Journal “This memoir is every bit as breathtaking as the poem after which it is named.” —Publishers Weekly

The women who starred in low-budget cult movies created many memorable experiences for those fans of late night flicks such as *Saturday Night Frights*, *Movie Macabre* and *Up All Night*. Brinke Stevens, who played Linda in *The Slumber Party Massacre*, recalls, “Suddenly I was riding in limos, flying to foreign countries for film festivals, appearing on dozens of popular talk and entertainment TV shows, and truly feeling like a glamorous movie star.” This collection of revealing interviews provides insights into the lives of 20 cult film actresses. They discuss the pros and cons of making these movies and the directions their careers have taken since. Among the films they starred in are *Night of the Living Dead*, *The Slumber Party Massacre*, *Friday the 13th*, *A Nightmare on Elm Street*, *Halloween*, *Sleepaway Camp* and *Elvira's Haunted Hills*.

Do Not Go Gentle

The stereotype-laden message, delivered through clothes, music, books, and TV, is essentially a continuous plea for girls to put their energies into beauty products, shopping, fashion, and boys. This constant marketing, cheapening of relationships, absence of good women role models, and stereotyping and sexualization of girls is something that parents need to first understand before they can take action. Lamb and Brown teach parents how to understand these influences, give them guidance on how to talk to their daughters about these negative images, and provide the tools to help girls make positive choices about the way they are in the world. In the tradition of books like *Reviving Ophelia*, *Odd Girl Out*, *Queen Bees* and *Wannabees* that examine the world of girls, this book promises to not only spark debate but help parents to help their daughters.

A Gift For You

In 2000, Chris Cicchinelli was twenty-five and at a crossroads. He had just been forced to leave a promising position at a large retail franchise when his mother, Patty Brisben, called. She wanted her son's help in growing her women-only, in-home party business featuring relationship enhancement products. Cicchinelli had been earning well over \$100,000 annually at his previous job. Patty said she could pay him just \$24,000. Still, he said yes, planning to stay just a few months to get the company—which would soon be rebranded as Pure Romance—on its feet. But after recognizing its potential, he never left. Long hours on the road and a restyled business model initially led to financial struggles, and more questions than answers. But their strategy ultimately paid off in explosive growth that swelled the company's revenues from \$3 million in 2001 to \$350 million today. Its workforce of independent consultants now exceeds 40,000 in the U.S. and abroad, despite the recent challenges posed by the COVID-19 pandemic. In the secret is YOU, author Chris Cicchinelli charts his two-decade journey transforming Pure Romance into the world's largest in-home/virtual party company of its kind, while also sharing his innovative approach for empowering women to become successful entrepreneurs themselves.
