

Who Is Pope Francis

Who Was Pope Francis?

Follow the amazing journey of Pope Francis, whose warmth and humility made him beloved around the world. Jorge Mario Bergoglio, aka Pope Francis, from Argentina, was the first Jesuit pope, the first from the Americas, and the first from the Southern Hemisphere. During his time as pope, he used a humbler, less formal approach to his office than his predecessors: a warm style that was referred to as "no frills." His common touch and accessibility, as well as his insistence that the church be more open and welcoming, quickly endeared him not only to Roman Catholics but to millions of others around the world.

Pope Francis

An intimate and personal glimpse inside the mind of the leader of the Catholic Church, Pope Francis, through his own words... "I believe in the kindness of others, and that I must love them without fear."—Jorge Bergoglio, Pope Francis Jorge Bergoglio is the first Latin American pope, the first Jesuit pope, and the first to take the name Francis, after Saint Francis of Assisi, the thirteenth-century friar known for his charity and kindness. Here, in a series of extensive interviews conducted over two years, he reveals the very image of a humble priest and inspired teacher. This is a portrait of a man more interested in substance than style. In spontaneous, intimate terms, he talks about his childhood and family life, his first job, the discovery of his calling, and his early days in the seminary. He was a teacher of psychology and literature who befriended writers such as Jorge Luis Borges. He cites Homer and Cervantes with ease, and names *Babette's Feast* as a favorite film and Marc Chagall as a favorite painter. He also takes on uncomfortable subjects: the declining number of priests and nuns; celibacy; the scandals that have rocked the Church; and his experience with the military dictatorship of Argentina. Through his own words, this book reveals a man who is thoughtful and witty, learned and introspective—one whose actions and words reflect his deeply rooted humility. Also included in this volume are Pope Francis's own writings and reflections—full of wisdom and inspiration.

The Mind of Pope Francis

A commonly held impression is that Pope Francis is a compassionate shepherd and determined leader but that he lacks the intellectual depth of his recent predecessors. Massimo Borghesi's *The Mind of Pope Francis: Jorge Mario Bergoglio's Intellectual Journey* dismantles that image. Borghesi recounts and analyzes, for the first time, Bergoglio's intellectual formation, exploring the philosophical, theological, and spiritual principles that support the profound vision at the heart of this pope's teaching and ministry. Central to that vision is the church as a *coincidentia oppositorum*, holding together what might seem to be opposing and irreconcilable realities. Among his guiding lights have been the Jesuit saints, Ignatius and Peter Faber; philosophers Gaston Fessard, Romano Guardini, and Alberto Methol Ferrer; and theologians Henri de Lubac and Hans Urs von Balthasar. Recognizing how these various strands have come together to shape the mind and heart of Jorge Mario Bergoglio offers essential insights into who he is and the way he is leading the church. Notably, this groundbreaking book is informed by four interviews provided to the author, via audio recordings, by the pope himself on his own intellectual formation, major portions of which are published here for the first time.

Pope Francis

'An exhaustive look at the newest pope ... a highly worthwhile resource for Catholics and non-Catholics alike.' - Kirkus '...a superb guide into one of the most pivotal personalities of the 21st century' - Publishers

Weekly A wise and perceptive portrait of Jorge Mario Bergoglio, the newly elected Bishop of Rome and 266th Pope, now in a revised and greatly expanded new edition. Pope Francis has enchanted and bewildered the world in equal measure with his compassion and his contradictions. Expanding greatly on his acclaimed earlier book *Pope Francis: Untying the Knots*, Paul Vallely reexamines the complex past of Jorge Mario Bergoglio and adds nine new chapters, revealing many untold, behind-the-scenes stories from his first years in office that explain this Pope of paradoxes. Vallely lays bare the intrigue and in-fighting surrounding Francis's attempt to cleanse the scandal-ridden Vatican Bank. He unveils the ambition and arrogance of top bureaucrats resisting the Pope's reform of the Roman Curia, as well as the hidden opposition at the highest levels that is preventing the Church from tackling the sex abuse crisis. He explains the ambivalence of Pope Francis towards the role of women in the Church, which has frustrated American Catholic women in particular. And Vallely charts the battle lines that are being drawn between Francis and conservatives and traditionalists talking of schism in this struggle for the soul of the Catholic Church. Consistently Francis has shown a willingness to discuss issues previously considered taboo, such as the ban on those who divorce and remarry receiving Communion, his liberal instincts outraging traditionalists in the Vatican and especially in the Church hierarchy in the United States. At the same time, many of his statements have reassured conservative elements that he is not, in fact, as radical as he might appear. Behind the icon of simplicity that Pope Francis projects is a steely and sophisticated politician who has learned from the many mistakes of his past. The Pope with the winning smile was previously a bitterly divisive figure. In his decade as leader of Argentina's Jesuits left that religious order deeply split. His behavior during Argentina's Dirty War, when military death squads snatched innocent people from the streets, raised serious questions. Yet after a period of exile and what he has revealed as 'a time of great interior crisis' he underwent an extraordinary transformation - on which Vallely sheds new and fascinating light. The man who had been a strict conservative authoritarian was radically converted into a listening participative leader who became Bishop of the Slums, making enemies among Argentina's political classes in the process. Charting Francis's remarkable journey to the Vatican and his first years at work there, Paul Vallely has produced a deeply nuanced and insightful portrait of perhaps the most influential person in the world today. 'Pope Francis,' he writes, 'has not just demonstrated a different way of being a pope. He has shown the world a different way of being a Catholic.'

Pope Francis

From the moment he was elected into the papacy, Pope Francis has captured the attention of the world with his humility, charisma, and reformist spirit. This one-of-a-kind, illustrated biography of the first Jesuit pope offers more than 250 photographs and 50 removable documents from Francis's life. Written by Vatican Radio reporter Marie Duhamel, this intimate portrait includes his parents' emigration from Italy, his birth as Jorge Mario Bergoglio in 1936, his love of soccer and opera as a child, the pneumonia that nearly cost him his life as a young adult, his calling to the priesthood, and his first encounter with poverty as a missionary in Chile that would change his life. Duhamel chronicles Francis's rise from priest to bishop to cardinal to the papacy and how, along the way, he impressed many people and alienated some with his courage to stand up to authority and his dedication to helping the poor. Enclosed documents such as his baptism certificate, photographs from his childhood, pages from a school notebook, handwritten notes as pope, and even a support card for his beloved San Lorenzo soccer club, further illuminate his life and create a lasting keepsake of this pope of the people.

Pope Francis in His Own Words

The moment the identity of the newly elected 266th pontiff was revealed, it was clear to the thousands gathered in St. Peter's Square, and to the watching world, that this pope was different in fascinating and exciting ways — the first from Latin America, the first Jesuit, and the first to take the name Francis, in honor of St. Francis of Assisi. When Pope Francis, formerly Cardinal Jorge Mario Bergoglio of Buenos Aires, spoke from the balcony of St. Peter's Basilica, he greeted his audience colloquially: "Brothers and sisters, good evening." He told a joke, commenting that his fellow cardinals had "gone to the ends of the earth" to

find him. Then, downplaying his power and position, he proceeded not to bless the crowd but to ask them for their blessing: “I ask a favor of you,” he said, bowing humbly. “Let us make, in silence, this prayer: your prayer over me.” Francis has repeatedly foregone the fancy dress, lavish accommodations, and other luxuries of his position, emphasizing pastoral work with the sick and the poor and always seeking to empower the underdog (including his favorite soccer team in Buenos Aires — San Lorenzo). This revealing collection of his own words, gathered from sermons, interviews, and the Pope’s books, prompts understanding and insight into his way of being and believing — and inspires goodwill, love, and hope.

Francis: A Pope for our Time

The Catholic Church has been undoubtedly going through a period of profound crisis. Endless scandals and conspiracies have plagued the Church in recent years, and with resignation of Pope Benedict XVI in February 2013, the Catholic community was left in dire need of direction and spiritual renewal. Archbishop Jorge Bergoglio, elected to Saint Peter’s Throne on March 13, 2013, in one of the briefest conclaves in history, represents a rekindled sense of hope for the Church’s 1.2 billion followers. The first Jesuit to occupy the papacy, Pope Francis I is also the first pope ever to hail from the Americas, and has inspired an enormous sense of pride, especially among Latin Americans and his native Argentina. *Francis: A Pope for Our Time*, The Definitive Biography incisively chronicles Pope Francis’ ancestry, youth, call to faith, humble beginnings with the Society of Jesus, and rise through Argentina’s ecclesiastical ranks, all the way to the Vatican. The book emphasizes His Holiness’ Jesuit background of humility, poverty, and service that stands to reform the Vatican’s long history of lavish excess and removed otherworldly style of leadership. This concise biography also details Jorge Bergoglio’s coming of age during the Peronist years, the challenges he faced throughout Argentina’s brutal military dictatorship, as well as his political stance against the progressive policies of the Kirchners. Known as the “Black Pope” (for his Jesuit garb), the “Pope of the Poor,” and the “Third World Pope,” such monikers exemplify Pope Francis’ original and primary mandate: his pastoral commitment to society’s most underprivileged and disenfranchised. His dedication to interreligious dialogue, accessibility to his community, and rejection of pomp in favor of simplicity promises to bring real-world leadership to a modern Church desperate to emerge from old-world precepts.

Pope Francis

On March 19, 2013, Cardinal Jorge Mario Bergoglio of Argentina became Pope Francis, the 266th Pope of the Catholic Church. His election to the papacy was notable in many ways. He became the first pope from the Americas, the first pope from the Southern Hemisphere, the first non-European pope in more than 1,200 years, the first Jesuit pope, and the first pope to choose the name Francis. Pope Francis was not the person that most people expected to ascend to the papacy when Pope Benedict XVI resigned from the role in late February 2013. While serving as the Archbishop of Buenos Aires, Argentina, Cardinal Bergoglio was known for his dedication to helping the poor and admired for his modest lifestyle. After his inauguration, Pope Francis retained many of his humble ways. People around the globe eagerly watch to see what changes he might bring about in the Catholic Church. Follow Pope Francis’s journey to the papacy, from his days as a young chemist to his studies of theology. Learn more about his beliefs and hobbies—including his interests in soccer and tango dancing. Find out the true story behind the man who became the 266th pope.

On Heaven and Earth

From the man who became Pope Francis, Jorge Mario Bergoglio shares his thoughts on religion, reason, and the challenges the world faces in the 21st century with Abraham Skorka, a rabbi and biophysicist. For years Cardinal Jorge Mario Bergoglio, archbishop of Argentina, and Rabbi Abraham Skorka were tenacious promoters of interreligious dialogues on faith and reason. They both sought to build bridges among Catholicism, Judaism, and the world at large. *On Heaven and Earth*, originally published in Argentina in 2010, brings together a series of these conversations where both men talked about various theological and worldly issues, including God, fundamentalism, atheism, abortion, homosexuality, euthanasia, same-sex

marriage, and globalization. From these personal and accessible talks comes a first-hand view of the man who would become pope to 1.2 billion Catholics around the world in March 2013.

The Great Reformer

A biography of Pope Francis that describes how this revolutionary thinker will use the power of his position to challenge and redirect one of the world's most formidable religions. An expansive and deeply contextual work, at its heart *The Great Reformer* is about the intersection of faith and politics--the tension between the pope's innovative vision for the Church and the obstacles he faces in an institution still strongly defined by its conservative past. Based on extensive interviews in Argentina and years of study of the Catholic Church, Ivereigh tells the story not only of Jorge Mario Bergoglio, the remarkable man whose background and total commitment to the discernment of God's will transformed him into Pope Francis--but the story of why the Catholic Church chose him as their leader. With the Francis Revolution just beginning, this biography will provide never-before-explained context on how one man's ambitious program began--and how it will likely end--through an investigation of Francis's youth growing up in Buenos Aires and the dramatic events during the Perón era that shaped his beliefs; his ongoing conflicts and disillusionment with the ensuing doctrines of an authoritarian and militaristic government in the 1970s; how his Jesuit training in Argentina and Chile gave him a unique understanding and advocacy for a "Church of the Poor"; and his rise from Cardinal to the papacy.

Pope Francis

Pope Francis: A Celebration in Pictures is a lavishly illustrated celebration of the day-to-day life of the spiritual leader of 1.2 billion Catholics across the world. This book combines the superlative images of Studio Felici, the Pope's official photographers, with the text of former Vatican employee Father Michael Collins, who brings his insight and insider knowledge of the workings of the papacy and the Holy City to the page. An unrivalled reference and gift purchase, *Pope Francis* will appeal to anyone interested in history and religion.

Who Is Pope Francis?

Follow the amazing journey of Pope Francis, whose warmth and humility have made him beloved around the world. Jorge Mario Bergoglio, aka Pope Francis, from Argentina, is the first Jesuit pope, the first from the Americas, and the first from the Southern Hemisphere. Since being elected pope he has shown a humbler, less formal approach to his office than his predecessors: a warm style that has been referred to as "no frills." His common touch and accessibility, as well as his insistence that the church be more open and welcoming, has quickly endeared him not only to Roman Catholics but to millions of others around the world. This title in the New York Times best-selling series includes eighty illustrations that help bring Pope Francis's amazing story to life.

Pope Francis

For the past two years Pope Francis has enchanted and bewildered the world in equal measure with his compassion and his contradictions. Expanding greatly on his acclaimed earlier book *Pope Francis: Untying the Knots*, Paul Vallely reexamines the complex past of Jorge Mario Bertoglio and adds nine new chapters, revealing many untold, behind-the-scenes stories from his first years in office that explain this Pope of paradoxes. Vallely lays bare the intrigue and in-fighting surrounding Francis's attempt to cleanse the scandal-ridden Vatican Bank. He unveils the ambition and arrogance of top bureaucrats resisting the Pope's reform of the Roman Curia, as well as the hidden opposition at the highest levels that is preventing the Church from tackling the sex abuse crisis. He explains the ambivalence of Pope Francis towards the role of women in the Church, which has frustrated American Catholic women in particular. And Vallely charts the battle lines that are being drawn between Francis and conservatives and traditionalists talking of schism in this struggle for

the soul of the Catholic Church. Consistently Francis has shown a willingness to discuss issues previously considered taboo, such as the ban on those who divorce and remarry receiving Communion, his liberal instincts outraging traditionalists in the Vatican and especially in the Church hierarchy in the United States. At the same time, many of his statements have reassured conservative elements that he is not, in fact, as radical as he might appear. Behind the icon of simplicity that Pope Francis projects is a steely and sophisticated politician who has learned from the many mistakes of his past. The Pope with the winning smile was previously a bitterly divisive figure. In his decade as leader of Argentina's Jesuits left that religious order deeply split. His behavior during Argentina's Dirty War, when military death squads snatched innocent people from the streets, raised serious questions. Yet after a period of exile and what he has revealed as "a time of great interior crisis" he underwent an extraordinary transformation--on which Vallely sheds new and fascinating light. The man who had been a strict conservative authoritarian was radically converted into a listening participative leader who became Bishop of the Slums, making enemies among Argentina's political classes in the process. Charting Francis's remarkable journey to the Vatican and his first years at work there, Paul Vallely has produced a deeply nuanced and insightful portrait of perhaps the most influential person in the world today. "Pope Francis," he writes, "has not just demonstrated a different way of being a pope. He has shown the world a different way of being a Catholic."

The Path to Change

Pope Francis has thoroughly re-engaged the Catholic Church with the modern world, by tackling the difficult and urgent questions that we face as a civilization, in order to illuminate the path to change. French sociologist Dominique Wolton interviewed Pope Francis regularly over the course of a year, and their open, warm dialogue builds a detailed picture of how Pope Francis became the most popular leader the Catholic Church has ever seen. The Pope's clarity, humility and humanity are brought to the fore by Dominique Wolton's engaging and relevant questions. As well as revealing fascinating insights into his early life, Pope Francis freely addresses the major issues of our time: peace and war, politics and religion, globalization and cultural diversity, fundamentalism and secularism, Europe and migrants, ecology, family, time, trust and joy.

Pope Francis: The Last Pope?

Pope Francis: The Last Pope? reveals the possible reasons for the choice of historical abdication of Benedict XVI and traces the process that led to the election of Cardinal Bergoglio: the Pope who many have prophesized will be the last and will bring the Catholic Church to its end. The book details the history of this prophecy, which was hidden away in the Vatican for hundreds of years and predicts that the reign of the last Pope will herald the beginning of "great apostasy" followed by "great tribulation." It also explores the recent scandals in the Catholic Church and addresses questions including What pressures decreed the end of the pontificate of Benedict XVI? What powers have an interest for the Church to end? and What is the relationship between the Vatican and the New World Order? Perfect for anyone interested in prophecies about the end times, Pope Francis: The Last Pope reveals the truth about what numerology says about the last Pope and the darkness that may follow him, as well as fascinating investigations into the gay lobby, Freemasonry, and the Jesuit agenda in the Vatican and how it relates to the first Borgia Pope, the legend of the White Pope and the Black Pope, and how Benedict's resignation may fulfill an ancient prophecy.

Pope Francis Says...

This board book mainly for infants and toddlers shares the loving words of Pope Francis. With inspiring words and vibrant illustrations, Pope Francis Says... shows children how to live as Christians and know they are loved by God.

Pope Francis

Professor Echeverria does a thorough job of drawing from the pre-papal writings of Jorge Mario Bergoglio

and the man's current papal writings, talks, and sermons to discover and document the continuity in thought Francis has with the councils. Echeverria compares Francis's discourse with that of his papal predecessors in the era since Vatican II. He draws heavily on the documents of Vatican II and the theology of doctrinal development stemming from the First Vatican Council and embraced by Vatican II. Not left out is the modern ecumenical movement from both the Reformed and Catholic side.

Let Us Dream

The leader of the Catholic Church discusses what the COVID-19 crisis revealed about the cruelty and inequality of society, what it can teach about handling upheaval, and how to make the world safer, fairer, and healthier for all people. -- Provided by publisher.

Dear Pope Francis

"In this unprecedented book, questions from children from across the world are presented to Pope Francis -- and the Pope himself answers each letter. All too often, the big spiritual questions from children are ignored or written off as quaint, but Pope Francis helps every child feel God's love and know that their voices are valued and heard. With each question charmingly illustrated by the child, Dear Pope Francis lets the Pope respond directly to each child with inspiring, meaningful answers. Pope Francis's joyful warmth and wisdom shine through for parents, grandparents, teachers and, of course, children.\"--

Discovering Pope Francis

2020 Association of Catholic Publishers third place award in theology 2020 Catholic Press Association third place award in Pope Francis books The dangerous tendency to reduce theological positions to political ones has always fueled divisions in the Church, and it plagues debates surrounding Pope Francis's teaching today. This collection of essays was born of a landmark international symposium designed to promote theological understanding by contextualizing the thought of Pope Francis—from his understanding of history to his theology of mission—within important theological conversations rarely heard in the US Catholic Church. Its contributors demonstrate decisively that Pope Francis's magisterium is the fruit of a profound and distinctive, yet deeply Catholic, intellectual engagement with the theological and ecclesial traditions of the Church.

Pray for Me

Benedict XVI's retirement made news around the world, and changed the dynamics of the Catholic Church. The new pope, Francis I, has already brought a breath of fresh air into the papacy, the Vatican and the faith which has been beset by scandal in recent times. His humility, his charm, his concern for the poor, have captivated the world. But who is he? Pray For Me is the perfect, short introduction to Francis' life and spiritual teachings. It will be of interest not only to committed Catholics but also to those of other faiths, and none, who follow world events and wish to be as well informed as possible.

Sharing the Wisdom of Time

Christmas Day 2021 sees the release of a Netflix series, Stories of a Generation with Pope Francis, based on this book. Pope Francis views elders as reservoirs of wisdom and historical memory and believes their insights will offer future generations much-needed understanding and direction. More than 250 people were interviewed and Loyola Press sent a collection of stories to the Vatican. These encompassed universal themes of love, loss, survival, hope, peace in the face of unimaginable tragedy, and above all, faith. Pope Francis received every story, prayed over them, and responded with sensitivity and grace to 31 of the stories and the issues they raise. In his Preface, Pope Francis lays out his reasons for this collection of wisdom stories and the movement he hopes it inspires. He also contributes as a fellow elder, offering a story from his own life at

the start of each chapter . And in his own wise and compassionate way, he serves as a spiritual shepherd, commenting on dozens of heartfelt stories.

The Francis Miracle

There is no other organization whose inner workings are more secretive than the Vatican. Now, with a dynamic new leader in Pope Francis, all eyes are upon him as he seeks to bring the church back from the right to center, blurring the lines between politics, religion and culture. Allen reveals the inner workings of the Vatican to display the vast machinery of the Catholic Church, and an examination of the man at the helm.

Open to God: Open to the World

Pope Francis's impact on the modern world has already proved extraordinary. It is no surprise that he was voted Time magazine's Person of the Year (in 2013), joining the likes of Martin Luther King (1964) and President John F. Kennedy (1961). Francis has turned the Catholic Church upside-down, flung open the windows of the Vatican and started to purge the church of corruption, nepotism and financial skulduggery. But above all he is engaged with the poor, the starving and the marginalised. He has made important visits to troubled spots in the world and invariably people say his appearances change everything. Pope Francis is in constant dialogue with the outside world and with the universal Catholic Church. He likes being asked questions, finding it easy to respond, and maintains a good relationship with the press. In this new book are some of his most valuable engagements in dialogue form with people of all sorts and kinds. On the one hand, there is his recent engagement with priests in Colombia who are locked in a struggle for human rights. In another lengthy piece, he talks about the importance of scripture, in a way which shows how this is a living source of inspiration. Also included are the texts of the Pope's most recent addresses in Myanmar, Peru and Chile. Open to God: Open to the World offers a fascinating glimpse into the mind and workings of this entirely different Pope. As we see in these conversations the Franciscan revolution is under way and, in spite of Francis's critics, the revolution will roll on and new horizons will be opened for the one and a half billion Catholics in the world today.

Fratelli Tutti

Fratelli Tutti is Pope Francis' new encyclical on universal brotherhood. A book that adds to the countless teachings that the Holy Father wants to offer to the whole world. This encyclical is very significant for the place and date of the encyclical's release. In fact, the Holy Father signs this encyclical on universal brotherhood on the tomb of the Seraphic Father Saint Francis of Assisi. Perhaps this is a warning to the world to be brothers.

What Pope Francis Really Said

Taken from a variety of addresses and homilies delivered by Pope Francis, this collection can be used as meditations that will inspire and challenge you, push you deeper into Scripture, and fill you with gratitude for God's personal love for you.

Through the Year with Pope Francis

NATIONAL BESTSELLER • Pope Francis illuminates the Lord's Prayer, the most important prayer in all of Christianity, offering readers a guide to living a life of meaning, purpose and strength. In conversation with Father Marco Pozza, a theologian and prison chaplain in Padua, Italy, Pope Francis offers unprecedented insight into Jesus's most profound words, as he explores the importance of embracing social justice, benevolence, and forgiveness in our hearts and minds. Looking to address the concerns and hopes of today's men and women, Our Father: Reflections on the Lord's Prayer is a guide to living a life full of meaning,

purpose, and strength. “We need courage to pray the Our Father,” writes Pope Francis, “to truly believe that God is the Father who accompanies us, forgives us, gives us bread, is attentive to all that we ask, clothes us even better than the flowers of the field. To believe is a big risk.” Challenging this doubt and fear, he issues a call to “dare . . . help one another to dare.” With excerpts from some of the Pontiff’s most cherished teachings, this beautiful work offers words of encouragement and inspiration for all who are seeking hope and direction in our often tumultuous world.

Our Father

Pope Francis confuses many observers because his papacy does not fit neatly into any pre-established classificatory schemes. To gain a deeper appreciation of Francis’s complicated papacy, this volume proposes that an interdisciplinary approach, fusing concepts derived from moral theology and the social sciences, may properly situate Pope Francis as a global political entrepreneur. The chapters in this volume ask what difference it makes that he is the first pope from Latin America, how and why different countries in the world respond to him, how his understanding of scripture informs his ideas on economic, social, and environmental policy, and where politics meets theology under Francis. In the end, this volume seeks to provide a more robust understanding of the enigmatic papacy of Francis.

Pope Francis as a Global Actor

We live in an unprecedented time that has threatened to upend our daily rhythms, our work, our homes - even our faith. More than ever, we need books like *Reflections on the Sunday Gospel* to stir us to hope, to comfort, to peace. We need to remember what we live for and how good God is. These reflections - published in English for the first time, drawn both from homilies given by Pope Francis and readings from the Fathers of the Church, including Saint Augustine, Saint Jerome, and Saint Ambrose - do more than offer a way to enter into the liturgical year with weekly readings to enrich your devotional time. They offer Christ, and the power of his resurrection. They offer his words of assurance: 'I have said these things to you, that in me you may have peace. In the world you will have tribulation. But take heart; I have overcome the world'. Ultimately, as Pope Francis guides us through these timeless words, we will glean how even the giants of the faith needed God as much as we do, and how we can draw near to a good and faithful God no matter where we are or what season we're in.

Reflections on the Sunday Gospel (YEAR A)

A down-to-earth and deeply intimate portrait of Pope Francis and his faith, based on interviews with the men and women who knew him simply as Jorge Mario Bergoglio. Early on the evening of March 13, 2013, the newly elected Pope Francis stepped out onto the balcony of St. Peter’s Basilica and did something remarkable: Before he imparted his blessing to the crowd, he asked the crowd to bless him, then bowed low to receive this grace. In the days that followed, Mark K. Shriver—along with the rest of the world—was astonished to see a pope who paid his own hotel bill, eschewed limousines, and made his home in a suite of austere rooms in a Vatican guesthouse rather than the grand papal apartment in the Apostolic Palace. By setting an example of humility and accessibility, Francis breathed new life into the Catholic Church, attracting the admiration of Catholics and non-Catholics alike. In *Pilgrimage*, Shriver retraces Francis’s personal journey, revealing the origins of his open, unpretentious style and explaining how it revitalized Shriver’s own faith and renewed his commitment to the Church. To help us understand how Jorge Mario Bergoglio became Pope Francis, Shriver travels to Bergoglio’s native Argentina to meet with the people who knew him as a child, as a young Jesuit priest, and as a reformist bishop. Shriver visits the confessional where Bergoglio first felt called to a faith-based life and takes us to the humble parish where the future pontiff’s pastoral career began: in a church created from a converted vegetable shed in an area just outside the city of Buenos Aires. In these impoverished surroundings, Bergoglio answered Christ’s call to feed the hungry, clothe the naked, and shelter the homeless, following the example set by his papal namesake, St. Francis of Assisi. In this deeply reported yet highly personal book, Mark K. Shriver explores how Francis's commitment

has struck a chord in the hearts of millions who long to make faith, love, humility, and mercy part of their lives as they go out into the world to serve and learn from the most marginalized. Praise for *Pilgrimage* “Well-researched . . . *Pilgrimage* shines a light on [Pope Francis’s] unexplored aspects. . . . A very timely and important addition to the literature on the life and person and thinking of Pope Francis. Everybody interested in Pope Francis will enjoy reading this biography.”—The Washington BookReview “Apt to stir the soul of readers . . . While this is a rich telling of Bergoglio’s life and ascension to the papacy, it is more movingly a spiritual memoir that draws us deep into a knowing of this at once humble and soul-stirring rekindler of faith.”—Chicago Tribune “A fascinating portrait of a man and a nourishing account of spiritual yearning.”—Booklist “This fast-paced and fascinating tale takes us on Jorge Mario Bergoglio’s pilgrimage from his grandmother’s knee in the Italian-Argentine community, through years of success and sorrow in the tumultuous country that he loved, to his surprise election as Pope Francis.”—Cokie Roberts, New York Times bestselling author of *Capital Dames: The Civil War and the Women of Washington, 1848–1868* “All people of good faith, including those whose lives are not guided by religious beliefs, will be inspired and enlightened by the compelling manner in which *Pilgrimage* brings us closer to the heart and mind of Jorge Mario Bergoglio, Pope Francis. I highly recommend this book; it will make a difference in your life.”—Cardinal Seán O’Malley, OFM Cap.

Pilgrimage

“The Pope is a man who laughs, cries, is at peace with the world, and has friends like everyone else. A normal person!” - Pope Francis Reluctant at first to speak with journalists-“It’s true that I do not give interviews...it requires quite an effort to do so”-Pope Francis quickly and enthusiastically took to the form. True to his nature-warm, friendly, frank-he speaks in plain language about the needs of the Church, the poor, the ordinary person, the world at large, and of himself, “a sinner whom the Lord has looked upon.” God is Always Near brings together Pope Francis’ first interviews, drawing each of us into fascinating conversations that reveal his love for people and his trust in the mercy of a loving God, who is always near.

God Is Always Near

“A magnificent book, bursting with profound spiritual insights, from a man who has quickly become one of the greatest spiritual teachers of our time.” --James Martin, SJ, author of *Jesus: A Pilgrimage* In the year since he was elected, Pope Francis’s simple message of mercy, service, and renewal has spread to every corner of the world. Through his gentle demeanor, selfless actions, and welcoming call for service to others, Pope Francis has captured the attention of a world longing for an authentic message of hope—we want to hear what he has to say. Collected from Pope Francis’s speeches, homilies, and papers presented during the first year of his papacy, *The Church of Mercy* is the first Vatican-authorized book detailing his vision for the Catholic Church. From how to be citizens of the world to answering God’s call for evangelization, Pope Francis’s deep wisdom reminds us that the Church must move beyond its own walls and joyfully bring God’s mercy wherever suffering, division, or injustice exists. Named *TIME* Magazine’s 2013 “Person of the Year,” Pope Francis is helping the Church continue toward an authentic Christianity that is faithful to the Gospel and resonant with the world’s greatest needs. *The Church of Mercy* encourages each of us to ignite the flame within to help share the light of Christ and revitalize the Church.

The Church of Mercy

A New York Times columnist and one of America’s leading conservative thinkers considers Pope Francis’s efforts to change the church he governs in a book that is “must reading for every Christian who cares about the fate of the West and the future of global Christianity” (Rod Dreher, author of *The Benedict Option*). Born Jorge Mario Bergoglio in 1936, today Pope Francis is the 266th pope of the Roman Catholic Church. Pope Francis’s stewardship of the Church, while perceived as a revelation by many, has provoked division throughout the world. “If a conclave were to be held today,” one Roman source told *The New Yorker*, “Francis would be lucky to get ten votes.” In his “concise, rhetorically agile...adroit, perceptive, gripping

account (The New York Times Book Review), Ross Douthat explains why the particular debate Francis has opened—over communion for the divorced and the remarried—is so dangerous: How it cuts to the heart of the larger argument over how Christianity should respond to the sexual revolution and modernity itself, how it promises or threatens to separate the church from its own deep past, and how it divides Catholicism along geographical and cultural lines. Douthat argues that the Francis era is a crucial experiment for all of Western civilization, which is facing resurgent external enemies (from ISIS to Putin) even as it struggles with its own internal divisions, its decadence, and self-doubt. Whether Francis or his critics are right won't just determine whether he ends up as a hero or a tragic figure for Catholics. It will determine whether he's a hero, or a gambler who's betraying both his church and his civilization into the hands of its enemies. "A balanced look at the struggle for the future of Catholicism...To Change the Church is a fascinating look at the church under Pope Francis" (Kirkus Reviews). Engaging and provocative, this is "a pot-boiler of a history that examines a growing ecclesial crisis" (Washington Independent Review of Books).

To Change the Church

Small children have BIG questions. Some are fun. Some are serious. And some will quietly break your heart. In *Dear Pope Francis*, the Pope's first book for children, he personally responds to 30 questions from children all over the world. With his optimistic heart, Pope Francis writes with an honesty that will impact every reader long after the final page is turned. Illuminating and inspiring, *Dear Pope Francis* is a lasting book with a universal message for children and adults.

Dear Pope Francis

My Door is Always Open is the complete and definitive set of interviews between Pope Francis and Jesuit priest Antonio Spadaro. In the summer of 2013, Pope Francis gave three extended interviews to Spadaro, the head of *La Civiltà Cattolica* (Catholic Civilisation), a Catholic periodical based in Rome, in which he spoke at length about his background, his Faith, and his vision for the Roman Catholic Church. Here, at last, is the complete collection of the interviews with a full commentary by Spadaro, the interlocutor and commentator. In this compelling and engrossing dialogue, Antonio Spadaro introduces a Pope of great intellect and intelligence, who for the first time gives a rounded and substantial account of where he may lead the Roman Catholic Church in the years to come. Insightful and sincere, Pope Francis expounds upon the contemporary issues facing the Church, including the role of women and his experiences at the heart of Church governance, and he and Spadaro discuss at length the major issues facing religion around the world. Including accounts of Pope Francis' visit to Brazil for World Youth Week, *My Door is Always Open* is the first book written by the Pope since he was elected and is the most convincing and persuasive guide to Pope Francis's vision as one of the most charismatic figures of our time.

My Door Is Always Open

Jorge Bergoglio was just an ordinary teenager in Argentina, until the autumn day he decided to stop by a church. That's when he hears an astonishing call. But that's only the beginning of Jorge's adventures, which take him into the Jesuit order, the priesthood, serving the poor, and into a bitter conflict when his country is involved in a sinister Dirty War. But Jorge keeps trying to follow Christ, no matter where He leads - even to Rome and the heart of the Church. The amazing true story of Pope Francis, and his experience of the mercy of God. "You look for God, but then you realize He is already looking for you. You want to find Him, but He finds you first." - Jorge Bergoglio (Pope Francis)

Pope Francis

"In these essays Pope Francis urges Christians in our time to take up the journey [of walking with Jesus] again and to renew their faith. ... [He] does so by drawing from the rich spiritual legacy of St. Ignatius of Loyola as well as his pastoral encounters across a long lifetime as a priest, bishop, and now pope"--

Foreword.

Walking with Jesus

“In the heart of this world, the Lord of life, who loves us so much, is always present. He does not abandon us, he does not leave us alone, for he has united himself definitively to our earth, and his love constantly impels us to find new ways forward. Praise be to him!” – Pope Francis, *Laudato Si'* In his second encyclical, *Laudato Si': On the Care of Our Common Home*, Pope Francis draws all Christians into a dialogue with every person on the planet about our common home. We as human beings are united by the concern for our planet, and every living thing that dwells on it, especially the poorest and most vulnerable. Pope Francis' letter joins the body of the Church's social and moral teaching, draws on the best scientific research, providing the foundation for “the ethical and spiritual itinerary that follows.” *Laudato Si'* outlines: The current state of our “common home” The Gospel message as seen through creation The human causes of the ecological crisis Ecology and the common good Pope Francis' call to action for each of us Our Sunday Visitor has included discussion questions, making it perfect for individual or group study, leading all Catholics and Christians into a deeper understanding of the importance of this teaching.

Laudato Si

Pope Francis' appointment to the papacy in 2013 electrified the world and injected a new energy into the Catholic Church. His message of mercy and humility resonates the world over, with people of every faith. For this extraordinary book, National Geographic photographer Dave Yoder spent more than six months working in the field in Rome to capture the spirit of the Vatican today, revealing the pontiff's public life and personal crusades as never before and showcasing the fascinating inner workings of the Vatican, a uniquely powerful state. Complementary essays by acclaimed journalist Robert Draper reveal Pope Francis' personal story, his journey to the papacy, and the heart of his ministry. Set against the beauty of time-honored ceremonies, wondrous art and architecture, and the lives of the faithful the world over, this stunning volume is a special portrait of a beloved pontiff and one of the world's most beloved institutions.
