Find Your Unicorn Space

'Magnificent! Eve Rodsky illuminates the importance of investing in the creative pursuits that make your life more deeply fulfilling.' Reese Witherspoon 'Backed by science and full of personal insights, Eve Rodsky shows us how to create important time and space for ourselves so that we can truly thrive in all aspects of our lives.' Arianna Huffington, founder and CEO, Thrive Global Creativity is not optional. With her acclaimed New York Times bestseller (and Reese's Book Club pick) Fair Play, Eve Rodsky ignited a national conversation about greater equity in the home. But she soon realised that even when the domestic workload becomes more balanced, people still report something missing in their lives - that is, unless they prioritize and devote time for activities that not only fill their calendars but also unleash their creativity. Rodsky calls this vital time Unicorn Space - the active and open pursuit of creative self-expression in any form that makes you uniquely you. To help readers embrace all the unlikely, surprising, and delightful places where their own Unicorn Space may be found, she speaks with trailblazers, thought leaders, academics, and countless others who have discovered theirs everywhere - from activism to artistic endeavors to second careers. Rodsky reveals what researchers already know: Creativity is not optional. It's essential. Though most of us need to remind ourselves how and where to find it. With her trademark mix of research-based how-to advice and big-picture inspirational thinking, Rodsky shows you a clear path to reclaim your permission to have fun, manifest your own Unicorn Space in an already too-busy life, and unleash your special gifts and talents into the world.

The Age of Software is here, and another mass extinction event looms—this is a story about rebel developers and business leaders working together, racing against time to innovate, survive, and thrive in a time of unprecedented uncertainty...and opportunity.

A Special Friend

Lauren is almost sure that Moonshine, the scruffy grey pony at the dealer's stable, is another secret unicorn who hasn't yet found a unicorn friend to turn her into her magical shape. Feeling sorry for the lonely pony, Lauren pays her a visit and is surprised to see a strange boy talking softly to Moonshine and stroking her. Michael explains that he loves ponies but his foster parents won't let him have one because, among other things, they live in the city. Lauren and her unicorn, Twilight, are certain that Michael is the special friend that Moonshine needs and are determined to unite them before the summer holidays end and Michael has to return home.

The Wonder of Unicorns

A guide to engage with the majesty and wisdom of unicorn energy • Reveals the role of unicorns in our soul evolvment today as well as in legends and myths and explains how they open our hearts, offer protection and support, and inspire us to choose actions for the highest benefit of all • Provides many exercises, meditations, ceremonies, dream work practices, and games to help you consciously connect with your unicorn, raise your energetic level, and spiritually progress on your journey to enlightenment • Shares anecdotes and real-life stories of people meeting unicorns and experiencing their energy Fully of the angelic realms, unicorns live in the seventh dimension, the seventh heaven. These beautiful creatures are aspects of the divine, in the same way angels are. While angels work through the heart, unicorns work with the soul and help you fulfill your pre-life contracts through their energy. In *The Wonder of Unicorns* Diana Cooper explains ancient myths and legends of these amazing energetic beings from a higher spiritual perspective. Who are they, these seventh-dimensional creatures of myth and magic? Where do they stand in the angelic hierarchy and what is their role with regard to us humans? How can you meet and engage with them as an individual? These magical beings of light, absent from the Earth for many centuries, are now returning to guide humanity on their spiritual path. Prevalent in the times of Atlantis, unicorns open hearts through bringing in joy, wisdom, and healing. They offer protection and support and inspire us to choose actions for the highest benefit of all. Consciously connecting and working with your unicorn will enable you to raise your energetic level and assist you on your journey to enlightenment. Create a unicorn humming ball, engage in a unicorn healing, or join in dream work with your unicorn. Whether aspiring to help the world at large or simply improve a small corner of it, enlightenment seekers can apply the meditations, rituals, ceremonies, and games featured in this book to unleash the great abilities of these elusive spirit guides. With wonderful real life stories and anecdotes from people who have seen and experienced unicorns first hand, *The Wonder of Unicorns* is a book to inspire and empower you on your spiritual path.

The Magic of Unicorns

A comprehensive yet easy companion on how unicorn spirit guides can help us on our Ascension journey. Discover how to connect with your unicorn guides: raise your vibration, advance on your ascension path, and attract more love, light, healing and happiness. Unicorns are beings of the angelic realms who are returning to Earth to aid us on our path to ascension. They bring messages of hope and remind us to stay positive as we prepare for a golden future. Diana Cooper, world-renowned angel, ascension and Atlantis expert, has been communicating with unicorns for over a decade, and showing others how to connect with these beings. In this book, she teaches you how to: · connect with your unicorn and recognize the signs of its presence · call unicorns into your dreams and learn to interpret their messages · work with your unicorn to heal your personal, family and ancestral karma · discover your soul purpose and invoke your unicorn to illuminate it · create a unicorn crystal grid for blessings and healing Through the meditations, visualizations and journalling exercises included in each chapter, you will become attuned to the unicorns' light energy and begin to see positive shifts in your life.

The Last Unicorn

"If men no longer know what they are looking at, there may well be unicorns in the world yet, unknown and glad of it." Living in peace in her lilac wood, the Unicorn didn't know the world had changed, or that anything had happened to the rest of her kind. Overhearing a chance conversation, she resolves to venture out and discover the truth. The road is dangerous, and the risks are great. If she fails, then unicorns will be lost. Forever. A modern fairy tale, *The Last Unicorn* is a beloved classic, voted by TIME as one of the 100 greatest fantasy novels of all time. It is fantastical, poignant, wistful and wonderous, showing us the humanity of magic, and the magic of humanity. Available in the UK for the first time in decades, this edition features an introduction by Patrick Rothfuss.

Where Have the Unicorns Gone?

The unicorns flee from the noise, violence, and destruction of civilization and find refuge in the sea.

To Kill A Unicorn

At this Silicon Valley startup, murder is a feature, not a bug... SüprDüpr is the hottest startup in Silicon Valley until one of the company's physicists disappears and hacker Ted Hara sets out to find his missing friend. Led by a glamorous young scientist and funded by billionaire crypto investors, SüprDüpr promises to revolutionize transportation. But as Ted investigates the secretive company, nothing is what it seems. Are the millions the company is spending building a homeless shelter truly corporate philanthropy? Or is the company a complex real estate scam? As the homeless residents of San Jose begin disappearing, too, it appears something far more sinister is happening downtown. But why was his friend searching for a pair of elephants before he disappeared? Days away from the technology unveiling that will confer unimaginable

riches on the company's investors, Ted becomes trapped in a web of corruption protecting its founder. While avoiding the police, he has to find out why people are disappearing before it's too late. A crazy ride through the high-tech world of Silicon Valley, *To Kill a Unicorn* shows how far startup founders are willing to go to build their unicorns.

Unicorn Magic

Unicorn Magic teaches you about the true nature of unicorns, why people are now remembering them, and their purpose for returning to this planet at this time. Included in this book are messages, meditations and exercises to help you heal your heart and discover and manifest your soul's purpose. You will find out more about the psychic children, what they have come to teach us and how healing your heart chakra with these powerful tools can lead to an increase in joy, prosperity and success in your life. You will discover 8 unicorn signs and symbols and how to decode messages in numerology. This book will also teach you how to use past lives as a healing modality, how to use quantum physics to discover the ultimate nature of reality and how to use hermetics to understand the vibrational qualities of the elementals, including fairies, mermaids, and sylphs. The teachings in this book will transform your life!

Nobody Likes Unicorns

Finding Your Unicorn Job for Pharmacists: Financial Freedom, Flexible Hours, and Personal Fulfillment Beyond the Pharmacy Counter

This book will help you solve the problem of answering: 1) How do I work as a pharmacist if I have to or want to live in a specific geographic place? and/or 2) How do I work as a pharmacist if I can or want to work only certain hours of the day? Only a Unicorn Job, one that fits my place-bound and time-bound needs perfectly, would work well for me and many others. Traditional pharmacist jobs are fundamentally incompatible or unavailable for me to be a present parent and spouse and what's available in the market might not work for you as well. A unicorn job, however, is one that fits our needs for place and time perfectly. It's a career that leaves us money for savings at the end of the month, that doesn't interfere with our family and friends, and that produces excitement each morning. They need an investment of time, effort and energy from us, as well as from others. This book shows you not only how to get there, but connects you with the people and stories to keep you inspired along the way.

Giant-land

What trouble could a human warrior, a wood elf, a unicorn, and a werewolf possibly get into? Find out in "Half a Unicorn's Horn" the wandering path series!

Half a Unicorn's Horn: The Wandering Path Series

This is the first book in the English language to explore the origin and significance of the mythic Chinese unicorn and its influence on later unicorn myths. It proves, beyond a shadow of a doubt, that the Chinese unicorn was not the qilin, but a one-horned female goat-like beast called the zhi (pronounced jhuhr). It also examines the real animals upon which the myth was based. Its most significant finding, however, is that the

unicorn zhi was the ultimate symbol of justice under the law in ancient China. Making judicious use of all available evidence, historical, epigraphical, archaeological, art historical and scientific, this book explains how the myth of the unicorn began in China and then gradually spread to other parts of Asia and Europe.

For Hopeless Romantics Like Me

Goaded by her common hybrid roommate, Halsey, the princess of the fae realm must meet the challenge. Terra can't get the best of her. To prove she's more than royalty, she finds the inner courage to embark on a mission in search of a fabled ancient grimoire containing the most powerful spell of all time. She enlists Bjorn, an infuriating sky fae, to assist her. It isn't that she likes him or even tolerates him. She needs the help and there's no one else to ask. He can't stand her entitled royal highness anymore than she can stand him. They must find a way to work as a team, or the grimoire will remain elusive. Sparks between them flare as they begin the journey and drudgingly try to find common ground in their adventure in Navarin, the realm of the fae.

Soul fire

It's the epic battle of brains against manes. Which side are you on? It's a question as old as time itself: which is better, the zombie or the unicorn? This all-original anthology edited by Holly Black (Team Unicorn) and Justine Larbalestier (Team Zombie) makes strong arguments for both sides in the form of spectacular short stories. Half of the stories portray the strengths—for good and evil—of unicorns, and half show the good (and really, really badass) side of zombies. Contributors include many bestselling authors, including Cassandra Clare, Libba Bray, Maureen Johnson, Meg Cabot, Scott Westerfeld, and Margo Lanagan. This anthology will have everyone asking: Team Zombie or Team Unicorn?

Skandar and the Unicorn Thief

Harlan Ellison's masterwork of myth and terror as he seduces all innocence on a mind-freezing odyssey into the darkest reaches of mortal terror and the most dazzling heights of Olympian hell in his finest collection. Deathbird Stories is a collection of 19 of Harlan Ellison's best stories, including Edgar and Hugo winners, originally published between 1960 and 1974. The collection contains some of Ellison's best stories from earlier collections and is judged by some to be his most consistently high quality collection of short fiction. The theme of the collection can be loosely defined as God, or Gods. Sometimes they're dead or dying, some of them are as brand-new as today's technology. Unlike some of Ellison's collections, the introductory notes

to each story can be as short as a phrase and rarely run more than a sentence or two. One story took a Locus Poll Award, the two final ones both garnered Hugo Awards and Locus Poll awards, and the final one also received a Jupiter Award from the Instructors of Science Fiction in Higher Education (discontinued in 1979). When the collection was published in Britain, it won the 1979 British Science Fiction Award for Short Fiction. Winner of the BSFA Award for best collection, 1978

Deathbird Stories

In the beginning, Sapphire had been just another kid in foster care. Now she has everything she ever dreamed of, a loving family, friends who wouldn't leave, and the power to keep them all safe and whole. Fate has other plans. Traveling across continents, Sapphire grapples with mythical beings, ancient riddles, and inner demons. She and her family fight to protect everything they hold dear from the egomaniacal schemes of Cartazonon. She will succeed. She must. But at what cost? This series is complete; all books are published and available.

The Unicorn's Scion

A Beloved Classic Returns to Print Here, for a new generation of readers, is the exciting (and witty) tale of Piswyck, a young nobleman not quite ready for the world of magic and derring-do: his Particolored Unicorn (it has bad habits: it farts, and worse, it speaks in iambic pentameter), and their quest to rescue the beautiful Miranda, who has been carried off to Far Bermuda by her wicked Uncle Smagdarone (the Great?) and is held captive there in the magically-moved castle of Mad King Ludwig (Neuschwanstein), which said wicked wizard has surrounded with an impenetrable wall of man-eating gelatin. There are trolls, hang glider battles, great green sharks, gymnastics in swordplay, Black Elves, a giant chartreuse septapus named Ralph, and a war in which the most important weapon is perhaps the umbrella. Humor, lots of action, and a truly amazing cast of characters. "The Particolored Unicorn most certainly does run through a full spectrum of adventure." --Esther Friesner, author of Harlot's Ruse. "Jon DeCles...wrote this delightful humorous romp of a post-apocalyptic fantasy that I shelve right next to The Last Unicorn. His style is light and irreverent while allowing his characters to be serious or angry. I wish he'd write a sequel." --The Library of Gothos "I ran across this book on my mother's shelves, and devoured it in a single sitting. It both is, and is not, a quintessential 'find the princess, reclaim your lost kingdom' sort of story. Some of its undeniable humor comes from how little it takes itself seriously (which doesn't mean it's internally inconsistent or stupidly self-referential - think *Scream* or *Spaceballs*, not *Scary Movie*). Off-the-wall realities of its fictional world are presented completely deadpan (unicorns produced by magical genetic engineering; an Evil Wizard -- the protagonist's fiancée's uncle -- who transported Neuschwanstein to Bermuda and lives in it, surrounded by a protective moat of carnivorous pink jelly) in a way I find most appealing; almost a British sort of sense of humor is at work here. If you like Pratchett, Asprin, or Holt, give this book a try." --eloisebd, on Amazon

Unicorn Would You Rather

A special new collection of Ellison's short stories, selected especially for this volume by the author, including the newly revised and expanded 6,500 word tale 'Never Send to Know for Whom the Lettuce Wilts.' In a career spanning more than 50 years, Harlan Ellison has written or edited 75 books, more than 1700 stories, essays, articles and newspaper columns, two dozen teleplays, and a dozen movies. Now, for the first time anywhere, TROUBLEMAKERS presents a collection of Ellison's classic stories - chosen by the author - that will introduce new readers to a writer described by the New York Times as having 'the spellbinding quality of a great nonstop talker, with a cultural warehouse for a mind.' Includes the award-winning stories "Repent,

Harlequin!' Said the Ticktockman' and 'Deeper Than the Darkness'.

Troublemakers

(Second Edition text, First Edition hardcover) Vampires have ventured out of their caves in the North to wreak havoc on the peaceful races. Their Queen will brutally slaughter thousands and push the races to extinction if something isn't done. Someone must rise above the masses and lead the war against the Vampires as members of each race tell their nightmarish journey to their uncertain fate.

The Dragonscale

When the earth had just one ocean and one landmass, it was a time of warlords, witches, wizards, dragons, unicorns and other mystical creatures. In this time, a good king leaves his homeland with his people to save them from a wicked wizard and his hoards of followers who were scourging the land. They flee to an island out on the sea, that it is the most beautiful place with lush flora and abundant fauna. It is there that a young prince discovers a lake where beautiful white unicorns are foraging. Nearby is a cave that is partially hidden by a viny bush. This is where the unicorns live.

What do you get when a sweet-as-puck hockey-playing wolf shifter with a secret is reunited with his sister's best friend that he's loved since childhood who has a secret of her own? The swoons. Declan I've always done what is expected of me and been the perfect son, brother, and future Alpha. Now I'm ready to go after my own dreams. The first step is being the best player I can be on my pro hockey team and earning enough money to buy the horse farm I've always wanted. The second step is declaring my feelings and convincing my sister's best friend to give me the chance to prove I'm someone she can love. She's off working in New Zealand, so I have time to work on the first step before having to be brave enough to take the second. Until...

Miranda I'm tired of not feeling like I belong anywhere. My parents are dedicated to their careers, and I rarely stay anywhere long enough to form genuine connections. I want to put down roots, be near the few friends I've made over the years and be part of a community. I've had a hopeless crush on my best friend's older brother, Declan, for years, but he's only ever seen me as a friend. It's time to consider looking for someone who will love me in return. When a sudden chance to work for a professional shifter hockey team in New Jersey comes up, I jump at it without a second thought, not knowing Declan was one of the star players until I walked into the rink. How will I be able to find someone when the only man I've ever wanted is front and center and focused solely on me? Fate has a way of bringing people together. Secrets have a way of tearing them apart. Which will prevail? Secret Pucking Unicorn is a shifter hockey romance full of humor, heart, and heat. If you want to laugh, sigh, and swoon, not necessarily in that order, with funny, sexy shifters, this is the book for you!

Secret Pucking Unicorn

An empowerment manifesto for creatives, misfits, innovators, and disruptors from the star of So You Think You Can Dance and creator of Broadway's Finding Neverland A Unicorn in a World of Donkeys offers a playbook for living a creative and authentic life. Using her own story as a launching spot, and creative quizzes, charts, and lists to engage the reader in an interactive journey, Mia Michaels explores the experience of the unicorn in a world of donkeys, a world where fitting in, pleasing others, following rules, and maintaining norms-no matter how messed up those norms are-is the only acceptable path. She acknowledges the struggles of the unicorn life-loneliness, ridicule, being misunderstood and undervalued-and goes on encourage readers to reframe the unicorn life the way she has, as essential to a life of brilliance.

A Unicorn in a World of Donkeys

This 250,000-word \"full saga\" collection includes ALL NINE BOOKS in the Unicorn Western Series! Cast out from the magical kingdom of The Realm and into the dying desert of the Sands beyond, Marshal Clint Gulliver and his unicorn Edward have finally found peace in the small and dusty town of Solace. But when both the fracturing worlds and Clint's bride-to-be are thrust into peril by an old foe, the gunslinger must come out of retirement and aim his seven-shooters at the dark magic and those who bring it. An epic quest hurls marshal and unicorn across the endless desert in pursuit of the dark rider Dharma Kold and his unicorn of a different color, where they must battle their way back toward The Realm to uncover the truth...and mayhap save the worlds that hang in the balance. From the creators of Yesterday's Gone (Platt) and Fat Vampire (Truant) comes this reinvention of both the western genre and unicorn lore. Written for children and teens — but complex and awesome enough for adult readers — Unicorn Western is “Harry Potter without wizards but with gunslingers, talking unicorns, epic fights, and more turkey pie.”
