

Who Was Jesus

Who Was Jesus?

This fascinating addition to the best-selling Who Was...? series does not settle questions of theology. Instead, it presents young readers with a biography that covers what is known historically about Jesus and places in his life in the context of his world when Jerusalem was part of the Roman Empire. In an even-handed and easy-to-read narrative, this title—illustrated with eighty black-and-white drawings—also explains the early origins of Christianity and how it became a major religion.

What Did Jesus Look Like?

Jesus Christ is arguably the most famous man who ever lived. His image adorns countless churches, icons, and paintings. He is the subject of millions of statues, sculptures, devotional objects and works of art. Everyone can conjure an image of Jesus: usually as a handsome, white man with flowing locks and pristine linen robes. But what did Jesus really look like? Is our popular image of Jesus overly westernized and untrue to historical reality? This question continues to fascinate. Leading Christian Origins scholar Joan E. Taylor surveys the historical evidence, and the prevalent image of Jesus in art and culture, to suggest an entirely different vision of this most famous of men. He may even have had short hair.

52 Weeks with Jesus

Jesus Christ is the most influential human to ever walk the earth. We've heard and seen so many depictions of Him that we think we know Him better than we actually do. If we took the time to really look at Him, we might be surprised at what we'd find. In *52 Weeks with Jesus*, author and pastor James Merritt leads you on a transformational journey as he shares what he's learned over a lifetime of studying Jesus' life and ministry. As you join Dr. Merritt on this journey, you will come to know and encounter Jesus in new and surprising ways and be inspired anew to embrace His invitation, "Come, follow Me." Filled with practical applications and surprising truths, this book will help you more ably answer that ancient question that's as timely today as when it was first posed: "Who do you say that I am?"

Who is Jesus?

The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

The Gospel According to Matthew

For the past forty years, but for only the first time in history, Christian scholars fluent in Hebrew and living in the land of Israel have collaborated with Jewish scholars to examine Jesus' sayings from a Judaic and Hebraic perspective. The result of this research confirms that Jesus was an organic part of the diverse social and religious landscape of Second Temple-period Judaism. He, like other Jewish sages of his time, used specialized methods to teach foundational Jewish theological concepts such as God's abundant grace. Jesus' teaching was revolutionary in a number of ways, particularly in three areas: his radical interpretation of the

biblical commandment of mutual love; his call for a new morality; and his idea of the Kingdom of Heaven. Jerusalem Studies in the Synoptic Gospels, the initial volume, focuses on the Passion Narratives in a search for the Historical Jesus. It also reexamines the synoptic problem in light of recent historical and archaeological research. The volume represents the first attempt by members and associates of the Jerusalem School to apply collectively the methodology pioneered by Robert Lindsey and David Flusser. Included in the volume is the final article written by the late Professor Flusser, The Synagogue and the Church in the Synoptic Gospels.

Jesus' Last Week

The Old Testament both tells the story of Israel and points to the coming Messiah. Kaiser distinguishes between Old Testament passages that describe national Israel's glorious future and those that point to Christ and his kingdom. Kaiser's chronological approach traces Israel's developing concept of Messiah through different time periods.

The Messiah in the Old Testament

Professor Wells argues that there was no historical Jesus, and in thus arguing he deals with the many recent writers who have interpreted the historical Jesus as some kind of political figure in the struggle against Rome, and calls in evidence the many contemporary theologians who agree with some of his arguments about early Christianity. The question at issue is what all the evidence adds up to. Does it establish that Jesus did or did not exist? Professor Wells concludes that the latter is the more likely hypothesis. This challenge to received thinking by both Christians and non-Christians is supported by much documentary evidence, and Professor Wells carefully examines all the relevant problems and answers all the relevant questions. He deliberately avoids polemic and speculation, and sticks so far as possible to the known facts and to rational inferences from the facts.

Did Jesus Exist?

A recent major archeological discovery in Jerusalem is revolutionizing understanding of Jesus and the earliest years of Christianity. The authors have examined a sealed tomb in Jerusalem, where they have found the earliest evidence for a belief in the resurrection of Jesus, based on what appears to be the oldest Christian iconography ever discovered.

The Jesus Discovery

In this fascinating \"CSI-style\" investigation, Murdock, author of the controversial book \"The Christ Conspiracy,\" examines evidence for the life of Jesus Christ, revealing that with Christianity what is seen is not always what one gets. (Christian)

The Gospel According to John

This is How Jesus Became God.

How Jesus Became God

The only book you'll ever need to read about Christianity. This remarkable book provides a critical overview of Christian beliefs and the evidence for them. Where did these beliefs come from? Are there good reasons to believe Christianity is true? Bill Zuersher clearly explains each of Christianity's major beliefs. He then proceeds to demonstrate significant difficulties with each of them. The book tackles these beliefs in a logical order, beginning with the problems at the root of virtually all religions, suffering and death, and culminating in their supposed resolution through Jesus. Mr. Zuersher also examines the evidence for Christianity, namely religious writings and the historical fact of the early Jesus movement. He makes the case that this evidence does not support the religion's claims and he provides naturalistic alternative explanations for how its core beliefs arose. In these pages we see the coalescence of Jewish and Zoroastrian religious ideas with those of Greek philosophy and mystery cults, to form the belief system we recognize as Christianity today. The result, Mr. Zuersher argues, is not revealed truth, but rather a human patchwork which contains unwarranted assumptions and logical flaws, all founded upon questionable evidence. Entertaining throughout, it is must-reading for skeptics, apologists, and anyone interested the world's largest religion or the culture wars behind today's politics -- an invaluable resource for students and teachers, writers and debaters.

Seeing through Christianity

The Bible is accurate and without error! Demolishing Supposed Bible Contradictions Volume 2 offers 40 powerful explanations to prove it. There is an increasing focus in our culture on dismissing the Bible and its authority. Generations of skeptics and the religion of evolution have influenced even some Christian leaders. By highlighting supposed errors or inconsistencies in the Bible, doubt is created in the minds of believers and stumbling blocks are put up for those trying to present the Gospel. But Biblical evidence disproves the toughest of critics while bringing to light the indestructible power of God's Word. Tim Chaffey, Ken Ham, and Bodie Hodge of Answers in Genesis highlight the answers to these debates and more: Is all Scripture inspired by God, or is some of it the opinion of the writers of Scripture? After His resurrection, did Jesus first appear to the eleven disciples on a mountain in Galilee or in Jerusalem behind closed doors? Can God be tempted? Why don't Christians follow all the Old Testament laws? Demolishing Supposed Bible Contradictions Volumes 1 and 2 are must-have references for every believer who wants to have an answer to give to those who ask a reason for their hope (1 Peter 3:15). Join the battle armed with the sword of Spirit, the truth that will defeat the lies aimed for this generation and those to follow.

Demolishing Supposed Bible Contradictions Volume 2

Jesus comes to life in this fascinating modern biography excerpted from The Urantia Book. Many of these historical stories are familiar to readers of the New Testament but dozens are new, including the missing years not found in the Bible. Here you discover Jesus presented as never before, both as divine Son and human hero whose matchless life inspires, comforts, and transforms you. It is beautifully written in modern, page-turning prose and complemented with 106 paintings from 35 renowned artists, including 42 originally commissioned works you will see for the first time. The paintings run the gamut of fine art celebrating the life of Christ, both classic and modern. These artists poured their souls into these portraits of higher spiritual reality. Our deep appreciation and humble gratitude go out to each one of them. These paintings illustrate Jesus' life journey from his humble birth and childhood to adolescence and manhood; from private to public ministry and on to his death, resurrection, and ascension. The artwork celebrates his diverse life as son, father-brother, carpenter, boat designer and builder, tutor, translator, caravan conductor, teacher, healer, minister, and friend. No one knows what Jesus looked like, but these artists painted their soulful interpretations to spark our imagination of these scenes from the Master's life. Our intent is to give you a visual communion with Jesus that complements the enthralling narrative. This impeccably designed book provides relevant and empowering spiritual insights, helping you navigate the challenging yet promising

conditions of the 21st century. We live in an exciting era of unprecedented improvements in our material lives brought about by scientific, industrial, and social achievements. Yet despite all this progress, many souls feel lonely and displaced. We need God and have an innate thirst for spiritual answers because of that \"still, small voice\" that lives within us. Finding God by living the personal religion of Jesus satisfies that thirst. The search for the genuine Jesus continues to intrigue humanity. Since the Bible only records an estimated 50 days of his life, it follows that there is more to his story. You will find it here in this detailed history of the Master's entire life, including the public ministry recorded in the Gospels. It provides a coherent and seamless biography of this magnificent personality who continues to shape spiritual progress in our world. The story of Jesus is one of the most enthralling chapters in human history. The closing passage of the Apostle John's gospel speaks to a life larger than even the world itself. How fitting that the last words of his gospel should be the first words of this book: \"But there are also many things which Jesus did; were every one of them to be written, I suppose that the world itself would not contain the books that would be written.\" In John's day the Word was made flesh. In these days the Word is made book. The Untold Story of Jesus reveals the living Christ to members of the church that bears his name, as well as to worshipers of all world religions. It is sure to become a favorite volume for all who seek God.

Living As Jesus Lived

A Simon & Schuster eBook. Simon & Schuster has a great book for every reader.

The Untold Story of Jesus

The orderliness of the universe and the existence of human beings already provides some reason for believing that there is a God - as argued in Richard Swinburne's earlier book *Is There a God?* Swinburne now claims that it is probable that the main Christian doctrines about the nature of God and his actions in the world are true. In virtue of his omnipotence and perfect goodness, God must be a Trinity, live a human life in order to share our suffering, and found a church which would enable him to tell all humans about this. It is also quite probable that he would provide his human life as an atonement for our wrongdoing, teach us how we should live and tell us his plans for our future after death. Among founders of religions, Jesus satisfies uniquely well the requirement of living the sort of human life which God would need to have lived. But to give us adequate reason to believe that Jesus was God, God would need to put his 'signature' on the life of Jesus by an act which he alone could do, for example raise him from the dead. There is adequate historical evidence that Jesus rose from the dead. The church which he founded gave plausible interpretations of his basic message. Therefore Christian doctrines are probably true.

The Life of Jesus

In *Did Jesus Exist?* historian and Bible expert Bart Ehrman confronts the question, \"Did Jesus exist at all?\" Ehrman vigorously defends the historical Jesus, identifies the most historically reliable sources for best understanding Jesus' mission and message, and offers a compelling portrait of the person at the heart of the Christian tradition. Known as a master explainer with deep knowledge of the field, Bart Ehrman methodically demolishes both the scholarly and popular \"mythicist\" arguments against the existence of Jesus. Marshaling evidence from within the Bible and the wider historical record of the ancient world, Ehrman tackles the key issues that surround the mythologies associated with Jesus and the early Christian movement. In *Did Jesus Exist?: The Historical Argument for Jesus of Nazareth*, Ehrman establishes the criterion for any genuine historical investigation and provides a robust defense of the methods required to discover the Jesus of history.

Jesus the Man

How the early Christians rewrote history, turning a Jewish teacher and messiah into a 'Christian' man-deity, bringing eternal life to all who believe We often forget the undeniable fact that Jesus was Jewish. He lived

and died a Jew, teaching the religion of his forbears and living by the Torah. After his death there was a 'Jesus movement' led by Jesus' brother James in Jerusalem and a 'Christ movement' led by Paul (who never met Jesus) in the Diaspora. The Christ movement deliberately sought to replace and destroy the Jesus movement. The battles of the Jewish community against the Romans, and the chaos after the destruction of the Temple in Jerusalem in AD 70, helped Paul and his party to seduce Jesus' followers away from the strictures of Judaism. Having killed off the historical Jesus, the new Christians turned the religion away from a traditional emphasis on behaviour into the most successful personality cult in recorded history.

Was Jesus God?

His Unknown Life Before And After The Crucifixion. Why Has Christianity Chosen To Ignore Its Connections With The Religions Of The East, And To Dismiss Repeatedly The Numerous Claims That Jesus Spent A Large Part Of His Life In India? This Compelling Book Presents Irrefutable Evidence That Jesus Did Indeed Live In India, Dying There In Old Age. The Result Of Many Years Of Investigative Research, Jesus Lived In India Takes The Reader To All The Historical Sites Connected With Jesus In Israel, The Middle East, Afghanistan And India. As Well As Revealing Age-Old Links Between The Israelites And The East, The Evidence Found By Theologian Holger Kersten Points To The Following Startling Conclusions: In His Youth Jesus Followed The Ancient Silk Road To India. While There He Studied Buddhism, Adopting Its Tenets And Becoming A Spiritual Master. Jesus Survived The Crucifixion. After The Resurrection Jesus Returned To India To Die In Old Age. Jesus Was Buried In Srinagar, The Capital Of Jammu And Kashmir, Where He Continues To Be Revered As A Sainly Man. The Tomb Of Jesus Still Exists In Kashmir.

Did Jesus Exist?

Foreword written by Nancy Pearcey \"Parents are the most important apologists our kids will ever know. Mama Bear Apologetics will help you navigate your kids' questions and prepare them to become committed Christ followers.\" —J. Warner Wallace \"If every Christian mom would apply this book in her parenting, it would profoundly transform the next generation.\" —Natasha Crain #RoarLikeAMother The problem with lies is they don't often sound like lies. They seem harmless, and even sound right. So what's a Mama Bear to do when her kids seem to be absorbing the culture's lies uncritically? Mama Bear Apologetics® is the book you've been looking for. This mom-to-mom guide will equip you to teach your kids how to form their own biblical beliefs about what is true and what is false. Through transparent life stories and clear, practical applications—including prayer strategies—this band of Mama Bears offers you tools to train yourself, so you can turn around and train your kids. Are you ready to answer the rallying cry, “Mess with our kids and we will demolish your arguments”? Join the Mama Bears and raise your voice to protect your kids—by teaching them how to think through and address the issues head-on, yet with gentleness and respect.

How Jesus Became Christian

The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the \"Beast\" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

Jesus Lived in India

Mama Bear Apologetics

'As one expects from this world-famous theologian, massive amounts of information and complex arguments are condensed into simple, clear and concise expression.' The Reader 'Written with verve and scholarly

confidence. . . an impressive read.' Church Times In *Simply Jesus*, renowned New Testament scholar Tom Wright sets out to answer three simple but vital questions about Jesus: who was he, what did he do and why does it matter? Perfect for those wanting a popular level entry point into Tom Wright's views on Scripture, *Simply Jesus* places Jesus firmly within his own context and shows how startlingly relevant he is to our own day as well. The book starts with Tom explaining the key questions, why they matter, and why we today find them difficult to answer. He then goes on to say what he thinks Jesus' public career was all about, what he was trying to accomplish, and how he went about it. At the end of the book he sketches four ways in which people today have tried to understand the contemporary relevance of Jesus' inauguration of God's kingdom. After reading *Simply Jesus*, readers will have a firmer biblical and theological grounding in exploring Who Jesus Was, What He Did, and Why it Matters. 'Invigorating and challenging. . . Wright shows how much of Jesus' message we have failed to take seriously.' Christianity 'His engaging writing style grips the reader from the opening pages. . . readers will find this work difficult to put down.' Life and Work

Revelation

This Is A New Release Of The Original 1919 Edition.

Jesus the Christ

Nothing is more important than what a person believes about Jesus Christ. To understand Christ correctly is to understand the very heart of God, Scripture, and the gospel. To get to the core of this belief, this latest volume in the Foundations of Evangelical Theology series lays out a systematic summary of Christology from philosophical, biblical, and historical perspectives—concluding that Jesus Christ is God the Son incarnate, both fully divine and fully human. Readers will learn to better know, love, trust, and obey Christ—unashamed to proclaim him as the only Lord and Savior. Part of the Foundations of Evangelical Theology series.

Simply Jesus

The Incarnate Lord, then, considers central themes in Christology from a metaphysical perspective. Particular attention is given to the hypostatic union, the two natures of Christ, the knowledge and obedience of Jesus, the passion and death of Christ, his descent into hell, and resurrection. A central concern of the book is to argue for the perennial importance of ontological principles of Christology inherited from patristic and scholastic authors. However, the book also seeks to advance an interpretation of Thomistic Christology in a modern context. The teaching Aquinas, then, is central to the study, but it is placed in conversation with various modern theologians, such as Karl Barth, Karl Rahner and Hans Urs von Balthasar. Ultimately the goal of the work is to suggest how traditional Catholic theology might thrive under modern conditions, and also develop fruitfully from engaging in contemporary controversies.

Hindu View of Christ

The book consists primarily of interviews between Strobel (a former legal editor at the Chicago Tribune) and biblical scholars such as Bruce Metzger. Each interview is based on a simple question, concerning historical evidence (for example, \"Can the Biographies of Jesus Be Trusted?\"), scientific evidence, (\"Does Archaeology Confirm or Contradict Jesus' Biographies?\"), and \"psychiatric evidence\" (\"Was Jesus Crazy When He Claimed to Be the Son of God?\"). Together, these interviews compose a case brief defending Jesus' divinity, and urging readers to reach a verdict of their own.

God the Son Incarnate

Written by an L. A. County homicide detective and former atheist, Cold-Case Christianity examines the

claims of the New Testament using the skills and strategies of a hard-to-convince criminal investigator. Christianity could be defined as a “cold case”: it makes a claim about an event from the distant past for which there is little forensic evidence. In *Cold-Case Christianity*, J. Warner Wallace uses his nationally recognized skills as a homicide detective to look at the evidence and eyewitnesses behind Christian beliefs. Including gripping stories from his career and the visual techniques he developed in the courtroom, Wallace uses illustration to examine the powerful evidence that validates the claims of Christianity. A unique apologetic that speaks to readers’ intense interest in detective stories, *Cold-Case Christianity* inspires readers to have confidence in Christ as it prepares them to articulate the case for Christianity.

The Incarnate Lord

Acts is the sequel to Luke's gospel and tells the story of Jesus's followers during the 30 years after his death. It describes how the 12 apostles, formerly Jesus's disciples, spread the message of Christianity throughout the Mediterranean against a background of persecution. With an introduction by P.D. James.

The Case for Christ

Who is Jesus? This is the fundamental question for christology. The earliest Christians used various titles, most of them drawn from the Old Testament or Hebrew Scriptures, to express their faith in Jesus. They called him prophet, teacher, Messiah, Son of David, Son of Man, Lord, Son of God, Word of God, and occasionally even God. In *Who Is Jesus?* Thomas Rausch, S.J., focuses on the New Testament's rich variety of christologies. *Who Is Jesus?* covers the three quests for the historical Jesus, the methods for retrieving the historical Jesus, the Jewish background, the Jesus movement, his preaching and ministry, death and resurrection, the various New Testament christologies, and the development of christological doctrine from the New Testament period to the Council of Chalcedon. Chapters are "The Three Quests for the Historical Jesus," "Methodological Considerations," "The Jewish Background," "Jesus and His Movement," "The Preaching and Ministry of Jesus," "The Death of Jesus," "God Raised Him from the Dead," "New Testament Christologies," "From the New Testament to Chalcedon," "Sin and Salvation," and "A Contemporary Approach to Soteriology." Thomas P. Rausch, SJ, PhD, is the T. Marie Chilton Professor of Catholic Theology at Loyola Marymount University in Los Angeles. A specialist in ecclesiology, ecumenism, and the theology of the priesthood, he has published eight books including the award-winning *Catholicism at the Dawn of the Third Millennium*, *The College Student's Introduction to Theology*, and *Reconciling Faith and Reason: Apologists, Evangelists, and Theologians in a Divided Church*, published by Liturgical Press.

Cold-Case Christianity

Looks at the Gospels and examines what Christ requires of his followers in a redemptive-historical context. New and seasoned believers will see God's loving plan for their ultimate satisfaction.

The Acts of the Apostles

The mystery of a newly translated “gospel”—filled with startling revelations and fascinating detail about the life and times of Jesus—is now revealed in this ground-breaking follow-up to the New York Times bestseller *The Jesus Family Tomb*. Waiting to be rediscovered in the British Library is an ancient manuscript from early Christianity, copied by an anonymous monk. This document is at least 1,450 years old, possibly dating to the first century, but it has never been properly translated or decoded. Until now. Working with an expert team of translators and digital imaging experts, acclaimed authors Simcha Jacobovici and Barrie Wilson provide the first-ever translation, from Syriac into English, of this unique document, which tells the inside story of Jesus’ social, family and political life. *The Lost Gospel* takes readers on an unparalleled historical adventure through this paradigm-shifting text. What the authors eventually discover is as astounding as it is unexpected: the confirmation of Jesus’ marriage to Mary the Magdalene; the names of their two children; a

previously unknown plot on Jesus' life more than a decade prior to the crucifixion; an attempt to abduct Mary and kill the children; the politics behind the crucifixion; and a religious movement that antedates that of Paul's—the Church of Mary the Magdalene. Part detective story, part modern adventure, *The Lost Gospel* reveals secrets that have been hiding in plain sight for millennia. Jacobovici and Wilson's surprising discovery and vigorous scholarly research position this ancient text alongside the Dead Sea Scrolls and Gnostic writings as a pillar of our evolving understanding of the historical Jesus. Translation of ancient text by Tony Burke

Who is Jesus?

The NIV is the world's best-selling modern translation, with over 150 million copies in print since its first full publication in 1978. This highly accurate and smooth-reading version of the Bible in modern English has the largest library of printed and electronic support material of any modern translation.

What Jesus Demands from the World

Could it be possible that Jesus was not Jewish? What would that mean to the faithful? Jesus the Phoenician exposes, among other unprecedented certitudes, the origin of the Jewish faith and the true hidden identity of Jesus Christ. Though the author claims no theological degree, as a Christian and a writer he has read and researched extensively and compiled a sound, compelling argument that the traditionally accepted story of Jesus the Jew, though largely undisputed by the faithful in favor of the biblical version, is actually an impossibility. By investigating the etymology of the name, Jesus, other questions arise regarding the incompatibility between the Great Annunciation and traditional Jewish practices, as well as the true lineage of the family of the Messiah. Then, by examining the lives of the family, friends, and Disciples of Jesus, the circumstances of Jesus' birth are challenged, establishing which Bethlehem the child savior was born in and substantiating the origins-Galilean or Jewish-of Jesus and his Disciples. Furthermore, based on a new understanding of the true origins of Jesus and his apostles, Jesus the Phoenician reveals the truth about Jesus by showing the many holes in the traditional Jewish and biblical history that point to Jesus having been a Jew. And, finally, the reader is asked to consider the validity of the typically dismissed sources, the Apocrypha, the ex-biblical texts that suggest and support the theory of Jesus the Phoenician. By investigating and analyzing the Old and New Testaments, as well as numerous other books, Apocrypha, and scholarly sources, Jesus the Phoenician systematically debunks the traditionally accepted Jewish story of Jesus and synthesizes a groundbreaking explanation for this historical and theological blunder. By delving into the history of the Canaano-Phoenicians and disproving the accuracy of the established story of Jesus Christ, Jesus the Phoenician begs the reader to think outside of biblical tradition and to consider, as have scholars, theologians, and writers throughout history, the proof herein that denies the identity of Jesus the Jew.

The Lost Gospel

Craig Greenfield has dedicated his life to following the most subversive teachings of Jesus. These amazing stories of a young family living obedient to God's radical call will inspire and challenge readers as they dare to reconsider how Jesus might be calling all of us to love our world.

Holy Bible (NIV)

LIFE Books managing editor, Robert Sullivan, has twice been awarded the Wilbur Award for best religion feature in a national magazine and has authored LIFE's New York Times best-selling biography of Pope John Paul II. He brings to this book his expertise on the subject of Christianity along with text informed by the world's great scholars, theologians and religious figures. Jesus emerged from nowhere to become, in his short life—perhaps as few as 32 years—a thinker, teacher and preacher whose words and deeds would change the world and become the foundation for the world's largest religion. But the biography as outlined in the New Testament and apocryphal writings only tells us so much. LIFE's editors go, in words and pictures, in search

of Jesus of Nazareth, the carpenter's son who would one day influence all. The great photographer Denis Waugh once made a thorough, colorful and moving pictorial pilgrimage to the Holy Land exclusively for LIFE, and those images will anchor our quest. We will travel, as well, to the Vatican, to the missions of Africa, to the Glide Memorial Church in San Francisco-to all that has risen in Jesus, name. In the book's final section, we will look at Christianity today: Its still vastly influential place in our tumultuous world.
