

What Happened To Daddy's Body

Is Daddy Coming Back in a Minute?

When we were on a No Girls Allowed! holiday, my daddy's heart stopped beating and I had to find help all by myself. He was very badly broken. Not even the ambulance people could help him... This honest, sensitive and beautifully illustrated picture book is designed to help explain the concept of death to children aged 3-7. Written in Alex's own words, it is based on the real-life conversations that Elke Barber had with her then three-year-old son, Alex, after the sudden death of his father. The book provides reassurance and understanding to readers through clear and honest answers to the difficult questions that can follow the death of a loved one, and carries the invaluable message that it is okay to be sad, but it is okay to be happy, too.

Whatever Happened to Daddy's Little Girl?

What happens to a little girl who grows up without a father? Can she ever feel truly loved and fully alive? Does she ever heal—or is she doomed to live a wounded, fragmented life and to pass her wounds down to her own children? Fatherlessness afflicts nearly half the households in America, and it has reached epidemic proportions in the African-American community, with especially devastating consequences for black women. In this powerful, searingly intimate book, accomplished journalist, poet, and fiction writer Jonetta Rose Barras breaks the code of silence and gives voice to the experiences of America's fatherless women—starting with herself. "We are legions—a choir of wounded—listen to the dirge we sing," writes Barras of the millions of black women like her who lost, either through abandonment, rejection, poverty, or death, the men who gave them life. A father is the first man in a girl's life—the first man to look in her eyes, protect her, care for her, love her unconditionally. Fathers fashion their daughters as expertly and as powerfully as they do their sons. When a girl loses this man, she grows up with an ache that nothing else can soothe. Psychologists have found that fatherless daughters are far more likely to suffer from debilitating rage, depression, abuse, and addictions; they tend to seek "sexual healing" through promiscuity or anti-intimate behavior and end up fearing or despising the men whose love they crave. Barras knows from personal experience the traps and the fury of being a black fatherless daughter, and she makes her own life story the heart and soul of her book, alternating chapters of spellbinding memoir with the stories she has gathered from women all over the country. Passionate and shockingly frank, *Whatever Happened to Daddy's Little Girl* is the first book to explore the plight of America's fatherless daughters from the unique perspective of the African-American community. Like Hope Edelman's New York Times bestseller *Motherless Daughters*, this brilliant volume gives all fatherless daughters the knowledge that they are not alone and the courage to overcome the hidden pain they have suffered for so long.

What Happened to Daddy's Body?

My daddy died when I was (one...two...) three years old. Today we are out in the garden. It always makes me think about my daddy because he LOVED his garden. Sometimes, I wonder what happened to my daddy's body... This picture book aims to help children aged 3+ to understand what happens to the body after someone has died. Through telling the true story of what happened to his daddy's body, we follow Alex as he learns about cremation, burial and spreading ashes. Full of questions written in Alex's own words, and with the gentle, sensitive and honest answers of his mother, this story will reassure any young child who might be confused about death and what happens afterwards. It also reiterates the message that when you have experienced the loss of a loved one, it is okay to be sad, but it is okay to be happy, too.

Missing Daddy

A father and daughter's love cannot be broken even when prison bars separate them.

Why Did Daddy Die?

Written and illustrated by the talented and award-winning author-illustrator Rebecca Cobb, this extraordinary book deals with the loss of a parent from a child's point of view. Perfectly pitched text and evocative artwork explore the many emotions a bereaved child may experience, from anger to guilt and from sadness to bewilderment. And importantly, the book also focuses on the positive - the recognition that the child is still part of a family, and that his memories of his mother are to be treasured. Beautifully illustrated with moments of wonderful warmth and the gentlest humour, *Missing Mummy* is a touching, honest and helpful book that approaches a difficult subject with great integrity.

Missing Mummy

All hell broke loose when word spread that a vengeful serial killer was headed for the Triple T ranch. Fearing the worst, former FBI agent Luke Tripper entrusted his orphaned niece and nephew to Faith Bishop's tender loving care while he hunted down his prey. Their smoldering attraction chased away the winter chill, but the fiercely independent schoolteacher bristled when the brusque cattleman ordered round-the-clock protection. Despite the looming danger, Faith's unflinching courage stirred Trip's deepest emotions... and he hungered to hold her close. Now with the body count rising and his loved ones in peril, would this hometown hero lay his heart on the line?

Agent Daddy

To the outside world, Sarah and Oliver Watson had the perfect marriage. Happy and successful, with three beautiful children, they seemed to have it all. But under the surface, Sarah felt lost, empty and inadequate. And one Christmas, after eighteen years of marriage, she walked out. Left alone, Oliver struggles to cope with raising his three children. Seventeen-year-old Benjamin rebels with disastrous consequences, while fifteen-year-old Melissa angrily turns against her father, and nine-year-old Sam, the 'baby', is too shaken to deal with his mother's abandonment. And then tragedy strikes once more when Oliver's mother dies in an untimely accident and three generations of the Watson family find that they must pull together to cope, and maybe one day move on and love again . . .

Daddy

Ellie Cavanaugh was only seven years old when her fifteen-year-old sister, Andrea was murdered. Ellie's testimony was vital to the conviction of Rob Westerfield, son of a wealthy, prominent family. Twenty-two years later Ellie remains convinced of Westerfield's guilt. When he is released on parole and attempts to prove himself the victim of a miscarriage of justice, Ellie begins work on a book she believes will prove Westerfield's guilt beyond doubt. As she delves deeper into her research, she uncovers horrifying facts that shed new light on her sister's murder. And with each new discovery she comes closer to a confrontation with a desperate killer. . .

Daddy's Little Girl

Our Daddy Is Invincible! is based on the true story of a Wounded Warrior and American hero and his family. This best-selling educational and inspirational book addresses the effects of traumatic brain injury (TBI) and the challenges it presents to both the injured and their families. Written for children, it is a great resource for all ages.

Our Daddy Is Invincible!

Sophie schrijft brieven aan haar vader, die zeeman is. Twee afzonderlijke series vrolijk gekleurde illustraties tonen wat Sophie beleeft en wat haar vader aan de andere kant van de wereld meemaakt. Vanaf ca. 5 jaar.

Dear Daddy

My father lived an inspiring End of Life, and before he passed, he encouraged me to share the story of his transition. He faced metastatic cancer by living fully for the rest of his days. When treatments beat him down, Dad set small physical goals and systematically met them. Time and again, his doctors preserved the human body where the tumors grew, until there was nothing more they could do to prevent the inevitable. But Dad didn't feel like dying. He felt full of life and longing to live. He was angry and sad, disappointed and confused, scared and brave, unaccepting and, finally, accepting. With courage and amazing grace, he lovingly prepared our family for his passing. As our time together came to an end, I was grateful to be present. Although death is an inevitable part of life, how we choose to be-with the dying and the bereaved is up to us. I encourage you to prepare and to embrace the possibility of a lovingly supported transition and, to that end, I include some resources that may assist you. Being ready to be-with is a wonderful way to live.

Daddy, This Is It. Being-With My Dying Dad

Daddy, where are you? She cried, Daddy, Where Are You? Trapped in a maze, trying to escape the feelings of a hurting girl's bondage, a daughter constantly hits roadblocks. Her pain negatively impacts her identity and relationships. Could she be lost because of a father that left her alone? Maybe he didn't notice her stuck in a corner or understand her need for guidance. Either way, there is no cry like that of a daughter who is lost because her father is missing! In a non-fiction portrayal of the search for her father's love, Dr. Anntwanique Edwards candidly expresses how her quest could not be satisfied by man. She openly describes her disappointment with her biological and heavenly fathers for not attending to her needs. Her Life experiences are divulged to reveal the purpose of pain. This phenomenal speaker puts her words on a paper to establish God's ability to release women from the catastrophic danger of dancing with versions of love created by this world. Hear her words, declare the affirmations she shares at the end of each chapter, and experience freedom as never before.

Daddy, Where Are You?

****Pre-order DREAM COUNT, the searing, exquisite new novel by Chimamanda Ngozi Adichie now!**** A devastating essay on loss and the people we love from the bestselling author of *Americanah* and *Half of a Yellow Sun*.

Notes on Grief

#1 New York Times bestseller with more than 11 million copies sold! When 4-year-old Colton Burpo emerges from life-saving surgery with remarkable stories of his visit to heaven, his family doesn't know what to believe. *Heaven is For Real* details what Colton saw and his family's journey towards accepting their young son had visited the afterlife. "Do you remember the hospital, Colton?" Sonja said. "Yes, mommy, I remember," he said. "That's where the angels sang to me." Colton told his parents he left his body during an emergency surgery—and proved that claim by describing exactly what his parents were doing in another part of the hospital during his operation. He talked of visiting heaven and described events that happened before he was born and how he spoke with family members he'd never met. Colton also astonished his parents with descriptions and obscure details about heaven that matched the Bible exactly, even though he had not yet learned to read. With disarming innocence and the plainspoken boldness of a child, Colton recounts his visit to heaven, describing: Meeting long-departed family members Jesus, the angels, how "really, really big" God is, and how much God loves us How Jesus called Todd, Colton's father, to be a pastor The Battle of

Armageddon Retold by his father, but using Colton's uniquely simple words, Heaven Is for Real offers a glimpse of the world that awaits us, where as Colton says, "Nobody is old and nobody wears glasses." Heaven Is for Real will forever change the way you think of eternity, offering the chance to see, and believe, like a child. Praise for Heaven is for Real: "A beautifully written glimpse into heaven that will encourage those who doubt and thrill those who believe." —Ron Hall, coauthor of Same Kind of Different as Me

a Heaven is for Real Deluxe Edition

She'll go from the streets to the penthouse. The price? Her submission. Marley is down to her last dollar when she scores a "date" with a mysterious billionaire. She plans to use the huge payday from their night together to get back on her feet and start over. Only, James has other ideas. He presents her with a simple offer: Live with him. Submit to him whenever he wishes, and in exchange, he will provide for her every desire. Even before she accepts his offer, Marley knows she wants more than money, clothes, or a fancy new car. Daddy Morebucks

Every single day a child suffers from having a mother, father or loved one taken away by the system, a few really take the time to think about what the child is going through and how it will affect them long-term. During these rough times, we need to talk about the programs and support that are available. We should bring awareness to Children, letting them know that crime is something that Society deals with in Clumsy ways. Some innocent loved ones are jailed; others are unjustly punished for their crimes; others are kept incarcerated long after they are rehabilitated. These are real issues that do happen in life, and talking about them will creep positive change, preventing negative views on law enforcement and of the incarcerated loved one. It is so important to explain to the children that anyone can make a mistake, and some mistakes have serious consequences, but that working together to heal those mistakes can make things right. Children need to be taught that a parents mistakes or those of someone they love don't necessarily make them bad. And unfortunately, incarceration can happen to any family anytime.

But Why Is Daddy In Prison?

I've been harboring a dark secret for two long years. I've been fantasizing about my fiancé's father, thinking filthy thoughts that a good daughter-in-law should not be indulging in. So when I catch my fiancé cheating on me, there's only one revenge that will fulfill all my needs. I'm going to seduce his father. It's dirty and it's wrong, and I don't care. I want him, so I mean to have him. After this weekend, my ex won't be the only one who calls his father Daddy. In Your Dad Will Do, you'll find: - Revenge sex - (former) Father-In-Law - Daddy Stuff - Age Gap Romance

Your Dad Will Do

William Standish is a distinguished retired journalist and political commentator, who has become a pillar of the establishment. When he dies of a heart attack in a Devon lane, none of his family knows why he was there. They descend on the nearest town to discover what happened. His daughter Marianne is consumed by religion and concerned that her father has a proper burial. Her brother Curtis is a photographer and uses the visit as an opportunity for a photo shoot. He takes a more jaundiced view of his father. Curtis's grandmother Mrs Somerset-Cunliffe insists that the body is not that of her son, but because she is losing touch with reality, nobody takes much notice. She is determined to investigate and enlists a reluctant Marianne to help. Even Curtis becomes curious when two strangers seem intent on befriending the family. It is left to Willie's widow

What Happened To Daddy's Body

Celia to keep her disparate family together, though this proves increasingly difficult.

Daddy's Dead

The Bailey family finds a loving donor to save their father's life.

Saving Daddy

A BBC Radio 2 Book Club Choice Shortlisted for the Irish Book Awards 2016 Shortlisted for the Authors' Club Best First Novel Award 2017 Longlisted for the John Creasey (New Blood) Dagger 2017 1950. A teenage girl is brutally murdered in a forest. But, somehow, her baby survives. 1976. A mysterious and charming young man returns to the remote coastal village of Mulderrig, seeking answers about the mother who, it was said, had abandoned him on the steps of a Dublin orphanage. With the help of its oldest and most eccentric inhabitant, he will force the village to give up its ghosts. Nothing, not even the dead, can stay buried forever.

Himself

Is Daddy Really Dead? By: E.L. Hutton Is Daddy Really Dead? She's lost him, her love, her husband, Robert. He left with friends on a weekend trip to solve a childhood mystery; then there was a car accident, and Robert is gone. They say he's dead, but she doesn't really believe that, doesn't feel it. Is Daddy Really Dead? follows the haunting story of a family seeking answers as they face off against rich and powerful adversaries intent on maintaining the mystery and covering their tracks. There are no real clues as to what happened to him, simply a wrecked car, no body that his wife or family can see, no police or hospital records, even his parents don't seem as devastated as one would expect. All research comes to a dead end. But never give up. Listen to your heart, and perhaps life will turn around suddenly. This is when we discover that we have the strength to go on. It is when we feel that life has taken our dreams, and all control out of our life, that something deep inside of us compels us to keep moving forward. This is God's gift to many who have experienced sudden and drastic changes in their life that they never planned on.

Is Daddy Really Dead?

Whether children are experiencing grief and loss for the first time or simply curious, it can be difficult to know how to talk to them about death. Using questions posed in a child's voice and answers that start simply and become more in-depth, this book allows adults to guide the conversation to a natural and reassuring conclusion. Additional questions at the back of the book allow for further discussion. Child psychologist Dr. Jillian Roberts designed the Just Enough series to empower parents/caregivers to start conversations with young ones about difficult or challenging subject matter. Other books in the series deal with birth, diversity, separation and divorce.

What Happens When a Loved One Dies? Read-Along

When you see daddys banana and get jealous you know he is packing. This fun look at a daddy in briefs and speedos through the eyes of a selfie will leave you wanting more.

Daddy Has a Big

Daddy, Daddy Please Stop Drinking chronicles the true life story of my personal fight from homeless alcoholic to living a life beyond my wildest dreams. My name is Dr. Robb Kelly and today I run a successful alcohol and addiction recovery business but I had to travel to hell and back to make me the man I am today. I am not sure when I crossed the line from social drinking to alcoholism, I just know I did and my life would

never be the same again. I was married with children and had a great career, life could not have been better. The only problem is that I drank too much, and when I did I lost control. When I enjoyed my drinking I couldn't control it, and when I controlled my drinking I couldn't enjoy it. Finally, alcoholism gripped me hard and like most people I sank really quickly. I lost everything: my business, my home, my wife, and most importantly my two young daughters. I had a PhD from Oxford University but went from a comfortable home to homelessness and lived on the mean streets of Manchester England for a year asking for handouts to purchase liquor. While homeless, I was arrested several times, prone to blackouts that lasted for weeks, and was assaulted physically and sexually. I have had several near brushes with death, including an attempted suicide. So great was my despair of my alcoholic and addictive condition that I just wanted to die. On a cold and wet English night, I fell to my knees and begged God to help me find a way from the endless nightmare that was my existence and moments later a man carrying a bible rounded the corner and offered me a helping hand. My plea that cold night opened the door to sobriety and I found the answer I was looking for. To my amazement it had been there all along, I just had to hit rock bottom before I would accept it. Since recovering from a hopeless state of alcoholism, it has become my life mission to assist other hopeless, chronic alcoholics and addicts and educate all I could on the dangers and warning signs of alcohol and addiction. That is my purpose and my passion, to assist the still struggling alcoholic and addict recover their lives. I was an alcoholic whose symptoms and not my disease were treated every trip to hospital. My gripping story of success to failure to success proves that it's never too late to recover your life from alcoholism and addiction. Everyone had written me off as dead twenty years ago but I'm still standing and I have one hell of a story to share. If you're struggling with drug and alcohol abuse yourself or are the loved one of an alcoholic or addict, this book will inspire you to never give up hope. Today, I'm living the dream instead of dreaming to live.

Daddy, Daddy Please Stop Drinking

Between the fast-paced New York City, a rural Mississippi town and a charming Pennsylvania college campus filled with secrets, two young girls learn the consequences of growing up too quickly. Abused by her mother, Amalia Graeme longs to escape her desolate hometown and fall in love. Contemplating her loss of innocence and conflicting feelings between her boyfriend and the dangerous attraction for an older man, Amalia faces life-altering tragedies. Brianna Porter, a sassy, \u200b\u200bangst-ridden New York City teenager, yearns to find her life's true purpose, conquer her fear of abandonment, and interpret an intimidating desire for her best friend, Shanelle. Desperate to find the father whom her mother refuses to reveal, Brianna accidentally finds out a shocking truth about her missing parent. Set in alternating chapters two decades apart, the parallels between their lives and the unavoidable collision that is bound to happen is revealed. Father Figure is an emotional story filled with mystery, romance, and suspense.

Father Figure

Written by Lieutenant Colonel Christopher MacGregor and based on his own experiences of going away from home, this comforting, wise book helps to explain why parents sometimes have to go away and shows ways to help children cope. My Daddy's Going Away is brilliantly realized, heartwarming story illustrated by rising star Emma Yarlett. With a foreword by HRH The Prince of Wales and in support of Combat Stress.

My Daddy's Going Away

Good girls get cuddled. Bad girls get spanked... then cuddled. FIONA I never knew my father. I've never called anyone Daddy before. So... when I did it for the first time as a joke to Grey, my best friend's older brother, it was like all of a sudden something clicked. It was hot. It was right. It made me crave more. I may be an eighteen year old virgin with no real experience to speak of, but I've got quite the imagination... And I've read plenty of romance novels to know exactly what I'd like to do with Grey. I know what I want him to do to me, too. Please, Daddy... I promise I'll be a good girl... GREY Why is my little sister's best friend waltzing around our house wearing the skimpiest \"outfit\" I've ever seen? Don't ask. Not that I'm complaining, either. She has a body that's just begging to be dominated, bent over my bed, while I tell her

what a naughty girl she is. Fiona turns me on so much it hurts. I'm not putting up with this tease any longer. At first I rolled my eyes at her little \"joke\" but the more she calls me Daddy, the more perfect it feels. \"Daddy\" means more to her than I thought possible. It's not about being a father. It's not being a father figure, either. It's like being everything. Love, lust, and all that's in between. Why am I so tempted? Who knows, but I want to be her Daddy forever.

Daddy was a Number Runner

The Daddy School Father doesn't always know best Sometimes a man needs help learning to be a dad . That's what the Daddy School is all about. Baby on the Doorstep! Jamie McCoy is the ultimate guy. His syndicated column, \"Guy Stuff,\" keeps thousands of men in a macho frame of mind. But the day Jamie finds Samantha on his doorstep, his life changes drastically. Samantha is a baby and Samantha is a girl. What, after all, does Jamie really know about either? But more important, Samantha is his daughter, so he phones Allison Winslow, a nurse who runs the Daddy School, for advice. But when he actually meets Allison, he finds he wants much more than her assistance . The Daddy School

Daddy Issues

There are two sides to every fantasy. Her side Every girl has her dirty little secret. For Sydney, it's her dad's hot, broody boss. But who can blame her? A million dollars just to live with him and all she has to do is whatever he wants her to. In exchange, he'll drop the charges against her daddy. It's an easy decision. Until she realizes he isn't the man she thinks he is. Hiding underneath the boring, three-piece lawyer suit, and salt and pepper hair is a domineering sex god. He's possessive, intense, and makes her body shiver even when he isn't touching her. When he isn't around, she finds herself wanting him to be. That's how she knows he has her and that it isn't so easy after all. What's happening between them is something she can never imagine, or escape. He's her lover and she's his captive. The question is, does she want to be saved? His side Mysterious playboy and Los Angeles district attorney, Tristan Garrett, always get what he wants, especially in the bedroom. He handles his \"relationships\" the way he runs a courtroom, with rules, punishments, and rewards and that's exactly how he wants to handle Sydney Warren. He's imagined having her in his bed for years. But she's the daughter of his assistant prosecutor and more importantly, she's underage. He has morals, despite his upbringing. Good things come to those who wait and with her eighteenth birthday just around the corner, he doesn't have to wait much longer. Now with her father in prison, she's broke and desperate to free him. So what does Tristan do? What he always does: he uses her misfortune to his advantage. Will she be his fantasy come true or his greatest downfall? If you like age-gap, captive romance then read Daddy's Girl. Readers with daddy issues may want to skip this one.

Father Found

Madison Young has had a lot of daddies in her life. From the relationship with her biological father to \"leather daddies\" of the adult and BDSM communities, Daddy explores Young's interwoven relationships with each of them and the sex positive values that she teaches and lectures on across the country at Yale University, Berkeley University, Good Vibrations, Smitten Kitten, Tool Shed, Kinky Kollege, and Austin Rope Symposium.

Daddy's Girl

The Daddies is a love letter to masculinity, a kaleidoscope of its pleasures and horrors. But who is \"Daddy\" in American culture? This book aims to find out more than who - but how the process of knowing Daddy can prompt readers to know themselves and their society.

Daddy

They both loved an evil man. In a wrenching journey to redemption, leaning on each other will change their lives forever. Grief-stricken Tate Myers can't believe his Daddy and Master is gone. Reeling from the discovery of his dead lover's secret life as a serial killer, he seeks answers from the one person who could help heal his heart. But when coffee shop chats with his Daddy's best friend turn into an intense attraction, Tate wonders if he's found the man to complete his recovery. Former undercover cop, Rogan Steele, is completely blindsided when he learns his long-time buddy was a sadistic murderer. And with his own judgment now in question, he strongly empathizes with the grieving young man left traumatized and helpless. However, as their meetings fan the growing flames between them, Rogan is terrified he can't fill the unfamiliar dominant role that Tate so desperately needs. As their passion overpowers their hesitation, Tate aches to fully succumb to the older man's control. If only Rogan doesn't run away from what he was born to be—then they might stand a chance at forever. Will the shell-shocked pair surrender to their destiny and accept love's risk? Or will the scars from their shared tragedy destroy their future as Daddy and boy? Note: *Born Daddy* is the second book in the steamy Command & Care M/M romance Daddy/boy series, but can be read as a standalone. Each installment features a different couple and the series is connected through a common theme only. For possible triggers, please check the Look Inside feature. If you like wounded heroes, dark themes, and triumphs over tragedy, then you'll adore Morticia Knight's decadent descent into deep desire. Buy *Born Daddy* to feel the healing power of love today!

The Daddies

Reassuring and nurturing, this book is the perfect way to remind your little one how much you love them whilst you are at work.

Born Daddy

An early reader's introduction to the connections between being fit and staying healthy, benefits of aerobic exercises such as biking, nutritional concepts such as calories, and recipe instructions.

When Daddy Goes to Work

A New York Times Book Review Notable Book of the Year • A New York Times Book Review Editors' Choice • Winner of the Alex Award and the Massachusetts Book Award • Named a Best Book of the Year by NPR, San Francisco Chronicle, Entertainment Weekly, The Huffington Post, BuzzFeed, Grantland Booklist, St. Louis Post-Dispatch, Shelf Awareness, Book Riot, School Library Journal, Bustle, and Time Our New York The acclaimed debut novel by the author of *Little Fires Everywhere* and *Our Missing Hearts* “A taut tale of ever deepening and quickening suspense.” —O, the Oprah Magazine “Explosive . . . Both a propulsive mystery and a profound examination of a mixed-race family.” —Entertainment Weekly “Lydia is dead. But they don’t know this yet.” So begins this exquisite novel about a Chinese American family living in 1970s small-town Ohio. Lydia is the favorite child of Marilyn and James Lee, and her parents are determined that she will fulfill the dreams they were unable to pursue. But when Lydia’s body is found in the local lake, the delicate balancing act that has been keeping the Lee family together is destroyed, tumbling them into chaos. A profoundly moving story of family, secrets, and longing, *Everything I Never Told You* is both a gripping page-turner and a sensitive family portrait, uncovering the ways in which mothers and daughters, fathers and sons, and husbands and wives struggle, all their lives, to understand one another.

Being Fit

Are you a single parent? Does your child ask about why their other parent doesn't visit them? Is your ex-partner absent in your child/ren's life? If so, your child will enjoy reading this book about a young girl named Mary who experiences issues with her absent father. In the story, her mother explains to her why her father is

absent and what she can expect from him in the future.

Everything I Never Told You

A month after her high school graduation, small-town-girl Samantha \"Sam\" Bronwyn boards a plane with her best friend, Ginny. Destination: San Francisco. But when Ginny disappears inside an airport bathroom wearing Sam's letterman jacket, it doesn't take her long to figure out she was the intended target. Alone in a strange city, Sam's on a run for her life-drawn into a dark past she never knew existed. A past where secrets aren't all that's buried and where revenge comes at the highest price. Who is Sam really-and who can she trust? The mysterious stranger in 4A who secreted a gun in his backpack? The guilty ex-con? The disarming FBI agent? Her own mother? Only one thing is certain. Someone is after her. Someone who knows more about her than she does. Someone who wants to teach her a hard lesson: There are worse things than murder.

Where's Daddy?

In the tradition of *In Cold Blood* . . . a gripping true crimethriller for young adults. No one has an inkling that the handsome, athletic Preston Scott is carrying a terrible secret: His father was imprisoned three years ago for killing his mother. Now he is coming home--but how can Preston forgive him? Based on the words of the boy who actually experienced these events. Copyright © Libri GmbH. All rights reserved.
