what topics and decisions are most important to you.

Let's take a look at strategic alignment

Importantly, we can see how this information changes quarter by quarter or year by year

Let's say we want to determine where in the group

the biggest opportunity exists to do more strategic work.

drilled down into practice groups

broken down to the work category or department level.

Let's say we want to know whether we are sending the right type and amount of work to traditional law firms.

We can compare the current volumes and types sent to law firms over time

We can also compare against industry sector benchmarks.

If we overlay a strategic alignment filter

a decomposition tree that allows you to more easily see how the spend is broken down
