High Wired

The essays in High Wired are arranged in a practical sequence, beginning with the context and history of MOOs, followed by more technical essays on how to set up and administer a MOO. Subsequent essays discuss applications for the use of MOOs in education and provide theoretical explorations of the nature of MOO communities. High Wired is at once a textbook, a reference book, and a handbook. Teachers, students, and other interested readers will find that it appeals to both practical needs and theoretical concerns. TIME WAITS FOR NO ONE Imagine that there is a bank which credits your account each morning with \$86,400 carries over no balance from day to day, allows you to keep no cash balance, and every evening cancels whatever part of the amount that you failed to use during the day. What would you do? Of course, draw out every CENT!!! Everyone has such a bank. Its name is TIME, every morning, it credit you with 86,400 seconds. Every night it writes off, as lost, whatever of this time you have failed to invest for good purpose. It carries over no balance. It allows no overdrafts. Each day it opens a new account for you. Each

night it burns the record of the day. If you fail to use the day's deposits, the loss is yours. There is no going back. There is no drawing against the \"tomorrow\". You must live in the present on today's deposits. Invest it so as to get the utmost in health, happiness and success! To realize the value of ONE YEAR, ask a student who has failed a grade. To realize the value of ONE MONTH, ask a mother that has given birth to a premature baby. To realize the value of ONE WEEK, ask an unprepared defendant who stands trial, or a lawyer unprepared for trial. To realize the value of ONE DAY, ask the daily wage laborer who has children to feed. To realize the value of ONE HOUR, ask the lovers who are waiting to meet. to realize the value of ONE MINUTE, ask the person who has just missed the bus or the train. To realize the value of ONE SECOND, ask the person who has avoided an accident. To realize the value of ONE MILLISECOND, ask the person who has won a silver medal in the Olympics. Therefore, TREASURE every moment that you have, and always remember that TIME WAITS FOR NO ONE... Truly I Am, Forever Moor... King Connally-Bey Psalm 1:1-3/119:97

Look Who's Back

THE SMASH-HIT HITLER SATIRE - MORE THAN 3 MILLION COPIES SOLD \"A brilliant book\"
RUSSELL KANE \"Brilliant and hilarious\" KEN FOLLETT \"An uproarious, disturbing book that will resonate long after you turn the final page\" Caroline Jowett, Daily Express \"There's no question that the novel has hit upon the key paradox of our modern obsession with Hitler\" Philip Olterman, Observer Berlin, Summer 2011. Adolf Hitler wakes up on a patch of open ground, alive and well. Things have changed - no Eva Braun, no Nazi party, no war. Hitler barely recognises his beloved Fatherland, filled with immigrants and run by a woman. People certainly recognise him, albeit as a flawless impersonator who refuses to break character. The unthinkable, the inevitable happens, and the ranting Hitler goes viral, becomes a YouTube star, gets his own T.V. show, and people begin to listen. But the Führer has another programme with even greater ambition - to set the country he finds a shambles back to rights. Look Who's Back stunned and then thrilled 1.5 million German readers with its fearless approach to the most taboo of subjects. Naive yet insightful, repellent yet strangely sympathetic, the revived Hitler unquestionably has a spring in his step. Translated from German by Jamie Bulloch A box-office-hit film now available on NETFLIX A two-part BBC Radio 4 Dramatisation directed by and starring David Threlfall (Shameless)

If there's anyone who knows about the darker side of online dating, it's Nev Schulman. The 29-year-old rose to fame after his documentary Catfish, about an online flirtation of his which turned sour, became a breakout hit. He followed it up with a series on MTV which followed similar stories of digital deception across

America. Nev has become the go-to expert in online relationships for millennials, a generation who have never known a world without Facebook. His clout in this area springs from his own experience which led him to coin the term 'catfish', referring to someone who creates a false online persona to reel someone into a romantic relationship. Now Nev takes his investigation to the page. Woven throughout with Nev's personal stories this book explores relationships in the era of social media, delving deeply into the complexities of dating in a digital age and continuing the cultural dialogue his show has begun about how we interact with each other online. In IN REAL LIFE Nev explores the pressing issue of connectivity versus genuine connection which is plaguing our relationships with each other, and he provides the advice that his fans have been desperately seeking.

The Contortionist's Handbook

With a new foreward from bestselling and Edgar award-winning author Jordan Harper, this reissue of the cult classic *The Contortionist's Handbook* follows a talented forger who continually reinvents himself to escape the authorities. A great read for fans of Chuck Palahniuk and Irvine Welsh. Following a near fatal overdose of painkillers, Daniel Fletcher is resuscitated in a Los Angeles emergency room and detained for psychiatric evaluation. Through a series of questions and tests, the psychiatrist must ascertain whether the patient intended to kill himself, or whether he can walk free. What the psychiatrist doesn't know is that 'Daniel Fletcher' is actually John – Johnny – Dolan Vincent, a brilliant young forger who continually changes his identity to save himself from a lifetime of incarceration. Johnny has done such assessments before – many, many times. As he creates an elaborate bluff for the evaluator, Johnny reveals the true story of his traumatic past – a broken family, descent into the sinister world of forgers and criminals, and his one chance of salvation in the beautiful and elusive Molly. But time is running out; as his underworld clients lose patience and the psychiatrist's net closes around him, Johnny has to negotiate the escape act of his life. Evoking the boulevards and strip bars of 1980s LA with cinematic intensity, *The Contortionist's Handbook* is a darkly hypnotic and stunningly original debut.
