Raise Your Hand

Instant New York Times Bestseller! 11-year-old Alice Paul Tapper—daughter of CNN's Jake Tapper—is challenging girls everywhere to speak up! When Alice Tapper noticed that the girls in her class weren't participating as much as the boys, she knew she had to do something about it. With help from her Girl Scout troop and her parents, she came up with a patch that other girls could earn if they took a pledge to be more confident in school. Alice even wrote an op-ed about the experience for the New York Times! Inspired by that piece, this picture book illustrates her determination, bravery, and unwillingness to accept the status quo. With Marta Kissi's delightful illustrations depicting Alice's story, young readers everywhere will want to follow Alice's lead and raise their hand!

The New Puberty

A generation ago, fewer than 5 percent of girls started puberty before the age of 8; today, that percentage has more than doubled. Early puberty is not just a matter of physical transformation—it's also deeply psychological, with a myriad of effects that can put a girl at higher risk for behavioral problems and long-term health challenges. In this reassuring and empowering guide, Louise Greenspan, MD, and Julianna Deardorff, PhD—two leading experts on the root causes and potential consequences of early puberty in girls—deliver vital advice on how to prevent and manage early puberty. They explain surprising triggers—from excess body fat to hormone-mimicking chemicals to emotional stressors in a girl's home and family life—and offer highly practical strategies, including how to limit exposure to certain ingredients in personal care and household products, which foods to eat and which to avoid, ways to improve a child's sleep routine to promote healthy biology, and more. The New Puberty is an engaging, urgently needed road map to

helping young girls move forward with confidence, ensuring their future well-being.

Each daily devotion includes a prayer to help girls apply the lesson. "If you've wondered whether there is anything left on the planet to entertain your young beauties that promotes morals you'd approve of, look no further" —Author and speaker Priscilla Shirer

Shabanu

The Newbery Honor winner about a heroic Pakistani girl that *The Boston Globe* called “Remarkable . . . a riveting tour de force.” Life is both sweet and cruel to strong-willed young Shabanu, whose home is the

windswept Cholistan Desert of Pakistan. The second daughter in a family with no sons, she's been allowed freedoms forbidden to most Muslim girls. But when a tragic encounter with a wealthy and powerful landowner ruins the marriage plans of her older sister, Shabanu is called upon to sacrifice everything she's dreamed of. Should she do what is necessary to uphold her family's honor—or listen to the stirrings of her own heart? A New York Times Notable Book “Staples has accomplished a small miracle in her touching and powerful story.” —The New York Times

A Girl's Bill of Rights

"In a world where little girls must learn to stand tall, *A Girl's Bill of Rights* boldly declares the rights of every woman and girl: power, confidence, freedom, and consent"--

Material Girls

'A clear, concise, easy-to-read account of the issues between sex, gender and feminism . . . an important book' *Evening Standard* 'A call for cool heads at a time of great heat and a vital reminder that revolutions don't always end well' *Sunday Times* *Material Girls* is a timely and trenchant critique of the influential theory that we all have an inner feeling known as a gender identity, and that this feeling is more socially significant than our biological sex. Professor Kathleen Stock surveys the philosophical ideas that led to this point, and closely interrogates each one, from De Beauvoir's statement that, 'One is not born, but rather becomes a woman' (an assertion she contends has been misinterpreted and repurposed), to Judith Butler's claim that language creates biological reality, rather than describing it. She looks at biological sex in a range of important contexts, including women-only spaces and resources, healthcare, epidemiology, political organization and data collection. *Material Girls* makes a clear, humane and feminist case for our retaining the ability to discuss reality, and concludes with a positive vision for the future, in which trans rights activists and feminists can collaborate to achieve some of their political aims.

Ugly Girls

Traces the chaotic breakdown of a friendship that shapes and unravels the identities of two rebellious girls in the wake of a stalker's predations.

Wreck This Journal (Black) Expanded Edition

For anyone who's ever wished to, but had trouble starting, keeping, or finishing a journal or sketchbook comes this journal; an illustrated book that features a subversive collection of prompts, asking readers to muster up their best mistake- and mess-making abilities to fill the pages of the book (and destroy them).

Gamelan Girls

In recent years, girls' and mixed-gender ensembles have challenged the tradition of male-dominated gamelan performance. The change heralds a fundamental shift in how Balinese think about gender roles and the gender behavior taught in children's music education. It also makes visible a national reorganization of the arts taking place within debates over issues like women's rights and cultural preservation. Sonja Lynn Downing draws on over a decade of immersive ethnographic work to analyze the ways Balinese musical practices have influenced the processes behind these dramatic changes. As Downing shows, girls and young women assert their agency within the gamelan learning process to challenge entrenched notions of performance and gender. One dramatic result is the creation of new combinations of femininity, musicality, and Balinese identity that resist messages about gendered behavior from the Indonesian nation-state and beyond. Such experimentation expands the accepted gender aesthetics of gamelan performance but also sparks new understanding of the role children can and do play in ongoing debates about identity and power.

Utterly Me, Clarice Bean

When someone steals the winner's trophy for the school book project, Clarice emulates her favorite book heroine, Ruby Redfort the detective.

Accounts and Papers

“You are a herald for your generation....Thank you for using your voice to help us make sense of that dark day, and forge a new beginning.”—Hillary Rodham Clinton, in a letter to Helaina Hovitz Helaina Hovitz was twelve years old and in middle school just blocks away when the World Trade Center was attacked. Her memoir encapsulates the journey of a girl growing up with PTSD after living through the events firsthand. After 9/11 chronicles its effects on a young girl at the outset of adolescence, following her as she spirals into addiction and rebellion, through loss, chaos, and confusion. The events of 9/11 were a very real part of Helaina’s life and are still vivid in her memory today. Hundreds were stranded in the neighborhood, including Helaina, without phones or electricity or anyone to help. Fear and despair took over her life. It would take Helaina more than a decade to overcome the PTSD — and subsequent alcohol addiction — that went misdiagnosed and mistreated. In many ways, After 9/11 is the story of a generation growing up in the aftermath of America’s darkest day —and for one young woman, it is the story of a survivor who, after witnessing the end, got to make a new beginning. This new trade paperback edition includes tips on how to cope with trauma, an FAQ section, and a guide to discussing 9/11 with children. “Inspirational, courageous and beautifully told. After 9/11 is a testament to the resiliency of the human spirit.” — Cathy Free, correspondent, PEOPLE magazine “Helaina Hovitz's engrossing narrative begins in the shadow of the twin towers with her as a backpack-toting twelve-year-old and plays out over the next fifteen years in dramatic - and sometimes distressing - detail. This impressive debut is both deeply evocative and intensely personal.” — Peter Canby, Senior Editor, The New Yorker “A moving and remarkable testament to a time that changed our country, told beautifully by a young woman who never gave up hope that she could reclaim her life, no matter how grim things looked.” — Sean Elder, contributor, Newsweek

After 9/11

Curlee Girlee's hair makes her mad! She wants it to grow down her back like spaghetti, not sideways and all curly-whirly. Curlee Girlee wants to look like everybody else- and she'll try anything to solve her problem. Then one day she discovers that her curly hair is perfect just the way it is. Curlee Girlee doesn't need to look like everyone else to be beautiful.

Curlee Girlee

Annie Richards knows there are a million things to look out for—bicycle accidents, food poisoning, chicken pox, smallpox, typhoid fever, runaway zoo animals, and poison oak. That's why being careful is so important, even if it does mean giving up some of her favorite things, like bike races with her best friend, Rebecca, and hot dogs on the Fourth of July. Everyone keeps telling Annie not to worry so much, that she's just fine. But they thought her brother, Jared, was just fine too, and Jared died. It takes a new neighbor, who looks as plain as a box of toothpicks but has some surprising secrets of her own, to make Annie realize that her plans for being careful aren't working out as well as she had hoped. And with a lot of help from those around her—and a book about a pig, too—Annie just may find a way to close her umbrella of sadness and step back into the sunshine. With winsome humor and a dash of small-town charm, Lisa Graff's third novel is a touching look at rising above grief and the healing power of community.

Bulletin

'A sincere, poignant and moving story of a group of teenage girls coming to terms with the world they've inherited' Taylor Jenkins Reid, New York Times bestselling author of *Daisy Jones and the Six* An all-girls boarding school in a hilly corner of Connecticut, Atwater is a haven for progressive thinking and feminist intellectuals. The students are smart, driven and worldly; they are also teenagers, learning to find their way. But when they arrive on campus for the start of the fall term, they're confronted with startling news: an Atwater alumna has made a troubling allegation of sexual misconduct against an unidentified teacher. As the weeks wear on and the administration's efforts to manage the ensuing crisis fall short, these extraordinary young women come to realise that the adults in their lives may not be the protectors they previously believed. *All Girls* unfolds over the course of one tumultuous academic year and is told from the point of view of a small cast of diverse, interconnected characters as they navigate the social mores of prep school life and the broader, more universal challenges of growing up. The trials of adolescent girlhood are pitched against the backdrop of sexual assault, consent, anxiety and the ways that our culture looks to young women as trendsetters, but otherwise silences their voices and discounts their opinions. The story that emerges is a richly detailed, impeccably layered, and emotionally nuanced depiction of what it means to come of age in a female body today.

The Care and Keeping of You 1

THIS JOKE BOOK WILL MAKE WHOEVER READS IT A FULL-OUT JOKESTER!!
