Julius Caesar Short Biography - Former Roman Consul - Julius Caesar Short Biography - Former Roman Consul 5 minutes - Here in this video I have described about **Julius Caesar**, Short Biography - Former Roman Consul. I hope you will really like this ...

He was born in Rome on 12 or 13 July 100 BC.

His father's name was Galus Julius Caesar and Mother's name was Aurelia Cotta.

His father was a Politician.

After the sudden death of his father in 85 BC

all the responsibilities fell on the 16 year old Julius.

Gaius Marius and Lucius Cornelius Sulla

He was nominated to be the new high priest

Caesar decided to go to Asia for military service

He started his career as a prosecuting advocate and studied Philosophy temporarily in Rhodes.

In 69 BC, he was elected the quaestor by the Assembly of people

He was also elected as Pontifex Maximus (high priest) in 63 BC.

In 59 BC, he was elected Senior Consul of the Roman Republic

Thus an informal union, called the First Triumvirate was formed

His discontentment led to the start of the Gallic Wars

He then waged wars against many other nations.

Altogether, Caesar conquered 800 cities, subdued 300 tribes, sold a million slaves

Pompey married Cornelia Metella

he fled to Italy by crossing the Rubicon River and civil war broke out.

He marched his troops to Rome and conquered it in 49 BC

and then spent the next 18 months fighting Pompey.

Pompey fled to Egypt after being defeated by Caesar.

After Caesar was declared dictator, he established police forces

introduced land reforms, abolished taxes and re-established the tribune system.

The Roman calendar was according to the movements of the moon so

Caesar changed it according to the sun's movement just like the Egyptians.

Even though Rome had its senate, the real power was with Caesar

On the Ides of March, Caesar was assassinated by the senators.

His second marriage was with Pompeia from 67 BC to 61 BC.
