Poem by Keith Allan Brown Walking with GOD When you walk with GOD, you walk on air, When you walk with GOD, you dont have a care, When you walk with GOD, the path is straight, When you walk with GOD, trust in HIM not fate. When you walk with GOD, theres nothing to fear, When you walk with GOD, HELL keep you near, When you walk with GOD, Youll feed from above, When you walk with GOD, Youre filled with love. When you walk with GOD, the way is clear, When you walk with GOD, you wont shed a tear, When you walk with GOD, your worries will cease, When you walk with GOD, youll be at peace. When you walk with GOD, youre never late, When you walk with GOD, HE opens the gate, When you walk with GOD, HE frees your mind, When you walk with GOD, Happiness youll find. When you walk with GOD, youre free of worry, When you walk with GOD, theres no need to hurry, When you walk with GOD, in HIS good time, When you walk with GOD, all from HIM are mine. After reading this book, listening to the music and lyrics of the 20 songs on the two CDs and reading the 20 Poems you may just be about to find out, as Ragnhild Anita and John from Norway did, that you can be in control of your inner life. We all have lessons to learn and Ragnhild Anita and John confirmed this to me by way of some comments they gave me shortly after reading some pre-published text and listening to the songs. Their comments, I think describe their thought process in just three stages of understanding. The first was one of uncertainty in that they said The Inner Life seemed too good to be true; their second stage process was one of possibility in that they said If it is possible to Live The Life Within then it must be a miracle; their third and final conclusion was one of acknowledgement in that they said To Live The Life Within you must to go away from noise, worries and concerns and dare to be alone and listen to your inner voice. Pray to GOD that he will show you the way.

My journey is documented in this two-volume book numbers 14th and 15th of my series “Christianity and the Human Brain”. My journey is a testimony to Lord Jesus who took me by the hand from being a dismal soul to a renown neurosurgeon and anesthesiologist through a dream I had in 1974 with his words: “Son study all these books in my hand and I shall bless you and bless your patients”. Today, 35 years later, I continue to dedicate my life to my Lord, my patients and the residents I mentor. The fulfillment of my joy is when my Almighty helps me to care for my patients and guides my hand in both neurosurgery and the teaching of coming generations. There are many stories and reflections to share with you. Lessons learned in various topics. It is my honor to share with you my journey and my Joy. The two volume books contain 181 chapters, distributed in twenty sections (ten in each volume) covering major highlights in my life journey. In addition to deep reflections from my own life stories in faith and medicine, topics include Jesus, love, patient care, the human brain, neurosurgery, illness, residents, healthcare crises, meditations and memories over four decades. I hope you, the reader, to take the positives of my journey and find it useful to your own journey as a participant sojourning in this world with me. Blessed are those striving early on in their life to serve our Savior Jesus Christ, to him is the glory for ever and ever, Amen.
