

Who Was Mother Teresa

Who Was Mother Teresa?

Born a humble girl in what is now Albania, Agnes Bojaxhiu lived a charitable life. She pledged herself to a religious order at the age of 18 and chose the name Sister Teresa, after the patron saint of missionaries. While teaching in India, where famine and violence had devastated the poor, Teresa shed her habit and walked the streets of Calcutta tending to the needs of the destitute. Her charity work soon expanded internationally, and her name remains synonymous with compassion and devotion to the poor.

Apostle Of Love

Amid the slums of Calcutta, Mother Teresa offered a comforting smile, consoling arms, soothing hands, a look that gave dignity, tears of compassion, and the light of Jesus in the darkness of great poverty. She found

God in the poorest of the poor; she cherished them and became a mother to all. She is a powerful witness that \"whatever we do for the least of our brothers, we do for Jesus\" (cf. Matthew 25:40).

Mother Teresa

Mother Teresa's life sounds like a legend. The Albanian girl who entered an Irish order to go to India as a missionary and became an \"Angel of the Poor\" for countless people. She was greatly revered by Christians as well as Muslims, Hindus and unbelievers, as she brought the message of Christian love for one's neighbor from the slums of Calcutta to the whole world. Fr. Leo Maasburg was there as her close companion for many years, traveling with her throughout the world and was witness to countless miracles and incredible little-known occurrences. In this personal portrait of the beloved nun, he presents fifty amazing stories about her that most people have never heard, wonderful and delightful stories about miracles, small and great, that he was privileged to experience at Mother Teresa's side. Stories of how, without a penny to her name, she started an orphanage in Spain, and at the same time saved a declining railroad company from ruin, and so many more. They all tell of her limitless trust in God's love, of the way the power of faith can move mountains, and of hope that can never die. These stories reveal a humorous, gifted, wise and arresting woman who has a message of real hope for our time. It's the life story of one of the most important women of the 20th century as it's never been told before.

Life with Mother Teresa

Mother Teresa of Calcutta--few figures in the twentieth century have received such adulation. This diminutive Albanian nun was frequently cited as the living embodiment of Christian kindness, received the Nobel Peace Prize, and was hailed as a living saint. Yet the respect she received was not unanimous, and

toward the end of her life serious, measured criticisms were directed at this modern icon, who had once seemed beyond reproach. In her fascinating work, Anne Sebba looks carefully at all these views, giving the only objective account of Mother Teresa's life and work. The first half of the book follows the life of young Agnes Bojaxhiu, from her childhood in Serbian-dominated Skopje, to her decision to join the religious life, to her arrival in India during the British Raj. In the second half, Anne Sebba examines the many difficult issues surrounding Mother Teresa's work: her attitudes toward abortion and rape, her association with dictators such as the Duvaliers in Haiti, her medical practices, and her fund-raising ethics. Alongside these aspects, Anne Sebba also highlights Mother Teresa's dedication to the sick, dying, and destitute, and looks at the motivation that drove this remarkable woman. Hers was an extraordinary life, full of paradox. She was a woman of enormous courage, love, and determination, and her legacy poses some of the most profound questions of our age.

Mother Teresa

The glitter of Mother Teresa's celebrity obscures the full splendor of her saintliness, argues Scott in this inspiring yet unsentimental look at the life of the first truly global saint. Includes countless photos and unforgettable television images.

During her lifetime, Mother Teresa resisted having her full biography written. Then, in 1991, realizing that accounts of her life and work could inspire others, she gave Kathryn Spink, who had long been intimately involved with the work of Mother Teresa and her order and co-workers around the world, permission to proceed with a complete biography on the understanding that it would not be finished until after her death. Here, now, is the complete story of Mother Teresa of Calcutta, founder of the Missionaries of Charity and winner of the Nobel Peace Prize, a woman regarded by millions as a contemporary saint for her dedication to serving the poorest of the poor. From her childhood in Balkans as a member of a remarkably openhearted and religious family to her work in India, from attending the victims of war-torn Beirut to pleading with George Bush and Saddam Hussein to choose peace over war. Mother Teresa was driven by an absolute faith. She consistently claimed that she was simply responding to Christ's boundless love for her and for all of humanity. When People magazine interviewed Kathryn Spink for their cover story on Mother Teresa's death, Spink told them: "What one has to understand about Mother Teresa is that she sees Christ in every person she encounters." Clad in her white peasant sari with blue edging, Mother Teresa brought to the world a great and living lesson in joyful and selfless love.
