Rivers of London: Cry Fox #2

Little Anna Nestorovna Yakunima has been kidnapped. Again. But this time it wasn't Ludmila, her mother. Ludmila is in prison for the first bungled kidnapping but is still expected to come up with the ransom. The problem is that Anna wasn't the only target. Also snatched was Abigail, protégée of DC Peter Grant of the Special Assessment Unit, London's premier (and only) wizarding police unit. Then there's also the question of what role Dan Russell, a large talking fox, had to play in all of this... An all-new Rivers of London story written by Ben Aaronovitch and Andrew Cartmel, taking place after the events of the novel 'The Hanging Tree' and comic series 'Detective Stories'.

Rivers of London: Cry Fox #1

He may now be a Detective Constable, but Peter Grant still has a long way to go before he can become London's second fully-qualified wizard policeman (the first being his boss, Inspector Thomas Nightingale). Still, no peace for the wicked. Grant and Nightingale remain vigilant for signs of their nemesis, the Faceless Man, and his known associate, Lesley May – one time cop and Peter's ex-partner before a horrific disfigurement drove her to the wrong side of the criminal track when she sought to repair the damage. In the meantime, the boys in black – neither would be seen dead in a blue suit while on duty – are looking to keep safe the Russian witch, Varvara, who has a rather large price on her head after helping the police with their enquiries... An all-new Rivers of London story written by Ben Aaronovitch and Andrew Cartmel, taking place after the events of the novel 'The Hanging Tree' and comic series 'Detective Stories'.

Rivers of London

My name is Peter Grant and until January I was just probationary constable in that mighty army for justice known to all right-thinking people as the Metropolitan Police Service (and as the Filth to everybody else). My only concerns in life were how to avoid a transfer to the Case Progression Unit - we do paperwork so real coppers don't have to - and finding a way to climb into the panties of the outrageously perky WPC Leslie May. Then one night, in pursuance of a murder inquiry, I tried to take a witness statement from someone who was dead but disturbingly valuable, and that brought me to the attention of Inspector Nightingale, the last wizard in England. Now I'm a Detective Constable and a trainee wizard, the first apprentice in fifty years, and my world has become somewhat more complicated: nests of vampires in Purley, negotiating a truce between the warring god and goddess of the Thames, and digging up graves in Covent Garden ... and there's something festering at the heart of the city I love, a malicious vengeful spirit that takes ordinary Londoners and twists them into grotesque mannequins to act out its drama of violence and despair. The spirit of riot and rebellion has awakened in the city, and it's falling to me to bring order out of chaos - or die trying.

Rivers of London: Cry Fox #3

The kidnapping of two young girls is not what it seems. On the surface it looked like an attempt to ransom the daughter of the imprisoned wife of a Russian oligarch – but then why was Abigail, apprentice wizard to Peter Grant, also taken? And why, after also kidnapping his vixen and cub, were the moneyed miscreants using Dan Russell – one of London's more unusual talking foxes – as bait? Abigail, apparently poor prey material, has now been joined in captivity by another kidnapped associate of The Folly – Detective Sergeant Guleed, who is apparently considered much greater sport. Now Peter and his boss are going to have to leave the confines of London to take their chances in the green and unpleasant countryside, to track the kidnappers

down... An all-new Rivers of London story written by Ben Aaronovitch and Andrew Cartmel, taking place after the events of the novel 'The Hanging Tree' and comic series 'Detective Stories'.

Rivers of London Volume 7: Action At A Distance

An explosive lesson in history! Thomas Nightingale is one of the most highly revered magicians in Europe and a respected Detective Inspector – but he holds a guarded past. His protégé, Detective Constable Peter Grant, is about to discover some of Nightingale's deepest secrets, hidden within the archives of the London Metropolitan Police's Special Operations Unit. From Rivers of London author Ben Aaronovitch and Andrew Cartmel (Doctor Who, The Vinyl Detective), with art by Brian Williamson (Doctor Who, Hook Jaw), the million-selling series continues with this latest instalment. Step back in time with Grant as he learns how Nightingale unravelled a mystery filled with murder, comic books, and atomic secrets that threatened to destroy Britain.

Rivers of London: Cry Fox #4

Through the nefarious actions of vulpine fay Reynard (to be considered a cunning bastard), aided by talking fox Danny Russell (forced into service after his mate and cub were kidnapped, so to be considered generally a pretty good canid acting under duress), Anna (daughter of imprisoned Russian oligarch), Abigail (trainee wizard – nay apprentice – to The Folly) and Detective Sergeant Guleed (Muslim ninja) have been kidnapped. While the principal reason would seem to be ransom by the blackmail of Anna's parents, Abigail and Guleed are wanted for an entirely different purpose – they are about to find out what it feels like to be at the sharp end of a fox hunt...

Rivers of London Volume 5: Cry Fox

Always outnumbered, always outfoxed! Child kidnapping is already an appalling crime, but in the latest case for Detective Constable Peter Grant – newly promoted in the ranks of London's Metropolitan Police, but with a lot still to learn about wizarding – things take a truly dark turn when the victims become the prey in a homicidal hunt that Grant and the members of the Folly must stop! The latest addition to the million-selling series of Rivers of London novels and graphic novels by acclaimed author Ben Aaronovitch charges headlong into London's secret underbelly, alongside talking foxes, vulpine fay, psychotic aristocrats, and strange-flavored ice cream! "Intriguing and magical: deserves further investigation!" – Outright Geekery

Between the Rivers

At the sun-drenched dawn of human history, in the great plain between the two great rivers, are the cities of men. And each city is ruled by its god. But the god of the city of Gibil is lazy and has let the men of his city develop the habit of thinking for themselves. Now the men of Gibil have begun to devise arithmetic, and commerce, and are sending expeditions to trade with other lands. They're starting to think that perhaps men needn't always be subject to the whims of gods. This has the other god worried. And well they might be...because human cleverness, once awakened, isn't likely to be easily squelched.

'This fast, engrossing novel is enjoyable, cheerful, and accessible to new readers.' — Publishers Weekly My name is Peter Grant, police officer, apprentice wizard and well dressed man about town. I work for ECD9, otherwise known as the Folly, and to the Murder Investigation Team as 'oh god not them again.' But even their governor, the arch sceptic and professional northerner DCI Seawoll, knows that sometimes, when things go bump in the night, they have to call us in. Which was why I found myself in an underground station at five o'clock, looking at the body of James Gallagher, US citizen and Arts Student. How did he avoid the underground's ubiquitous CCTV to reach his final destination, and why is the ceramic shard he was stabbed with so strongly magical? As the case took me into the labyrinth of conduits, tunnels and abandoned bomb shelters that lay beneath the streets I realised that London below might just be as complicated and inhabited as London above. And worse, James Gallagher's father is a US senator, so the next thing I know, I've got Special Agent Kimberley Reynolds of the FBI "liaising" with the investigation and asking awkward questions. Such as 'just what are you guys hiding down here' and 'how did you conjure that light out thin air?' LOCUS AWARD FINALIST FOR BEST FANTASY NOVEL Reviews for Whispers Underground 'One of the most refreshing things about former Doctor Who writer Aaronovitch's Rivers of London series of magical procedurals is that they are blessedly free of manufactured rivalries.... This fast, engrossing novel is enjoyable, cheerful, and accessible to new readers.' — Publishers Weekly 'Ben Aaronovitch writes some of the funniest prose in current fantasy. These books are extremely entertaining, mainly because narrator Peter Grant has a hilarious voice and a sly sense of humor... quirkily effective prose and dry humor, making it a pure pleasure to read.' — Tor.com 'The prose is witty, the plot clever and the characters incredibly likeable...' — Time Out

‘Moon Over Soho cements [the Rivers of London] series as my favorite urban fantasy series. The humor, the world-building, the action, the magic, the mystery, the procedural—all are top-notch.’ — *Ranting Dragon*
My name is Peter Grant, and I'm a Police Constable in that mighty army for justice known as the Metropolitan Police (a.k.a. the Filth). I'm also an apprentice wizard, the first in fifty years. When your dad is an almost famous jazz trumpeter, you know the classics. And that's why, when Dr Walid called me down to the morgue to listen to a corpse, I recognized the tune it was playing as the jazz classic ‘Body and Soul.’ Something violently supernatural had happened to the victim, strong enough to leave its imprint on his corpse as if it were a wax cylinder recording. The former owner of the body, Cyrus Wilkinson, was a part-time jazz saxophonist and full-time accountant who had dropped dead of a heart attack just after finishing a gig. He

wasn't the first, but no one was going to let me exhume corpses just to see if they were playing my tune. So it was back to old-fashioned police legwork, starting in Soho, the heart of the scene, with the lovely Simone – Cyrus's ex-lover, professional jazz kitten and as inviting as a Rubens portrait – as my guide. And it didn't take me long to realise there were monsters stalking Soho, creatures feeding off that special gift that separates the great musician from someone who can raise a decent tune. What they take is beauty. What they leave behind is sickness, failure and broken lives. Reviews for Moon Over Soho Mr. Aaronovitch is, in short, writing the best contemporary occult detective series on the shelf today, and that's by a substantial margin.' — Pornokitsch 'Moon Over Soho is a gripping continuation of River of London's well executed blend of police-procedural and fantasy with a good splash of horror thrown in. This is urban fantasy done with a loving attention to detail and enlivened by an ever present wit making this series a must-read for anyone who likes their fantasy with a strong edge of realism.' — SF Book Reviews

In October 1957, Nightingale was reunited with an old friend from the war, Angus Strallen. The man in question was one Professor Uwe Fischer, a Luftwaffe pilot turned boffin at a factory in Strallen's neck of the woods, Cumberland. Fischer was preying on young women, and Strallen had some evidence to suggest that he was using more than physical power to commit these crimes. He knew of only one man who could help him. It was up to the pair of old friends to work together and apprehend Fischer before he had the chance to strike again.
