

Who Was Fidel Castro

Who Was Fidel Castro?

When Fidel Castro died on November 25, 2016, many people around the world responded with mixed emotions. Learn all about the man who shaped Cuba for more than half a decade. After overthrowing Fulgencia Batista in 1959, Fidel Castro became the leader of an island country only ninety miles away from Florida. While in power, Castro outlasted ten US presidents and turned the small nation into a one-party state with influence over the entire world. Called a leader by some and a dictator by others, Castro defined not one but several eras in world politics.

Fidel Castro

FIDEL CASTRO August 13, 1926 – November 26, 2016. “A revolution is a struggle between the future and the past.” --Fidel Castro From revolutionary and symbol of strength to Cold War adversary, Fidel Castro was one of the world’s most controversial leaders, and perhaps its most enduring. As Cuba’s towering and charismatic president for nearly fifty years, Castro’s influential leadership captivated allies and enemies alike. By virtue of passionate oration and committed sense of purpose—good or bad—Castro kept the Cuban people devoted and the world enthralled. From his earliest years as a student rebel to his role in Cuba's social reform to The Cuban Missile Crisis, his life is covered in extensive detail within this book. The transfer of power to Raul Castro is explored as well as the changes to Cuban/American diplomatic relations, including Obama’s view of America’s relationship with Cuba. Castro’s death is covered as well as the world’s the reaction to it, including the views of American and Cuban people and the differing reactions of Obama and Trump. A comprehensive look into each stage of Castro’s life and leadership More than a dozen color photos spanning the Cuban leader’s life Comes complete with Castro’s most resonating speeches Fidel Castro: In His Own Words is not only a reflection of Castro’s life, triumphs, and misdeeds, but it is a look at the people and places affected by his politics before, during, and after the age of Cuban embargo. Regardless of readers’ political preference, there is no doubt that this captivating leader’s influence on the Cuban people, The United States, and the world will continue to echo through time.

My Life

In a series of interviews with a European journalist and scholar, the Cuban leader describes his early life, the Cuban Revolution, and his experiences ruling Cuba, and discusses his views on socialism, international affairs, and the future.

Castro's Cuba, Cuba's Fidel

\“Mr. Lockwood's exciting book...holds many surprises for the reader who has seen the Cuban reality up to now only through the distorting prism of propaganda.... [During Mr. Lockwood's latest, 14-week visit to Cuba in 1965] he had 'a seven-day marathon conversation' with [Fidel], the transcription of which, with excellent photographs, constitutes the heart of the book.... A first-rate psychological document, this book is also an historical one in that it contains information necessary to the understanding of several conversional questions, such as the priority given agriculture in the development of the Cuban economy, the dissension between Moscow and Havana, or even the intellectual road by which Castro came to Marxism. Moreover, it provides particulars up to now unknown.\” Claude Julien, 'The New York Times Book Review' \“Lockwood gives us crowds, posters, individual studies, Fidel in every possible mood; the cities, farms, country towns - most of Cuba is in the photographs.... Lockwood's text consists mainly of excerpts from several interviews he

got from Fidel in 1965.... In one way or another Fidel touches on all the events of crucial importance from the beginning of the insurrection until 1965, and the interviews thus become an explanation of the revolution that we badly need.\" Jose Yglesias, 'The New Republic' \"The author's questions [to Fidel] are tough and penetrating and they elicited the same kind of answers.... The lively record deserves and encourages serious study.\" K. G. Jackson, 'Harper's Magazine' \"Given the paucity of scholarly work on contemporary Cuba and the difficulty of visiting the island, the photographs, interview materials, and interpretations of this gifted journalist must go high on the reading list of anyone, professional or lay person, who maintains a serious interest in Cuban affairs and in that most dramatic and important of twentieth-century Latin American leaders, Fidel Castro.\" Richard Fagan, 'Hispanic American Historical Review'

Young Castro

This intimate, revisionist portrait of Fidel Castro, showing how an unlikely young Cuban led his country in revolution and transfixed the world, is “sure to become the standard on Castro’s early life” (Publishers Weekly). Until now, biographers have treated Castro’s life like prosecutors, scouring his past for evidence to convict a person they don’t like or don’t understand. Young Castro challenges us to put aside the caricature of a bearded, cigar-munching, anti-American hothead to discover how Castro became the dictator who acted as a thorn in the side of US presidents for nearly half a century. In this “gripping and edifying narrative...Hansen brings imposing research and notable erudition” (Booklist) to Castro’s early life, showing Castro getting his toughness from a father who survived Spain’s class system and colonial wars to become one of the most successful independent plantation owners in Cuba. We see a boy running around that plantation more comfortable playing with the children of his father’s laborers than his own classmates at elite boarding schools in Santiago de Cuba and Havana. We discover a young man who writes flowery love letters from prison and contemplates the meaning of life, a gregarious soul attentive to the needs of strangers but often indifferent to the needs of his own family. These pages show a liberal democrat who admires FDR’s New Deal policies and is skeptical of communism, but is also hostile to American imperialism. They show an audacious militant who stages a reckless attack on a military barracks but is canny about building an army of resisters. In short, Young Castro reveals a complex man. The first American historian in a generation to gain access to the Castro archives in Havana, Jonathan Hansen was able to secure cooperation from Castro’s family and closest confidants. He gained access to hundreds of never-before-seen letters and interviewed people he was the first to ask for their impressions of the man. The result is a nuanced and penetrating portrait of a man at once brilliant, arrogant, bold, vulnerable, and all too human: a man who, having grown up on an island that felt like a colonial cage, was compelled to lead his country to independence.

Who Was Fidel Castro?

When Fidel Castro died on November 25, 2016, many people around the world responded with mixed emotions. Learn all about the man who shaped Cuba for more than half a decade. After overthrowing Fulgencia Batista in 1959, Fidel Castro became the leader of an island country only ninety miles away from Florida. While in power, Castro outlasted ten US presidents and turned the small nation into a one-party state with influence over the entire world. Called a leader by some and a dictator by others, Castro defined not one but several eras in world politics.

Fidel Castro and the Quest for a Revolutionary Culture in Cuba

\"An excellent study of political culture, emphasizing cultural and normative resistance to revolutionary values, norms, and goals. Challenges much of the scholarship that maintained that revolution permanently transformed Cuba's traditional culture, and finds that 'most Cuban workers rejected many of the revolutionary requirements of the Castro government' (p. 184). Highly recommended\"--Handbook of Latin American Studies, v. 57.

Comrade of the Revolution

'You cannot kill ideas. Fidel, for the Third World, was not merely another leader. He was the mirror of its aspirations. That mirror will never be shattered.' - From the Introduction.//Fidel Castro's speeches were classrooms for the revolution. Through these speeches, Fidel came before the people to explain the conjuncture and problems the government faced with honesty and by putting them into historical context. Each of his speeches is a tour de force of explication, a history lesson, a sociology lesson, a political lesson, and even a lesson on literature. Fidel reached back to revolutionaries from an earlier time and dug into the data produced by the government. The traditions, experiences, and oral histories of national liberation and Marxism-Leninism articulated by Fidel came alive as he spoke to new audiences engaged in building a socialist experiment just miles away from the heart of the empire. Fidel Castro launched a battle of ideas in defense of socialist thought and the permanent mobilization of the people's consciousness. The speeches collected in this book carry forward the battle of ideas that framed the last decades of Fidel's life until he left us on 26 November 2016 at the age of ninety.

The Double Life of Fidel Castro

In *The Double Life of Fidel Castro*, one of Castro's soldiers of seventeen years breaks his silence and shares his memoirs of his years of service, his eventual imprisonment and torture for displeasing the notorious dictator, and his dramatic escape from Cuba. Responsible for protecting the Líder Máximo for two decades, Juan Reinaldo Sánchez was party to his secret life: from the ghost town in which guerrillas from several continents were trained; to Castro's immense personal fortune, including a huge property portfolio, a secret paradise island, and seizure of public money; as well as his relationship with his family and his nine children from five different partners. Sánchez's tell-all exposé reveals countless state secrets and the many sides of the Cuban monarch: genius war leader in Nicaragua and Angola, paranoid autocrat at home, master spy, Machiavellian diplomat, and accomplice to drug traffickers. This extraordinary testimony makes us reexamine everything we thought we knew about the Cuban story and Fidel Castro Ruz.

Fidel Castro

Fidel Castro has ruled Cuba for over 40 years, yet he remains one of the world's most complex leaders. Rebellious at an early age, he attempted to organize a strike of sugar workers against his father as a teenager. By his early twenties, he made it clear that he was an opponent of the dictatorship of Fulgencio Batista and wanted a social change for Cuba. His leadership of the successful revolution in 1959 led him to political power behind the support of the Cuban people. For decades critics have predicted his fall from power, but he remains the uncontested leader. Castro's life and career are described in this biography, including his childhood, family, education, and political endeavors. Readers will learn of his attendance at Havana Law School, his imprisonment, his rise to political power, along with history topics and events such as communism, the Bay of Pigs invasion, and the Cuban missile crisis. A timeline provides a comprehensive list of important events in his life, and a bibliography covers print and electronic sources for further research.

The Prison Letters of Fidel Castro

Early in Ann Louise Bardach's Cuban voyage she came across *Cartas de Presidio* or *The Prison Letters of Fidel Castro*. Edited by Luis Conte Aguero, who was the recipient of most of these letters, they are cited in every important work from Hugh Thomas' opus *Cuba* to Tad Szulc's Fidel biography, and everything in between and since. These twenty-one letters (nine to Conte Aguero, six to his late sister and close collaborator, Lidia, one to his wife Mirta, one to his comrade in combat, Melba Hernandez letters, one to the great scholar Jorge Manach) are regarded as the single most valuable and revelatory document regarding Fidel Castro and the Cuban Revolution. Never before published in English, these letters were written when Castro was imprisoned for his failed attack on the Moncada from 1953 to 1955 and reveal a man of spectacular ambition and steely determination. A man, who despite being incarcerated to serve a lengthy

prison term, never wavers in his confidence that he will one day rule Cuba.

Fidel

AN ACCOUNT OF THE LIFE, CAREER, PERSONAL AND PUBLIC CHARACTER, TALENTS, AND SHORTCOMINGS OF THE CUBAN LEADER, WRITTEN BY A PSYCHIATRIST AND FORMER U.S. GOVERNMENT OFFICIAL BIBLIOG.

Inside the Cuban Revolution

Julia Sweig shatters the mythology surrounding the Cuban Revolution in a compelling revisionist history that reconsiders the revolutionary roles of Fidel Castro and Che Guevara and restores to a central position the leadership of the Cuban urban underground, the Llano. Granted unprecedented access to the classified records of Castro's 26th of July Movement's underground operatives--the only scholar inside or outside of Cuba allowed access to the complete collection in the Cuban Council of State's Office of Historic Affairs--she details the ideological, political, and strategic debates between Castro's mountain-based guerrilla movement and the urban revolutionaries in Havana, Santiago, and other cities. In a close study of the fifteen months from November 1956 to July 1958, when the urban underground leadership was dominant, Sweig examines the debate between the two groups over whether to wage guerrilla warfare in the countryside or armed insurrection in the cities, and is the first to document the extent of Castro's cooperation with the Llano. She unveils the essential role of the urban underground, led by such figures as Frank País, Armando Hart, Haydée Santamaria, Enrique Oltuski, and Faustino Pérez, in controlling critical decisions on tactics, strategy, allocation of resources, and relations with opposition forces, political parties, Cuban exiles, even the United States--contradicting the standard view of Castro as the primary decision maker during the revolution. In revealing the true relationship between Castro and the urban underground, Sweig redefines the history of the Cuban Revolution, offering guideposts for understanding Cuban politics in the 1960s and raising intriguing questions for the future transition of power in Cuba.

Fidel Castro Handbook

In the year that Fidel Castro turns eighty, this is a fresh look at his life from childhood, through his dramatic conquest of power, and his extraordinary, charismatic leadership of Cuba over forty-seven years--including sharply focused takes on the guerrilla struggle in the Sierra Maestra, life with the Soviet Union, involvement in Third World politics, and survival in the face of the hostility of the United States just ninety miles away. The author has researched archives from Havana, London, Washington, and Madrid and concluded original interviews with Fidel Castro's contemporaries, in Cuba and throughout the world, that provide fascinating insights into his personality and achievements.

Refugee

The award-winning, #1 New York Times bestselling novel from Alan Gratz tells the timely--and timeless--story of three different kids seeking refuge. A New York Times bestseller! JOSEF is a Jewish boy living in 1930s Nazi Germany. With the threat of concentration camps looming, he and his family board a ship bound for the other side of the world... ISABEL is a Cuban girl in 1994. With riots and unrest plaguing her country, she and her family set out on a raft, hoping to find safety in America... MAHMOUD is a Syrian boy in 2015. With his homeland torn apart by violence and destruction, he and his family begin a long trek toward Europe... All three kids go on harrowing journeys in search of refuge. All will face unimaginable dangers -- from drownings to bombings to betrayals. But there is always the hope of tomorrow. And although Josef, Isabel, and Mahmoud are separated by continents and decades, shocking connections will tie their stories together in the end. As powerful and poignant as it is action-packed and page-turning, this highly acclaimed novel has been on the New York Times bestseller list for more than four years and continues to change readers' lives with its meaningful takes on survival, courage, and the quest for home.

Revolutionary Struggle, 1947-1958

Denne bog giver en forståelse af den mest fundamentale revolution i Latin Amerika. Den omfatter Fidel Castro's udtalelser fra sidst i 1940'erne til Fulgencio Batista endelig sluttede sin kontrol med landet i januar 1959. Heri er breve, artikler, manifestationer, taler, interviews, pressemeddelelser o.s.v.

Where Is the Amazon?

Without risking life or limb, readers can explore the wonders and beauty of the Amazon in this Where Is...? title. Human beings have inhabited the banks of the Amazon River since 13,000 BC and yet they make up just a small percentage of the \"population\" of this geographic wonderland. The Amazon River basin teems with life—animal and plant alike. It's a rainforest that is home to an estimated 390 billion individual trees, 2.5 million species of insects, and hundreds of amazing creatures and plants that can either cure diseases, or, like the poison dart frog, kill with a single touch. Where Is the Amazon? reveals the amazing scale of a single rainforest that we are still trying to understand today and that, in many ways, supports our existence on this planet.

The Autobiography of Fidel Castro

A portrait by an exiled former confidante seeks to capture the Cuban dictator's authentic voice while sharing the story of his life, covering everything from his early sexual experiences and perspectives on Che Guevara to his state secrets and philosophy on murder.

Fidel and Che

A unique dual portrait shines new light on two of the most dramatic figures of the twentieth century. Drawing on sources in Cuba, Latin America, the United States, Europe, and Russia, and on material not available to previous biographers, Simon Reid-Henry has crafted a compelling portrait of a revolutionary era and the two men whose names and deeds personify it: Fidel Castro and Che Guevara. What began as an association of convenience would fundamentally shape their political visions, propelling them further than either had dared imagine. Ironically, though, their jointly conceived vision of revolution would ultimately force them to choose between friendship and their beliefs. At a momentous turning point in Cuban history, Simon Reid-Henry offers a fascinating and original chronicle of two of the most powerful personalities in recent memory.

Fidel Castro, World Leaders Past & Present

A discussion of the life and times of Fidel Castro.

Fidel:

Never before has any biographer had such close access to Fidel Castro as did Tad Szulc. The outcome of a long, direct relationship, this riveting portrait reveals astonishing and exclusive information about Cuba, the revolution, and the notorious, larger-than-life leader who has ruled his country with an iron fist for more than forty years. Only Tad Szulc could bring Fidel to such vivid life--the loves and losses of the man, the devious tactics of the conspirator, the triumphs and defeats of the revolutionary leader who challenged an American president and brought the world to the brink of nuclear disaster. From Jesuit schools to jungle hideouts and the Palace of the Revolution, here is Fidel...The Untold Story. Never before has any biographer had such close access to Fidel Castro as did Tad Szulc. The outcome of a long, direct relationship, this riveting portrait reveals astonishing and exclusive information about Cuba, the revolution, and the notorious, larger-than-life leader who has ruled his country with an iron fist for more than forty years. Obama and the Empire

In a new, expanded edition, Fidel Castro comments on Obama as the eleventh US president to confront the Cuban revolution.

Political, Economic and Social Thought of Fidel Castro

Fidel Castro When Fidel Castro died on November 25, 2016, it seemed as if much of the world didn't quite know what to make of the revolutionary leader. The images of loyal Cubans in Havana openly crying in the streets stood in stark contrast to the Cuban exiles and their descendants just 90 miles away in Miami, Florida. While Cuban citizens were mourning, Cuban Americans were celebrating; they were laughing, dancing, and drinking to celebrate Castro's demise. It seems that Fidel Castro was just as polarizing in death as he was in life. Inside you will read about... - The Beginnings of a Revolutionary - Castro Meets Che Guevara - The Bay of Pigs - The Cuban Missile Crisis - Castro's Soviet Ally - The Assassination Conspiracy - Doctors For Oil And much more! Learn more about the life of one of the twentieth century's most controversial figures.

Fidel Castro

Who doesn't love a great mystery? This book presents the eerie accidents and unexplained disappearances that have occurred in the region known as the Bermuda Triangle. Even before it was named, the Bermuda Triangle--roughly bounded by Miami, Bermuda, and Puerto Rico--had gained a mythic reputation. The Bermuda Triangle became famous for making boats and ships vanish, and for snatching planes right out of the sky. But are these stories true? And if they are true, is there a more sensible reason that refutes the bad karma of the region? With so many mystifying events to learn about, readers will love disappearing into this story.

Where Is the Bermuda Triangle?

Fidel Castro, one of the world's most controversial leaders, rose to power in Cuba, a large island nation only 90 miles off the coast of Florida. A brilliant and charismatic leader, Castro defied all odds when he led a successful effort to depose the corrupt Cuban dictator Fulgencio Batista in the late-1950s. Soon after, Castro began to reshape Cuba into a communist state while allying himself with the United States' Cold War enemy, the Soviet Union. His belligerence toward the United States has led to a decades-long U.S. embargo of Cuba, the effect of which has left Cuba in desperate poverty. Over the decades, Castro has ruled Cuba with an iron fist, controlling the media, courts, and legislature, while allowing no open opposition to his rule and imprisoning dissidents. At the same time, his reforms of Cuba's health care and educational systems have provided common citizens with access they had not experienced under previous regimes. In Fidel Castro's Cuba, learn more about this complex and compelling man who is a hero to some and a villain to others.

Fidel Castro's Cuba. 2nd Edition

Dr. Jeffrey M. Elliot and former Rep. Mervyn M. Dymally here contribute a lengthy, revealing interview with Cuban President Fidel Castro, discussing a wide-ranging series of topics dealing with local and international politics and economics, as well as the future of Cuba, the third world, Central and South America, and the United States.

Fidel Castro Speaks

The acclaimed autobiography of Fidel Castro, one of the towering political figures of our age, who dominated both Cuba and the world stage for over half a century. Here Castro tells his story in full for the first time, speaking openly about everything from his parents and earliest influences to his imprisonment, guerrilla war and the Cuban revolution and on to the Bay of Pigs, the missile crisis and his relationship with Che Guevara. He also remembers the people he knew, from John F. Kennedy to Ernest Hemingway. Whatever your views on Castro are, this is an essential record of an incredible life - and even more extraordinary times. 'Cubaphiles are all the richer for this book ... Castro's prodigious gifts are well displayed: his formidable erudition, steely discipline, epic curiosity and his astute grasp of history' Financial Times
'Castro's life has been extraordinary and he can tell a good story' Evening Standard

Fidel By Fidel: An Interview With Dr. Fidel Castro Ruz

Takes up U.S.-Cuba relations, Cuba's role in the fight against apartheid rule in South Africa, the overthrow of the Grenada revolution, and the social consequences of the foreign debt in Latin America and the Caribbean.

My Life Fidel Castro

'You cannot kill ideas. Fidel, for the Third World, was not merely another leader. He was the mirror of its aspirations. That mirror will never be shattered.' - From the Introduction
Fidel Castro's speeches were classrooms for the revolution. Through these speeches, Fidel came before the people to explain the conjuncture and problems the government faced with honesty and by putting them into historical context. Each of his speeches is a tour de force of explication, a history lesson, a sociology lesson, a political lesson, and even a lesson on literature. Fidel reached back to revolutionaries from an earlier time and dug into the data produced by the government. The traditions, experiences, and oral histories of national liberation and Marxism-Leninism articulated by Fidel came alive as he spoke to new audiences engaged in building a socialist experiment just miles away from the heart of the empire. Fidel Castro launched a battle of ideas in defense of socialist thought and the permanent mobilization of the people's consciousness. The speeches collected in this book carry forward the battle of ideas that framed the last decades of Fidel's life until he left us on 26 November 2016 at the age of ninety.

Fidel Castro

'Fidel's devotion to the word is almost magical.' - Gabriel Garcia Marquez
Here, at last, is a comprehensive selection of the speeches of one of the world's greatest orators, Fidel Castro. This anthology presents the unfolding process of the Cuban Revolution: from the euphoria of the early years through to the economic crisis that devastated the island following the collapse of the socialist bloc. The Fidel Castro Reader includes a chronology of the Cuban Revolution and an extensive glossary, making it an essential reference for scholars, researchers and general readers. Fidel Castro led the guerrilla movement in Cuba that overthrew the Batista dictatorship in 1959. Since then, the Cuban president has been the nemesis of ten U.S. administrations.

Fidel Castro Speaks with the People of Cuba

Speeches and interviews from Fidel Castro's 25-day visit to Chile in 1971. Castro warns of impending counter-revolution and stresses the example of Cuba, where workers and farmers mobilized to defeat imperialist intervention.

Comrade of the Revolution

In response to the American administration's attempt to isolate Cuba, Fidel Castro delivered a series of

speeches designed to radicalize Latin American society. As Latin America experiences more revolutions in Venezuela and Bolivia, and continues to upset America's plans for neo-liberal imperialism, renowned radical writer and activist Tariq Ali provides a searing analysis of the relevance of Castro's message for today.

Fidel Castro Reader

The CIA analyst who tracked Castro for decades explores the mind and motivations of the man who governed Cuba for nearly half a century. On trial in Santiago for leading a bloody assault on the city's Moncada garrison, young revolutionary leader Fidel Castro uttered a phrase in court that would come to serve as a rallying cry for his 26th of July Movement and his regime thereafter: "History will absolve me." Despite the fact that his methods resulted in great loss of life on both sides, Castro never wavered in his belief that in the final reckoning his life's work would be vindicated—his violence necessary in bringing a new government to Cuba and a new political model to the developing world. For decades, CIA analyst Brian Latell tracked Castro relentlessly—getting to know his habits, his fears, and the passions that drove him. In this book, the author of *After Fidel* and *Castro's Secret* steps from the shadows to paint a complex and nuanced portrait of the man he came to know better than any other intelligence target—revealing the mind and motivations of one of the most mercurial, passionate, and dominating leaders of the twentieth century. "One of America's foremost Cuba analysts." —George J. Tenet, former CIA director
