Merciless

Ancient buildings are pulverized into dust. Fire and blood rain down from the sky. Oblivion has come to Earth.

Merciless (Dominion Trilogy Book #3)

Evil has infiltrated our world. His name is Oblivion and his touch is death. He devastates the planet, turning it into a twisted, barren world. A dark world. And Grant Borrows, the one man powerful enough to oppose him, is dead. As Grant's remaining friends learn the ultimate truth behind the events that shaped their lives, they secretly gather for one last battle. This showdown between good and evil will prove to every soul on earth that in the bitterest twilight, all is not lost. The world must never forget that even when life is merciless, it is not hopeless.

Fearless (Dominion Trilogy Book #2)

The world changed after that terrible day when the sky burned, and now every heart is gripped by fear. Earthquakes, fire, disease, and floods pummel the earth, and its citizens watch in horror. But in the darkness there is hope--an anonymous but powerful hero whom the public dubs \"Guardian\" emerges from the wreckage. He is Grant Borrows, one of a chosen few who walk the earth with extraordinary powers. They travel the globe, helping those in deepest peril and determined to uncover the secret behind this world-shattering cataclysm. But when signs of a dangerous ancient prophecy begin coming true, dark questions arise about secrets Grant might still be harboring. The world teeters on the brink. But some refuse to let it fall. They are: Fearless

Dominion Trilogy #3

The return of NASA's first manned mission to Mars was supposed to be a momentous day. But when the crew loses touch with ground control before entry, things look bleak. Safe after a treacherous landing, the crew emerges to discover the unthinkable--every man, woman, child, and animal has vanished without a trace. Alone now on their home planet, the crew sets out to discover where everyone has gone--and how to get them back--only to discover they may not be as alone as they thought.

Offworld (Dangerous Times Collection Book #1)

When Candace MacHugh hears her dead father's voice, she's drawn into a conspiracy linked to murder and spontaneous human combustion. Is Candace really communicating with departed spirits? If she doesn't find out fast, she and thousands of others may literally go up in flames.

The Dead Whisper On

Beneath the Cape of Orion—on planet Janaidar—in a parallel universe, a dying Imperial dragon awakens from deep-time compelled to kill a dreaded NuliZhu slavemaster hiding in the Upper Hangar and Staging Area of The-Sleeping-City. Instead, he discovers a hapless human fully transformed into a cyborg by the artificial-sapience known as the WuShi. The stolen man's name is Elijah. A gigantic flying-saucer hovers high above the early industrial riverfront of Bahndahn Towne. Jackal-headed aliens drop grenades of

billowing green paralysis gas. All the people fall—many die outright. After over 5,000-years, the NuliZhu transgalactic slavers from the Empire of Ra are back! Ensconced in the base of a city-sized dodecahedron, The-Creeping-Darkness aspect of the WuShi suddenly finds itself tangled in trillions of lines of ancient code blistering its hyper-processors—a kind of machine-madness. It fires a lucent beam of crackling light up through the core of the city to a precessing cuboid above the Central Obelisk to harden the faces of The-Sleeping-City into battle-mode. Power is short. It desperately needs its newly created power-master, for a lack of power is the only thing stopping it from enslaving the entire multiverse. It must also overcome the Guardian Dragons of Janaidar—whom it fears above all else—for only they can destroy it. In the town of Riverbend, false high priestess and usurper Yenara explores her evil powers in The-Baneful-Chaos. She coldly watches as her left hand rips the ka of the hostler's son free. His body quakes. Vaporous trails of life-elixir bear witness to the foul murder. Spasms of pleasure ripple through her belly as she imbibes the vital essence of the ill-fated lad.

The Creeping Darkness of Janaidar: The Stolen Man Trilogy Book Two

Nolan Gray is an elite soldier, skilled in all forms of combat. After years fighting on foreign battlefields, witnessing unspeakable evils and atrocities firsthand, a world-weary Nolan returns home to find it just as corrupt as the war zones. Everywhere he looks, there's pain and cruelty. Society is being destroyed by wicked men who don't care who they make suffer or destroy. Nolan decides to do what no one else can, what no one has ever attempted. He will defend the helpless. He will tear down the wicked. He will wage a one-man war on the heart of man, and he won't stop until the world is the way it should be. The wicked have had their day. Morality's time has come. In a culture starving for a hero, can one extraordinary man make things right?

Vigilante (Dangerous Times Collection Book #3)

Ghost Town is the hottest amusement park in the country, offering state-of-the-art chills and thrills involving the paranormal. The park's main ride is a haunted mansion that promises an encounter with a real ghost. When Maia Peters visits during her senior year of college, she's not expecting to be impressed. Maia grew up as the only child of a pair of world-renowned "ghost hunters," so the paranormal is nothing new. In fact, the ride feels pretty boring until the very end. There, a face appears from the mist. The face of Jordin Cole, a girl who disappeared from campus a year ago. Convinced what she saw wasn't a hoax and desperate to find answers to Jordin's disappearance, Maia launches into a quest for answers. Joined by Jordin's boyfriend--a pastor's kid with very different ideas about the spirit realm--Maia finds herself in a struggle against forces she never expected to confront.

Angelfall

Grant Borrows awakens to find his life has been altered and the man staring back from his mirror is a stranger, and as he struggles to adapt to his new life, he becomes the central figure in a web of intrigue.

Relentless

It began with the breathtaking DAUGHTER OF SMOKE AND BONE... the story continues in the

astounding, must-read sequel, **DAYS OF BLOOD AND STARLIGHT** Once upon a time, an angel and a devil fell in love and dared to imagine a new way of living - one without massacres and torn throats and bonfires of the fallen, without revenants or bastard armies or children ripped from their mothers' arms to take their turn in the killing and dying. Once, the lovers lay entwined in the moon's secret temple and dreamed of a world that was a like a jewel-box without a jewel - a paradise waiting for them to find it and fill it with their happiness. This was not that world.

Days of Blood and Starlight

She's sure everyone can live together. But when her father and this wolf-pack leader clash, she'll have to choose a side... Mae Cogan's father warned her off werewolves. But she stubbornly believes that humans and shifters deserve to peacefully coexist, even if dating them could be dangerous. And when she's instantly attracted to a rugged and sexy alpha, she abandons all caution for a chance to get intimate. Damon Hale knows he must earn his pack's respect. After his brother's suicide, the best thing for his people would be to find his true shifter mate and show his leadership. But when an alluring human turns out to be his destiny, he fears claiming an outsider as his partner will only lead to tragedy. As Mae battles loyalty to her father and her longing to be in Damon's arms, she starts to doubt whether it's worth betraying family for the rough and violent ways of the wolf. And caught between protecting his own and fulfilling his needs, Damon is forced to push her away when pups start getting kidnapped. Will the fated pair give in to their passions and let love forge the strongest bond? The Marking is the captivating first book in The Moon Goddess paranormal romance series. If you like dark stories, steamy encounters, and thrilling twists and turns, then you'll adore Destiny Diess's enthralling tale. Buy The Marking to shift into darkness today!

The Marking

First came the storms. Then came the Fever. And the Wall. After a string of devastating hurricanes and a severe outbreak of Delta Fever, the Gulf Coast has been quarantined. Years later, residents of the Outer States are under the assumption that life in the Delta is all but extinct...but in reality, a new primitive society has been born. Fen de la Guerre is living with the O-Positive blood tribe in the Delta when they are ambushed. Left with her tribe leader's newborn, Fen is determined to get the baby to a better life over the wall before her blood becomes tainted. Fen meets Daniel, a scientist from the Outer States who has snuck into the Delta illegally. Brought together by chance, kept together by danger, Fen and Daniel navigate the wasteland of Orleans. In the end, they are each other's last hope for survival. Sherri L. Smith delivers an expertly crafted story about a fierce heroine whose powerful voice and firm determination will stay with you long after you've turned the last page.

Orleans

In a society ruled by ruthless men, an elite soldier wages a one-man war on evil--and he refuses to play by their rules.

Vigilante

In the space of a breath, what he thought was his life...shattered. Grant Borrows has been Shifted- in the silence between heartbeats, his whole life fundamentally altered. There's another man in the world wearing his face and living his life. What's more, the man staring back from his mirror is a stranger. But the changes don't stop at skin-level. Inexplicably, he's able to affect objects around him by simply thinking about them. And as he soon learns, he's become the central figure in a vast web of intrigue that stretches from an underground global conspiracy to a prophecy dating back over seven thousand years. Enemies and allies find him at every turn, but one thing they learn all too soon is that you don't want to push Grant Borrows too far... Can destiny be undone? The players are ready. The game is in motion. And the pace is: Relentless. (The Dominion Trilogy Book 1)

The Books in My Life

Finn and his companions barely escaped their encounter with Bilel. But not without a cost - including the loss of Finn's left arm and the magical corruption that now plagues his body. Despite those handicaps, Finn must keep pressing forward if he is to have any hope of bringing Rachael back. As the Seer predicted, the guilds and Khamsin have formed a fragile alliance. But before they can lay siege to Lahab, Finn and his companions must first find a way to defend themselves and their fledgling army from the effects of the god relic that Bilel now wields...

Awaken Online

The New York Times bestselling final installment of Jeff VanderMeer's wildly popular Southern Reach Trilogy It is winter in Area X, the mysterious wilderness that has defied explanation for thirty years, rebuffing expedition after expedition, refusing to reveal its secrets. As Area X expands, the agency tasked with investigating and overseeing it--the Southern Reach--has collapsed on itself in confusion. Now one last, desperate team crosses the border, determined to reach a remote island that may hold the answers they've been seeking. If they fail, the outer world is in peril. Meanwhile, Acceptance tunnels ever deeper into the circumstances surrounding the creation of Area X--what initiated this unnatural upheaval? Among the many who have tried, who has gotten close to understanding Area X--and who may have been corrupted by it? In this last installment of Jeff VanderMeer's Southern Reach trilogy, the mysteries of Area X may be solved, but their consequences and implications are no less profound--or terrifying.

In *Wild Things* Jack Halberstam offers an alternative history of sexuality by tracing the ways in which wildness has been associated with queerness and queer bodies throughout the twentieth century. Halberstam theorizes the wild as an unbounded and unpredictable space that offers sources of opposition to modernity's orderly impulses. Wildness illuminates the normative taxonomies of sexuality against which radical queer practice and politics operate. Throughout, Halberstam engages with a wide variety of texts, practices, and cultural imaginaries—from zombies, falconry, and M. NourbeSe Philip's *Zong!* to Maurice Sendak's *Where the Wild Things Are* and the career of Irish anticolonial revolutionary Roger Casement—to demonstrate how wildness provides the means to know and to be in ways that transgress Euro-American notions of the modern liberal subject. With *Wild Things*, Halberstam opens new possibilities for queer theory and for wild thinking more broadly.

Wild Things

This book traces the origins of a faith--perhaps the faith of the century. Modern revolutionaries are believers, no less committed and intense than were Christians or Muslims of an earlier era. What is new is the belief that a perfect secular order will emerge from forcible overthrow of traditional authority. This inherently implausible idea energized Europe in the nineteenth century, and became the most pronounced ideological export of the West to the rest of the world in the twentieth century. Billington is interested in revolutionaries--the innovative creators of a new tradition. His historical frame extends from the waning of the French Revolution in the late eighteenth century to the beginnings of the Russian Revolution in the early twentieth century. The theater was Europe of the industrial era; the main stage was the journalistic offices within great cities such as Paris, Berlin, London, and St. Petersburg. Billington claims with considerable

evidence that revolutionary ideologies were shaped as much by the occultism and proto-romanticism of Germany as the critical rationalism of the French Enlightenment. The conversion of social theory to political practice was essentially the work of three Russian revolutions: in 1905, March 1917, and November 1917. Events in the outer rim of the European world brought discussions about revolution out of the school rooms and press rooms of Paris and Berlin into the halls of power. Despite his hard realism about the adverse practical consequences of revolutionary dogma, Billington appreciates the identity of its best sponsors, people who preached social justice transcending traditional national, ethnic, and gender boundaries. When this book originally appeared *The New Republic* hailed it as "remarkable, learned and lively," while *The New Yorker* noted that Billington "pays great attention to the lives and emotions of individuals and this makes his book absorbing." It is an invaluable work of history and contribution to our understanding of political life.

Why I Am an Atheist and Other Works

It was my lunch break, so why did I have to pullover the jerk speeding down the street in an Aston Martin? If ever there was a time to look the other way, that was the moment, but ignoring crime in progress isn't my thing. My name is Brian Cordero, a cop with the Alandale Police Force and I had no idea just how much my life was going to change the instant my fingers brushed Raphael Ledeo's. Now, I've been turned from human to demon, and that is just the beginning of this heap of trouble I've gotten myself into. Turns out, there are eight gates to hell, and one of them--the worst one--is open and a secret demon-hunting organization wants my help to close it. I'm in way over my head and It doesn't help that the demon inside of me lusts for the demon inside of Raphael, a man I'd rather steer way clear of. God, will I be able to resist the temptation and

get used to my new demon life? I just don't know. Warning: This volume contains strong adult content not meant for sensitive eyes. The novelettes in this serial will be filled with dark, twisted, raunchy, steamy and even a little romantic scene between powerful, sexy men that will either offend you or get ya revved up. This series will not be pulling any punches, and it won't apologize for hurting your feelings, either. You'll find no fluff and ruffles here. These demons play hard and they fight dirty.

Enter once more the world of Roland Deschain—and the world of the Dark Tower...now presented in a stunning graphic novel form that will unlock the doorways to terrifying secrets and bold storytelling as part of the dark fantasy masterwork and magnum opus from #1 New York Times bestselling author Stephen King. "The man in black fled across the desert, and the gunslinger followed." With these unforgettable words, millions of readers were introduced to Stephen King's iconic character Roland Deschain of Gilead. Roland is the last of his kind, a "gunslinger" charged with protecting whatever goodness and light remains in his world—a world that "moved on," as they say. In this desolate reality—a dangerous land filled with ancient technology and deadly magic, and yet one that mirrors our own in frightening ways—Roland is on a spellbinding and soul-shattering quest to locate and somehow save the mystical nexus of all worlds, all universes: the Dark Tower. Now, in the graphic novel series Stephen King's *The Dark Tower: Beginnings*,

originally published by Marvel Comics in single-issue form and creatively overseen by Stephen King himself, the full story of Roland's troubled past and coming-of-age is revealed. Sumptuously drawn by Jae Lee and Richard Isanove, plotted by longtime Stephen King expert Robin Furth, and scripted by New York Times bestselling author Peter David, *Beginnings* is an extraordinary and terrifying journey into Roland's origins—ultimately serving as the perfect introduction for new readers to Stephen King's modern literary classic *The Dark Tower*, while giving longtime fans thrilling adventures merely hinted at in his blockbuster novels. The evil deceptions woven by the merciless, mesmerizing power of the mystical seeing sphere known as "Maerlyn's Grapefruit" warped Roland Deschain of Gilead's sense of reality, causing him to unintentionally commit a shocking and unforgivable crime—one that may surely earn him a swift journey to the gallows. But what has happened to Roland is only a taste of the bitter fate for all of Mid-World's noblest defenders, as the violent insanity and destructive scheming of the monstrous "Good Man" John Farson and the inhuman Marten Broadcloak finally culminate in an all-out assault on the city of Gilead itself....

Dalriada: Edge of the Blade

This enchanting sci-fi, dark fantasy, and romance tale adhere to the conventions of a profound love story and betrayal. It takes a divergent path toward an unknown, heart-wrenching conclusion and evokes profound contemplation about the significance of sharing a narrative fated for tragedy. Being the last archangel descendants called the Xerian, meaning "Alien" in the Herrian language, the six-year-old Xerian twin boys, Tate and Xenos, have undergone countless transformations to ensure their survival. Once they reached the year of adolescence, they were widely known as the "Lord Twins of Darkness" in the realm of Pandora. Their unique "twinning" abilities helped them succeed in collaborative skills and secured triumphs. Unaware of the destiny the gods have destined for them, the eldest twin will have to make a tough decision that will shift the core of planet Pandora; he must either betray his beloved or kill his evil twin brother, who is the only family he has ever known.
